OUR TRIP HOME FROM COUNCIL

ADELAIDE SAT. 17th AUG. 11.45am 4 Executive members from Melb. try to make a departure from Adelaide & its wonderful people. After goodbyes and a few moist eyes, we were off, Patsy, Sandra, Betty & Ellen plus Morris Minor of course. We made for Mt. Gambier (singing all the way, from "ON TOP OF SPAGHETTI" to "ROUSE UP"), where we decided to camp for the night, Yes camp. We went to the drive-in that night, the film was old as the ones on T.V. After the drive-in, we made for the camping grounds, picked a big tree to park the car under, locked doors, opened windows, then with great moving around for best corner in car to sleep (?) Sandra & Betty, somehow got in the back seat and Pat & Ellen in front, Pat had the pleasure of the steering wheel's company & the two thermos flasks and large bag of almonds, put up a battle for best position on other side with Ellen. A PEACEFUL NIGHT HAD BY ALL????, MT. GAMBLER SUNDAY, 18th AUG. 6.30am OH, OOW, AH. all awake. 4 rather odd characters wearing Y.C.C. Dog Tags wander over to the washrooms, clean up then try to find Church in time for 7.30am Mass. Having seen enough gum trees we decided to take Great Ocean Road to see the coast (we thought) via Port Fairy, etc., we saw the sea between Warrnambool & Port Campbell, but then - do you know what you see from Port Campbell to Apollo Bay - THE OCEAN??, no, if your're lucky you do, perhaps a small bit through trees - gum trees, pine trees. Beautiful roads, wide enough for one car, with 100' drops. We finally reached Apollo Bay, changed drivers, the one we had would have kept going round bends when there weren't any, and into the sea we go. Yes we finally saw the ocean, but it was dark & we couldn't see a thing. When we got to Geelong we all relaxed, Betty & Pat went to sleep in the back, leaving Ellen dozing off now & then, feeding Sandra biscuits & crunby jokes (HA,HA). P.S. (CAN'T FIT MUCH MORE IN, I WAS ONLY GIVEN 1 PAGE).

A long long time later, the last member of the party arrived home in the A.M. tired but happy....  
SO IF EVER YOU GO TO ADELAIDE, WHY NOT COME HOME ALONG THE GREAT OCEAN ROAD, YOU'RE SURE TO FIND IT BORING - AS YOU CAN SEE, WE DID !!!!!  
.....

SERVICES

The BATINTON SEASON ended in a burst of glory for the Reservoir team who defeated Oakleigh Good Shepherd Convent last week in a narrow finish.

The finals were well attended on both nights, but we would like to have seen many more supporters present. The spirit & co-operation on both nights by the girls from teams was good to see.

Thanks are due to Sandra Kennedy and her willing committee who ran the Batinton season so well.

featuring GELLONG region - Belmont, East  
Geelong, together with St. Mary's Geelong,  
make up the groups in this area: -

St. Mary's Geelong, has six leaders with  
Judi Moore as President. Bacchus Marsh  
Y.C.W. were invited down to Geelong on  
21st July and all had a marvellous time.  
The whole region will be having their  
weekend at "LOWANNA" later this year.

East Geelong has 7 leaders - Marianne Van  
De Wiel is President, and there are two  
teams. Recently 19 girls took 16 children  
from St. Catherines Orphanage, for a trip  
to the Zoo for the day. General meetings  
are held each fortnight.

Belmont parish has nine leaders, and  
President is Iris Appleton. General  
meetings are held regularly. A youth week  
is to be held some time in October. They  
have also entered a basketball team in the  
Geelong competition, which will be starting  
soon.

As yet there is no Regional Rep. for  
this region.

This region is a very active one, and  
we wish it all the best for the future.

# National Council

At the National Council held in Adelaide from 11-16th August, hundreds of girls gathered from many parts of Australia. Some of these girls travelled thousands of miles to be present at Council. Many problems facing youth were discussed in open Council, or in small discussion groups.

Two of the biggest problems concerning young girls were how she spends her leisure time and the difficulties involved in her work.

Many girls are working at jobs for which they are not suited, because of inadequate vocational guidance and a shortage of suitable jobs. Many suggestions were made to try to overcome these problems and it was found that the Y.C.W. is not in touch with all girls and there is a great need for the Movement in Nth. Queensland and the rural areas.

About 30 chaplains attended the Council and also Bishop Goody of Bunbury & Bishop Gleeson from Adelaide who showed great interest in Council & what was being done.

There was a friendly spirit among the girls & by the end of Council, many new friendships had been formed and each girl felt that she had learned something by hearing problems which had been discussed by delegates and observers from each State throughout the Council.

# STATE CONFERENCE

The annual State Conference was held in Bendigo last weekend, with 120 representatives from Melbourne and country Dioceses attending.

The Conference was officially opened by His Lordship, Most Rev. B. D. Stewart, Bishop of Sandhurst, and Ellen Mills, State President.

At the Conference we discussed the importance of what we do. We saw there was a need to stop and look at our own lives. We also found we can help our fellow workers to understand their lives much more, if we can see more purpose in our own lives.

Fr. Duffy of Sandhurst spoke on "GOD'S PLAN FOR US" and the need for each leader to be a PRIEST, PROPHET & A KING.

Marg. Cannon, full-time worker at Ballarat stressed the importance for LOOKING AT OUR OWN LIVES. Our life at work, our family life, our recreation etc.

The significance of our 'ACTION' was discussed and why it is important to bring others to share our action.

The Conference closed with Benediction at 5 O'clock and everyone left for their various homes, full of plans for the future.
