CAULFIELD CITY COUNCIL FOR THE 1976/77 YEAR

SEE MIDDLE PAGES

A six-weekly publication produced by Caulfield Council for the residents of this City.

Vol 1, No. 2

Wednesday, September 8th, 1976.

## FIRST CAULFIELD ARBOR DAY

### 480 TREES PLANTED . . .

A total of four hundred and eighty students from various local state and private schools helped plant trees during the City of Caulfield's first-ever Arbor Day held on Wednesday August 18, 1976.

Trees were planted by students at Caulfield Park, Duncan McKinnon Reserve, and at Murrumbeena High School during separate ceremonies.

### SCHOOL STUDENTS HELP OUT . . .

The aim of Arbor Day was to give school students a greater awareness and appreciation of the need to have trees growing within built-up suburbs.

By allowing students to participate directly in the planting of trees the aim was to give them a sense of involvement and pride in the future development of the parks and gardens within the City of Caulfield.

Murrumbeena State School (40 students were invited from each school).

Buses were once again provided free-of-charge to ferry students to and from the Reserve.

#### Murrumbeena High School

A special third ceremony was held at Murrumbeena High School to plant trees around the perimeter of the School grounds.

Approximately 40 students from Murrumbeena High each planted a tree in the holes previously prepared by staff from the Parks and Gardens Department of the City of Caulfield.

#### Gift of Native Plant

Each student taking part in the tree-planting ceremony at Caulfield Park and at Duncan Mackinnon Reserve was given a gift of a small native plant to take home to commemorate the occasion.

### NEW PHONE LINES FOR CAULFIELD CITY OFFICES

The City Offices of Caulfield Council has two new telephone numbers in addition to the existing number 53 0361.

Residents can now also call the City Offices on 528 4852 and on 528 4853.

The existing number 53 0361 can hold up to ten lines simultaneously, whilst the two new numbers can only take one line each.

Residents are advised to continue to use 53 0361 as there are more lines available at the one time; however, if you are experiencing difficulties in getting through, then one of the two new numbers can be tried — 528 4852 or 528 4853.

### 4 NEW COUNCILLORS FOR CAULFIELD

As a result of the elections held for the City of Caulfield on Thursday August 26th, 1976, four new Councillors were elected to Council.

Mr Anthony Gilbert Hordern was elected as Councillor for the North Ward, Mr. Geoffrey Simon Patience was elected as Councillor for the South Ward, Mr. Glenister Michael Richards was

elected as Councillor for the East Ward, and Mr Peter Baitz was elected as Councillor for the West Ward.

The four new Councillors were sworn in at a Statutory Meeting of Caulfield City Council held on Monday August 30th, 1976.

Details of election results and of the Statutory Meeting are provided on the middle pages.

#### Caulfield Park

The first ceremony saw a total of 240 students from seven schools take part in the planting of trees at Caulfield Park.

Council staff from the Parks and Gardens Department had already prepared the holes in readiness for planting.

The schools represented were Beth Rivkah Ladies College, Yeshiva College, O'Neill College, Holy Redeemer Regional College, Caulfield North Central State School, and Ripponlea State School.

Buses were provided free-of-charge by Caulfield Council to transport forty students from each of the schools, to and from Caulfield Park.

#### Duncan MacKinnon Reserve

There were five schools represented at the second tree-planting ceremony, held at Duncan Mackinnon Reserve later the same day.

A total of 200 students attended the ceremony, and the schools represented were Caulfield Junior Technical School, Caulfield State School, Caulfield South State School, Glenhantly State School and

# WEDDING BELLS IN HOPETOUN GARDENS

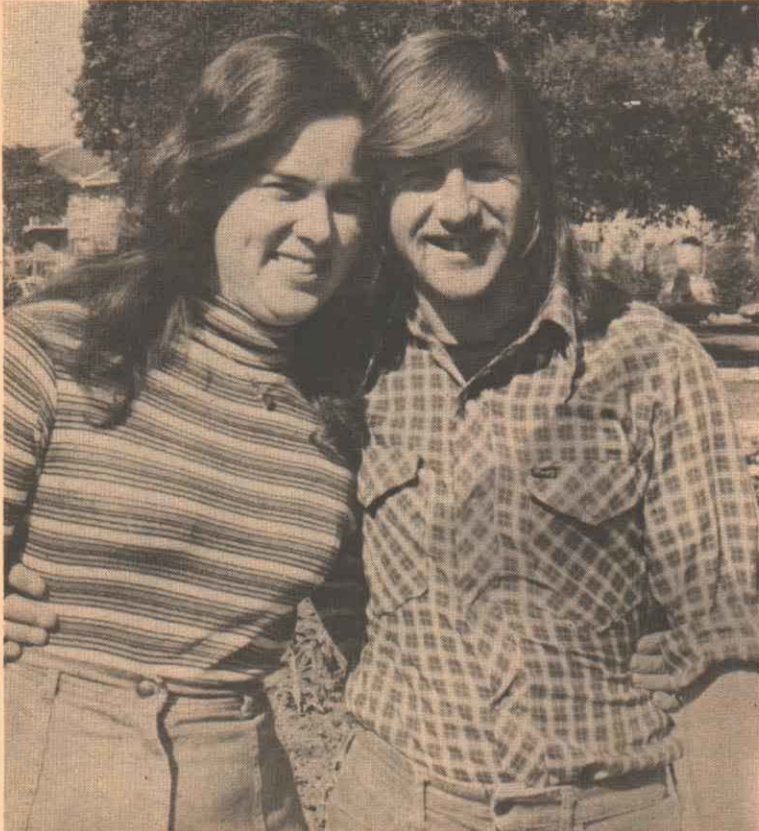

Janet Payne and Derek Parkinson (below) have a vested interest in Hopetoun Gardens.

These gardens, (at right), situated in Glenhuntly Road between Kooyong and Orrong Roads, will be the venue for their wedding next January.

Janet and Derek plan to be married in Hopetoun Gardens on the 15th of January, 1977, at 5.30 p.m. by marriage celebrant, Brian Zouch.

They were looking for something different to the traditional church wedding and decided to ask permission of Caulfield Council to hold the wedding in the gardens.

Permission was given and now final plans are under way for the wedding where approximately 80 people are expected to attend, followed by a reception at Lloloma Lodge in Gardenvale Road.

## THE MULTI-USES OF CAULFIELD'S PARKS...

The Parks and Gardens within the City of Caulfield provide facilities for many varied recreational activities.

There are barbecue facilities at Glenhuntly Reserve, Seymour/Allison Road Park, and at the East End of Caulfield Park.

With the exception of some of the smaller gardens such as Riley Reserve and Springthorpe Reserve, the majority of Caulfield's Parks and Gardens have playground facilities for children.

The larger parks and reserves such as Caulfield Park, Glenhuntly Reserve, Koornang & Lords Reserve, and Princes Park offer many sporting facilities for such sports as football, cricket, hockey and La Crosse.

Caulfield Park is another favourite spot for outdoor weddings, especially after the

completion of the lake and fountain.

For those who like the quiet and peace of the outdoors, the gardens and reserves such as Greenmeadows Gardens, Marara/Curraweena Road Park, Hopetoun Gardens, Seymour/Allison Road Park, and Riley Reserve offer the chance for passive recreation.

The staff of the Parks and Gardens Department, headed by the Superintendent, Andy Reynolds are responsible for the all-year round maintenance and up-keep of the parks, gardens and reserves within the City.

Including the Caulfield Racecourse, the City of Caulfield has a total of approximately 339 acres of open recreational space.

### ATHLETIC MEETING AND CARNIVAL

#### DUNCAN MCKINNON RESERVE

SATURDAY OCTOBER 9TH, 1976

The Committee of Management for the Duncan McKinnon Reserve in conjunction with the Glenhuntly Amateur Athletics Club have organised a combined Athletic Meeting and Carnival on Saturday October 9th, to help raise funds.

The program is as follows:

- Little Athletics 9 a.m. to 12 noon
- Model Aircraft Display 12 noon to 1 p.m.  
Current Australian model aircraft champion Doug Harlow will be conducting the display.
- Senior Athletics Meeting 1 p.m. to 4 p.m.

Throughout the day, side stalls, and activities will be available to provide entertainment for the whole family.

The Duncan McKinnon Reserve is situated at the corner of North Road and Murrumbeena Road in Murrumbeena.

**EVERYONE IS WELCOME**

### "HEALTH INSURANCE — YOUR CHOICE"

Still confused about health insurance? Well, everyone must make a choice by October first.

To assist you in making your decision, Caulfield Jaycees have arranged a public seminar on Thursday evening, September 9, at the Caulfield Town Hall at 8 p.m.

"Health Insurance — Your Choice" is the theme, and speakers will be Mr Derek Shaw, General Manager of H.B.A., and a prominent spokesman from Medibank. The conductor and chairman will be Dr Bertram Wainer.

After an address by each speaker, questions will be allowed from the audience. Application forms and guidance in their completion will also be available for both funds. Admission is free and there's plenty of room.

So here's your chance to have all your questions answered, make up your mind, and arrange the health insurance of your choice, all in the one evening.

### OAKLEIGH TIP

Any further enquiries regarding the depositing of rubbish and the charges involved can be made directly to the Oakleigh Tip by phoning 568 2486.

## COUNCIL NEWS-IN-BRIEF

### CHILD-MINDING IN CAULFIELD

One of the most successful developments in services offered by Caulfield Council during the last twelve months has been in the area of child-minding.

Caulfield Council presently operates three child-minding centres in conjunction with local community Committees.

There are now a total of 91 children under daily care, and a further 48 children are on the waiting lists.

### PRACTICE WICKETS FOR GLENHUNTLY

The Glenhuntly Recreation Reserve Committee of Management requested permission from Caulfield Council to erect practice wickets on the reserve.

This was considered at the Physical Environment Committee meeting held on the 17th August, and permission was given for the erection of three practice wickets adjacent to the perimeter of the oval. (This decision was ratified by a meeting of the whole Council on the 24th August, 1976).

### \$2,000.00 GRANT TO C.A.B.

Caulfield City Council recently gave a grant of \$2,000.00 to the Citizens' Advice Bureau for the continuation of the position of Office Co-ordinator.

The Office Co-ordinator is responsible for the co-ordination of all the various services provided by the Citizens' Advice Bureau.

### SCHOLARSHIP AWARDS FOR C.I.T.

The 2 City of Caulfield Awards for 1976 made available to the Caulfield

Institute of Technology have been awarded to 2 first year students, Gillian Hammer and Shulamith Perelstein.

Each student receives a cash award of \$75.

### DEPUTY CITY MANAGER TAKES NEW POST

Mr Les Fell, the Deputy City Manager of Administration for the City of Caulfield has resigned after two years of service to take up the position of City Manager for the City of Kew.

Kew City Council has recently decided to adopt the City Manager administrative structure as part of a plan to improve its administrative efficiency and operation.

### THE TOWN HALL IS TO STAY

After the circulation of the first "Caulfield Contact" which had as its lead story an article on a Council decision to retain the Town Hall, there still appeared to be confusion on the part of some residents as to the future of the Town Hall.

At this stage, Caulfield Council has definitely resolved that the Town Hall will remain.

Caulfield Council is aware of the need for improved administrative facilities and has sought information on various alternatives to meet this need, prior to taking any further action.

Caulfield residents will be kept fully informed of future developments, and plans are also underway to involve residents in submitting their ideas on how the Town Hall can better be utilised to provide the necessary community facilities.

## THOSE EARLY DAYS

● In June 1905, Council discussed for some time the destiny of one Elsternwick celebrity, "Finger" by name. Finally Council asked the Metropolitan Fire Brigade Board to have "Finger" removed ... and this was done with great alacrity. It seems that "Finger" was a "jibber" — not the sort of horse to draw a flashing fire cart.

● One task Council set Constable Eagleson in 1880 was to discover the owner of stray cattle wandering near the racecourse. Some months later Eagleson reported that they belonged to one Charles Chapman, better known to the Councillors as their poundkeeper.

● October 1894, was a black month for Frank Power, Rate Collector and Former Valuer of the Shire. A search revealed that he had embezzled £12.4.2 and the Secretary was ordered to see to warrant for his arrest. A month later he admitted in court the amount was about 470 — some return on investment.

● For some months Mr Justice Webb, owner of Crotonhurst, and Mr H. J. Langdon, owner of Rosecraaddock, had a battle about the condition of Webb's drain. Subsequently, Council charged Webb who rather arrogantly asked under what section of the Local Government Act was he being charged. Council replied not under the Act, but under the Local Health By-Laws. Mr Justice Webb had forgotten apparently that as a Councillor 30 years before hand he moved, that the Seal of the Roads Board be placed on the first Health By-Laws of Caulfield.

"In those days were two policemen, their section was upstairs, looking through the windows, they spotted us getting into the orchard, the owner said let them off, the trees were old."

*I remember the Caulfield Town Hall at its early stage. I am now 79 and the years travel on. We lived in Hawthorn Road, at the nursery near the Town Hall. My father sold it to the Police Station. When we lived there, no electric lights, only gas, no trams, no sewerage for the use of lavatories.*

*Down Hawthorn Road was trees between the road and gutters. Opposite the Hall, at the corner of Hawthorn and Glen Eira Roads, on the east side was vegetable grown cauliffowers up to the front path. Northside, on the west side of Hawthorn Road, was an orchard, high fence, you could see only a bit of the house.*

*On the other corner, was high gum trees, right up to the footpath, behind them, was a large lake not deep; but a lot of frogs, on a section of it we played.*

*In those days were two policemen, their section was upstairs, looking through the window, they spotted us getting into the orchard, the owner said let them off, the trees were old.*

*When not on duty, they rode their bikes home. The Town Hall on the east side was the Post Office, only managed by a lady, the boy drove his horse and cart to the Elsternwick Railway Station to collect what letters the train left.*

*On the south door was the Judges room, on the side of Glen Eira Road was a shed, inside was a fire cart ready to pull out with your hands.*

*The Town Hall, well, it was ordinary bricks with creepers over the bricks up to the top. Never-the-less we liked it.*

*Where the hospitals are now in Kooyong Road was a vagrant house, the owners left it and went to England, and we spent a lot of time there chasing rabbits.*

*The footpath in front of our place was only sand. On going to school we hid in the maize crops at Thomsons Dairy place.*

*Over to land to school, on the corner was the lolly shop, the only other shop over Hawthorn Road was Mr Wood's fruit shop.*

*On going home we went over the land to Bambra Road, was the mental home for females, high tin fences, we mucked around. At school the teachers were excellent.*

*I drove a horse and cart down to Flinders Street, Melbourne, with seedlings, back home to Caulfield, and had the road to myself.*

*If you walked along at night you would see a lot of squirrels crossing the roads, And the birds were lovely sorts, not what you see now.*

## HOLIDAY CARE FOR ELDERLY

Families who care for elderly relatives have to face the problem of what to do when holiday time comes round.

Often the aged people they care for are too old to go on holidays, and too frail to leave unsupervised.

Caulfield City Council has made available all year round self-contained accommodation at both Camden Court and Heathlands Hostel to help families in just this position.

Families can leave their elderly relatives for a minimum of one to a maximum of four weeks in supervised accommodation whilst they go on holidays.

Those persons who are eligible for such accommodation are required to be residents of the City of Caulfield, over the age of 60 living with relatives, and able to walk and carry out basic tasks such as dressing and undressing themselves.

The charge will be \$45 per week, and a deposit of one weeks' rental (\$45) will be required to confirm a booking. The weekly tariff will be required to be paid in advance.

The Hostels were built by Caulfield City Council and provide good quality accommodation, and high quality care for older residents, who each live in "motel" type units. Pleasant communal lounge and dining rooms are provided.

Staff are available to help residents with such activities as dressing, bathing, supervising medication, as well as ensuring the general happiness and well-being of all the residents.

An agency nurse is available to help as required, whilst an occupational therapist and a chiropodist also provide services if required.

Residents have a choice of either preparing their own breakfast and evening meal, or having these in the dining room. All residents have the mid-day meal served in the dining-room.

Enquiries and application for the required forms can be obtained by contacting Mrs. Lyndon Jaffer or Mrs. Maureen O'Sullivan at Caulfield City Offices at the corner of Hawthorn and Glen Eira Roads, Caulfield (53 0361).

### "THANK YOU ..."

We wish to thank all the people who volunteered their services to "Meals-on-Wheels" in response to the request in the last "Caulfield Contact".

These people are helping to maintain this essential service.

### MORE HELP ...

However, we are still in need of drivers and jockeys to assist in the delivery of meals to the elderly and infirm.

If you can give of your time any week day between the hours of 10.45 a.m. and 12.45 p.m. please phone Judy Morgan, "Meals-on-Wheels" organiser on 53 0361.

### "OWNING A DOG IS NO JOKE"

Another 40 dogs were impounded during August, which indicates that there are many owners of dogs who fail to realise their moral and legal responsibility in ensuring that their animals do not roam the streets and inconvenience others.

It is becoming apparent that further consideration will have to be given to instituting legal proceedings against the owner of any

dog impounded in the future. This will be in addition to the owner having to pay a release fee of \$10 when claiming the dog.

Only recently the Council instituted proceedings against the owner of a dog which attacked another person and the owner was fined \$15 plus \$54 costs and in default of payment, to be imprisoned 14 days.

Any enquiries that residents may have on their responsibilities in owning a dog should be directed to Mr Reg Dixon, Council Ranger, at Caulfield City Offices, 53 0361.

## Caulfield History — it's over to you

Those memories of good times past, photos of streets lined with horse trams, sketches of kids rabbiting in the Kooyong Road scrub now have a chance to be put down for posterity.

From 1 October the authors of the history of Caulfield will start their field work. For this early part they wish to confine their work to the period up to 1913 — when Caulfield became a city.

Here is what they suggest:

● For memories of places, important events, people, old homes, odd happenings, etc., please write down your memories and send them to Peter R. Murray & Associates, 5 Keys Crt., NARRE WARREN, 3805.

or leave them at the City's reception desk marked HISTORY, c/o Mr David Riley. Would you also include your telephone number in your address so the authors can follow up any leads you might mention.

● For documentation such as photographs, paintings, letters, diaries, etc., please ring Peter Murray on 704 6426 to make a time when

he can inspect them. The usual procedure will be to examine your material, copy what you permit and return it promptly. It sounds like a good chance to have someone help you clean up the attic!

The authors would greatly appreciate material relating to Harold Pennington, John Holland, Gilbert Handasyde; the Hart, Ilbery, King, Lloyd, Stephens, Watts and Lempriere families; very early settlers, Owensville and Cambden Town, early industries, market gardens and early sports clubs such as the Emo Ladies Cricket Club and the Kooyong Road Polo Club.

The authors would like to hear from you within the month; if this is not possible, then let Peter Murray know

you will have material but it will be late.

### \$4000 RAISED — IN HEART APPEAL —

The National Heart Foundation "Heart Sunday" Appeal was held on Sunday, August 1.

President of the Caulfield Appeal Committee, Cr Brian Rudzki, said that over \$4000 had been raised in the Caulfield area.

"This is approximately 15% up on last year's effort, and considering we had the worst winter weather of the year on collection day, I believe it is a splendid result," Cr Rudzki said.

"I wish to thank Jack Campbell, the Appeal Chairman of the Caulfield Committee, the other Committee members, and all the volunteers who helped to collect on the day, for all their hard work; and, of course, I would like to also thank all the generous people of Caulfield who made donations to the Appeal."

# CAULFIELD CITY COUNCIL NEW COMMITTEES FOR 1976-77.

## Results of Council Elections

### MESSAGE FROM THE MAYOR

This second issue of "Caulfield Contact" carries details of the composition of Council Committees for 1976/77, following the statutory Council Meeting held on Monday 30th August, and the swearing in of the four newly elected Councillors.

It is my belief that the new Committees, all of which have a blending of Councillors with previous experience on the Committees in question, and the available new talent will serve the City well over the next twelve months.

Additionally, the appointment of Councillors to the many organizations with which Council has a direct association has again seen the involvement of each and every Councillor.

Let me assure the citizens of Caulfield that during the next year it will be the firm and total objective of their elected representatives to regard as paramount, the orderly and continued growth during the year of the City, its varied facilities and attractions.

You have a dedicated team through whom much can be and should be done.

May I also say how proud I am to have again been elected Mayor of this Municipality.

I am looking forward to the challenge, especially in the knowledge that I have the full support of Deputy Mayor, Cr. Ron Walters, my other Council colleagues and the Council Officers.

*Max Scan*

Mayor of City of Caulfield.

This page is provided by Caulfield Council for community organizations to publicise their activities, and so that residents of Caulfield can express their personal views on matters of common interest.

Letters, items, photographs, statements, and diary notes should be posted to Mrs Jolly, C.C.S. Secretary, Centenary Hall, Caulfield — marked "Community Access Page."

Enquiries can be phoned to the Caulfield Community Service's recording service 53 5463 for later answering.

Items for publication need to be prepared well ahead of time, as Caulfield Contact appears every six weeks.

The deadline for copy for inclusion in the next issue is the 1st October, 1976.

### LIONS CHRISTMAS CAKES

The Lions Club of Carnegie wish to advise residents that they have received their first consignment of Christmas cakes, which are now available to the residents of Caulfield.

These cakes are an excellent standby for unexpected guests, approaching birthdays, or for any other celebrations before Christmas.

The 3 lb. dark, rich and fruity Christmas cakes are selling for only \$2.80.

Orders will be delivered within their district.

To order your cakes, contact Roy Kerr on 58 4016, or Gerald Godfrey on 56 4491.

### C.C.A.B. ANNUAL MEETING

Two representatives will be elected on the General Committee by the Volunteer Operator Group.

If residents have any further enquiries, or are seeking assistance or advice, please call the Advice Bureau on 528 1307.

## Miss Majorette of Victoria goes to local girl

The highest solo award of the Annual Victorian Baton Twirling Championships held recently, went to local girl Beverley Kemp of East Bentleigh.

Beverley, who represented the Caulfield Baton Twirlers, was awarded a sash and trophy for being judged Miss Majorette of Victoria at the Championships held at Dandenong on the 14th and 15th of August.

Alexander Crerar, also representing Caulfield, won first place in the Junior Novice Section.

Several other girls from the Caulfield Baton Twirlers were successful in gaining places in solo events —

Tracy Adams gained second place in the Senior Strutting Section, and fourth place in the Senior Novice Section.

Sandra Fossati was second in

## 'She' ... Needs Your Help

'She' finds even the simplest task difficult. Going shopping, or travelling on public transport becomes a big obstacle.

Apart from her own family and friends, "she" often is unable to communicate with the outside world.

'She' is a non-English speaking migrant, who spends most of her time at home isolated because she can't speak our language.

But now, for 'she' there is a chance. A Home Tutor Scheme, organised and financed by the Education Department, aims to teach English to migrants in their own home.

The scheme will be based on the use of volunteers, who will fulfill the role of the missing link in the migrant's life, by being a friend, instructor, and by providing her with direct contact with the Australian Community.

The Quota Club of Caulfield is giving its full support to the scheme and is assisting in the gathering of the necessary volunteers to get the scheme off-the-ground in Caulfield.

### VOLUNTARY HELPERS WANTED FOR SALVAGE COLLECTION

Voluntary helpers required for 2 to 4 hours, one day per week, to assist the Salvage Collector distribute empty bags and to collect full bags from homes throughout Caulfield.

### LIGHT INDOOR VOLUNTARY WORK

There is also light indoor voluntary work available, folding plastic bags and date stamping leaflets. This work would be carried out at the rear of 344 Hawthorn Road, Caulfield.

This volunteer work will assist the community by increasing the amount of salvage collected and sold by the Carnegie Elderly Citizens Opportunity Shop and the Caulfield Voluntary Workers Shop.

If you can help, please contact Len West during business hours, phone 536 208 or phone Mrs. Jaffer at Caulfield Town Hall on 53 0361.

## \$80,000 RAISED FOR ELDERLY

In March, 1961, the Carnegie Elderly Citizens Opportunity Shop opened their doors at 64 Rosstown Road in Carnegie, and since then, they have raised over \$80,000.

Much of this money has been used to help pay for the Carnegie Elderly Citizens Club rooms at 314 Neerim Road, and to carpet the self-contained units for the elderly in Belsize Avenue.

Part of the money raised by the Carnegie Opportunity Shop has been used to help in the welfare of the aged in the City of Caulfield.

In December of 1974, the sum of \$30,000 was handed to the Mayor of Caulfield.

This money was added to Caulfield Council's Municipal Welfare Fund and was used to help purchase land in Ames Avenue in Murrumbeena which is the proposed site for a third personal care hostel for the aged.

(This follows the successful completion of the first two personal care hostels for the aged — "Camden Court" in 1974, and "Heathlands Hostel" in 1976).

The Carnegie Elderly Citizens Opportunity Shop will be making a further donation in the near future.

The success of the opportunity shop is due to a large degree to the many volunteers who donate their time and energy free-of-charge.

The continued success of the shop can only continue with the help of the citizens of Caulfield.

Donations of clean clothing, crockery, glass ware, pictures, toys, books and other items are welcomed.

Goods can be left at the Opportunity Shop at 64 Rosstown

Road, phone 211 5468 or residents can call Mrs Lyndon Jaffer at Caulfield City Council on 53 0361 and arrange for a van to pick up donated items from your home.

# CAULFIELD YOUTH SERVICES

This article has been written by Graham Sproul, a member of C.Y.S.

Are you tired of the same old style of youth group?

Then Caulfield Youth Services is what you are looking for.

Yes, C.Y.S. is a completely unorthodox youth group, operated by the Youth of Caulfield for the Youth of Caulfield, with help from Caulfield Council.

From a small beginning about three years ago, C.Y.S. has now grown and expanded to a group of approximately 70 teenagers ranging in age from 14 to 23.

The Caulfield Youth Services Headquarters is located at 256 Hawthorn Road, which is almost next door to the Caulfield Town Hall.

This is the venue for a twice-weekly Coffee Shop on Wednesday and Sunday nights between 8 p.m. and 11.30 p.m.

Live entertainment is provided every Sunday night and ranges from Jazz to Bluegrass. Light refreshments are also available. On Wednesday nights, we have general group

meetings, excursions to the Ice-Skating Rink, the Caulfield Community Centre, and also to live shows.

Some of the activities which C.Y.S. have been involved with lately, are week-end surf camps, day trips to the snow, and visits to other interesting locations around Melbourne.

So, if you would like to check us out, drop in any Wednesday or Sunday night.

Our General Group Meeting is being held on Wednesday 8th September at 7.30 p.m. and discussions will centre around our constitution, activities for the future, and any other items of interest to the youth of Caulfield. All are welcome.

If you want to know more about the Caulfield Youth Services, contact Dena Flannigan at the Town Hall on 53 0361.

## COPIES OF HEARING ON CIVIC CENTRE AVAILABLE

Transcripts of the public hearing on the Civic Centre held by Caulfield Council on Monday August 2nd are now available free of charge at the City Offices.

The hearing was set up by the Caulfield Council to allow all those residents and community groups who had previously sent in written submissions to verbally elaborate on their submissions regarding the Civic Centre concept as it was originally announced in March of this year.

The hearing also gave Councillors an opportunity to obtain community reaction to the decision not to pull down the existing Town Hall, and to obtain community input on how to fully utilise the Town Hall to provide the necessary community facilities.

Over 300 written submissions had been received by Caulfield City Council, and invitations to speak at the hearing were extended to all submittees.

Thirty residents spoke at the hearing which started at 2 p.m. in the afternoon, and allowing for a two-hour tea break between 5 and 7 p.m. ended just after 8.30 p.m. The whole hearing was recorded on tape and later typewritten.

The transcripts which consist of 50 typewritten pages, can be obtained from the Caulfield City Offices, at the corner of Hawthorn and Glen Eira Roads in Caulfield.

## CAULFIELD BEARS MAKE FOOTBALL HISTORY

After only three seasons in V.F.A. First Division, Caulfield has fought its way into the final series.

And although the Bears lost to Dandenong in the first semi-final by 40 points, Caulfield can be proud of a very successful football year.

Final results of the semi-final played at St. Kilda Cricket ground on Sunday August 29th was Dandenong 20.19 (139) to Caulfield 15.9 (99).

As one of the "newer" clubs to join the V.F.A. ranks, Caulfield won the second division flag in 1973 and their rise to football power has been rapid.

Significant of the club's strength is that the seconds side emerged from the ruck in mid-season and have also reached the final four.

According to Club President Mr Jack Baker, Caulfield has the finest Committee in the V.F.A. It has a top line coach in ex-Richmond player Tony Jewell who was locally born and is now in his sixth season at the helm. And thirdly, the club has recruited well over the past two seasons, with Jewell successfully blending the old with the new talent and forming them into a strong and evenly balanced side.

Costs involved in running a

senior V.F.A. club are high, and the Bears have one of the smallest followings in the V.F.A. And yet, despite this and the absence of wealthy backing that many other clubs enjoy, Caulfield has succeeded.

Unlike many other senior clubs, Caulfield has a high proportion of locals playing in the senior sides.

Both the Caulfield Bears President, and Coach emphasise that whilst Caulfield is without doubt the most improved combination in the V.F.A., the history that the club really wants to make is to be the best side in 1977.

They both agreed, that what the Caulfield club needs most is extra local support to help the Bears on to the 1977 premiership flag.

## Caulfield Contact

Dear Sir,

As your local M.L.A. I was very pleased indeed to see the first issue of "Caulfield Contact" appear, and congratulate you on what I believe will become a popular and regular feature of life in Caulfield.

In a city the size of Melbourne, the average citizen can become lost unless there be some community with which he can readily identify himself. Caulfield is one of Melbourne's oldest Municipalities with fine traditions and in particular, a tradition of community service.

I believe its people have a very real sense of identity, and hope that "Caulfield Contact" will help to foster and preserve the many factors which make Caulfield a community in which citizens can live in happiness and fulfilment.

Yours sincerely,  
Charles Francis  
Member for Caulfield

## Carnegie Progress Association

Dear Sir,

This Association, formed in June 1947, has now entered its 30th year, and has had the one Secretary since its formation.

It has enjoyed close co-operation with Caulfield Council and is responsible for many improvements in Carnegie over a number of years.

Some of these include Children's playground in Koomang Park, seats in Rosstown Road, Koomang Road shopping centre, Carnegie tram terminus and park.

The Association meets in Progress Hall (at rear of Carnegie Library) on the first Monday of each month, and after the meeting is concluded, members enjoy a social evening.

The Executive is appealing for new members and will be pleased to welcome any interested persons at its next meeting. Any information can be obtained by contacting the Secretary on 56 2426.

Yours sincerely,  
Mr J. Muirhead,  
Secretary,

Carnegie Progress Association.

## G.A.A.C. Information and an Invitation

To the citizens of Caulfield.

After 55 years of continuous occupation of club rooms in the Glenhuntly Park Reserve, the Glenhuntly Amateur Athletic Club has moved to the new Athletic track at Duncan McKinnon Reserve.

Here, our club will have an opportunity to justify our claim to being one of Australia's strongest athletic clubs.

Any one at all is invited to take part in our activities. We have many teams entered in the V.A.A.A. competition.

Many of our members belong to the Veterans Club, and the 'Little Athletics' have competitions at Duncan McKinnon on Saturday mornings. Also, the Glenhuntly Women's Amateur Athletics Club train and operate from this track.

This summer the athletic

track will be the venue for senior competition.

Our club is in need of officials for judging and other duties during competition.

We extend an invitation to any past athlete who would like to maintain an active interest in athletics, or anyone who likes sport but who do not wish to compete.

If you can help our club please contact Trevor Vincent, our Secretary, on 232 4690 — 30 Boyanna Drive, Mt. Waverley, or contact our President, Pat Clohesy, on 53 7155 — 42 Halstead Street, Caulfield.

Bill Coupe,  
On behalf of the G.A.A.C.

## Wendy is Worried

Dear Sir,

I have asked my mistress to write to you. Firstly thank you for Caulfield Contact which will keep me informed of my rights and responsibilities in Caulfield.

I am an unspayed female cocker spaniel and my mistress keeps me from getting pregnant by giving me the pill.

However when we try to go for walks we are usually molested by uncastrated aggressive males.

Could you please ask the Council why my mistress has to pay a higher registration fee for me than the owners of these male dogs do, when it is the male dogs who attack me and who would make me pregnant if my mistress were not so careful?

I am not a member of Women's Lib but I do think the Councillors have got it all wrong when they make my mistress pay more.

Yours faithfully,  
"Wendy", Clarke Avenue,  
South Caulfield.

## Editor's Note:

Dear Wendy,

It is the regulations that are set out in the Dog Act 1970 that allow for the difference in charges for an unspayed bitch as opposed to 'any other dog'. I'm not sure how your mistress will explain it to you, but it maybe that when they drew up the Dog Act they hadn't heard of the "pill" for female dogs.

## Caulfield Park Bowling

To the Editor,  
Sir,

Over recent years many houses in Caulfield have been demolished and replaced by O.Y.O. units or flats. Often where formerly one family lived there are now many families. As a consequence the population of this city must have increased very considerably.

We wonder whether many of the occupants of these units and flats realise —

1. That Caulfield has many lawn bowls clubs;

2. That these clubs provide healthy and enjoyable outdoor recreation and in addition, an excellent means of meeting other residents in very congenial surroundings.

More Members would be welcome. At present we have approximately 200 members almost equally divided between men and women. In addition we have a few non-playing social members.

Caulfield Park Bowling Club has two greens with a combined total of 18 rinks, which is sufficient for 144

## YOUR LETTERS

This section of "Caulfield Contact" is devoted to letters from residents.

Preference will be given to letters of 300 words or less, and the content should be of topical interest to all readers.

Due to a limited amount of space, not all letters received can be guaranteed publication.

Letters should be addressed to "Caulfield Contact" c/- David Riley, Community Liaison Officer, Caulfield City Hall, cnr. Hawthorn and Glen Eira Roads, Caulfield, 3162.

bowlers to play at the one time.

For new bowlers as well as for present members, coaching is provided by the Club's most competent bowlers.

Besides the healthy outdoor recreation, the club rooms provide much social life for members and visitors.

For men there are two full sized billiard tables and the ladies often have card days. Mixed social gatherings are also held. The club has a bottle licence.

Residents interested in joining or visiting Caulfield Park Bowling Club may contact the Honorary Secretary Mr Jack Nest, Club Phone 509 7282 (or private phone 528 3468) or may call at or write to the club in Balaclava Road (opposite No. 255) Caulfield North, 3161.

On behalf of the committee,

John McDougall  
President Caulfield  
Park Bowling Club

## "UNDERSTANDING GRIEF"

As a result of a 7 weeks course for volunteers held at the Community Care Centre last April, there has been a special request for a follow-up evening devoted to the topic — "Understanding Grief."

This evening will be held on the 21st September, 1976, at 7.00 p.m. at the Community Care Centre, 240 Kooyong Road, Caulfield. All Caulfield volunteers are welcome to attend.

For any further information, please contact Clare Brennan, Volunteer Services Co-ordinator at the Community Care Centre on 53 0371 or contact Judy Morgar "Meals-on-Wheels" Organiser at the Caulfield Town Hall on 53 0361.

## RED SHIELD DOOR KNOCK APPEAL

The Salvation Army Red Shield Door Knock Appeal was held on Sunday, July 11, 1976.

A total of \$8952 was raised in the Caulfield area alone.

The total of \$8952 was almost \$800 more than was raised in the same area during the 1975 Red Shield Appeal.

# COMMUNITY CENTRE THIRD-TERM ACTIVITIES PROGRAM

## NEW COMMUNITY CENTRE DIRECTOR

Jocelyn Trevor has recently been appointed as the new Community Centre Director for the City of Caulfield.

Jocelyn was born in Robin Hood Country near Nottingham in England.

She has spent the greater part of her life travelling in England and on the continent, for both business and pleasure, before coming to Australia in 1961.

Jocelyn considers herself one of those lucky people whose work and leisure ethics combine and overlap. She feels that she has always been fortunate in working at what she enjoys. Mainly because she likes people.

Her business life has certainly been in "people" areas - from fashion to real

estate - and she has done a great deal of training and teaching people in all age groups.

Jocelyn's growing interest over the years in what people do with their leisure time, led her to full-time study for a Diploma of Recreation.

As Jocelyn says, "it is a natural extension of my previous business experience, and as I just like people and love working with them in a stimulating and exciting environment, I'm very much looking forward to being part of the Caulfield Community Centre and its growth."

The Caulfield Community Centre is starting a Fencing Club on Friday nights at 7 p.m.

The club is for the novice class, and the coach will be John Fethers (who once crossed swords with Errol Flynn).

For further particulars call Andrew Flannigan at the Centre on 53 4110.

## CONGRATULATIONS

The staff at the Caulfield Community Centre would like to congratulate Bruce Akers who represented Australia so fantastically in wrestling at the recent Olympics held in Montreal.

Bruce trains at the centre, as do 4 other Australian or ex-Australian champions. We are proud to have him in Caulfield, and salute his courage and dedication over the last four years to be able to represent us so well.

Congratulations also to Bruce Akers' coach, the amazing Jim Sinclair.

## VOLUNTEERS

Volunteers are always needed at the Center. If you have any hobbies or activities you would like to get off the ground, give us a ring at the centre on 53 4110.

## THANK YOU!

We would also like to thank all those people involved with the Community Centre, whether paid, volunteers, or those involved in last term's programme.

J. Trevor,  
Community Centre Director.
