A six-weekly publication produced by Caulfield Council for the residents of this City.

Vol 2 No. 2

Monday, December 6th, 1976.

16-Page Supplement on Carols By Candlelight Program — See Middle Pages.

## RESIDENT'S PROPOSAL FOR WARD BOUNDARY CHANGES ACCEPTED BY COUNCIL

A proposed plan for the re-subdivision of the City of Caulfield's ward boundaries submitted by Mr George Brown of Glenhuntly, has been adopted by Caulfield Council.

Mr Brown's proposal came as a result of a two-month display of a proposed ward re-subdivision plan prepared by Council.

During the display period, residents were invited to forward their comments to the City of Caulfield.

The original proposed plan, prepared by Council, was also displayed in the very first issue of "Caulfield Contact" which was distributed to residents at the end of July.

Mr Brown, along with three other residents, submitted an alternative proposal to the one tentatively agreed upon by Council.

After giving all proposals very serious consideration,

Caulfield Council selected Mr Brown's proposal as the most practical plan.

His proposal resubdivides the municipality in the most equitable manner, and allows for further expected flat development in both the South and East Wards within the next few years.

The proposal also retains at least the majority of the existing wards in the proposed wards, with the West Ward being added to quite considerably.

The boundaries proposed are also readily and easily definable which is a requirement of the Local

Government Act.

Following Council's decision to adopt Mr Brown's proposed re-subdivision plan, application was lodged with the Minister for Local Government to resubdivide the municipality in accordance with this plan.

The Minister has since advised Council that the proposal has been given to his Advisory Committee for a report. This committee will hold a Public Hearing on a date yet to be fixed.

It is hoped that the new subdivision will be finally decided upon by the Minister, and become operative in time for the 1977 Council elections.

Turn to Page 2 to read the letter submitted by Mr Brown outlining his proposed re-subdivision plan.

### FREE LEGAL ADVICE FOR CAULFIELD

A meeting, organised by the Caulfield Community Service and sponsored by the City of Caulfield, was held on Thursday the 11th November to discuss the setting up of a free legal advice service in Caulfield.

Representatives from the Caulfield Community Service, the Citizens' Advice Bureau, the Law Institute, and Caulfield Council met with twenty-one solicitors either residing or practising law in Caulfield.

Thirteen of the solicitors present at the meeting volunteered to be included on a roster system to provide free legal advice for the residents of Caulfield.

A Steering Committee was formed, comprising two solicitors, two members of C.C.S., and a representative from the C.A.B. and the Social Development Department of the City of Caulfield with the aim of opening the service in the first week of February, 1977.

It is anticipated that the free Legal Aid Service will initially be for two hours a week.

The City of Caulfield will be making an establishment grant to the Caulfield Community Service to cover the financial costs involved in setting up the free legal aid service.

### BUMPER ISSUE FOR CHRISTMAS

This is the last edition of "Caulfield Contact" for 1976, and it's a real bumper of an issue.

Inside you'll find a special four-page lift-out supplement on the City of Caulfield's "Community Day" to be held on Saturday, December 11th, 1976.

You'll also find a special 16 page supplement which gives you all the details on the annual City of Caulfield's Carols by Candlelight to be held in the grounds of the Caulfield Arts Centre, 441 Inkerman Road, Caulfield North on Sunday, December 19th at 8 p.m.

Caulfield City Council will be in recess in January, and so will "Caulfield Contact." The next issue of this paper will be late in February, 1977.

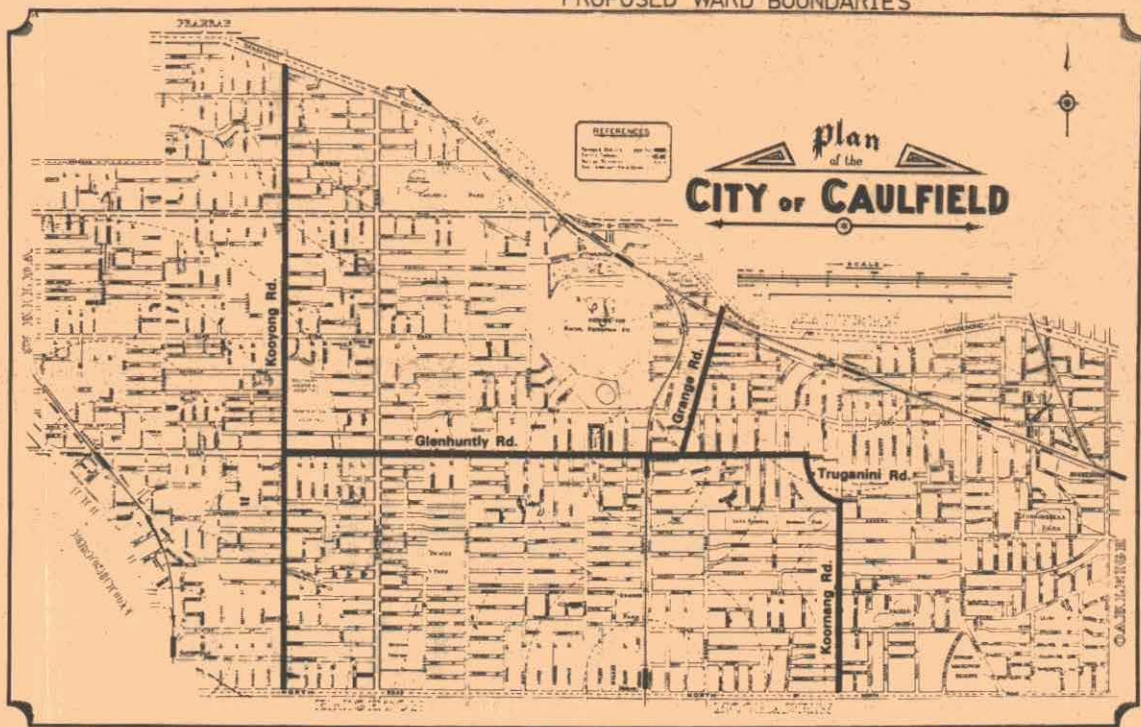

1976 has been a significant year in many ways for the City of Caulfield.

One of the highlights has been the introduction of a regular six-weekly newspaper delivered to the home of every resident in the City.

"Caulfield Contact" is produced by the Caulfield City Council in an attempt to foster better communication between Council and the Ratepayers in this City.

We look forward to many more issues of "Caulfield Contact" in 1977 to keep you informed of the major developments in the City of Caulfield.

# MR BROWN'S LETTER TO CAULFIELD COUNCIL

## — Proposing ward boundary changes

City Manager,  
Dear Sir,

I wish to congratulate you for proposing re-subdivision of wards plans to correct the great imbalance that has occurred due to population movements over the years.

Having noted the proposed subdivision plan I wish to draw attention to the following points:

● Present Ward Population Figures (per 1971 Census) (Total population = 81,081, approx. average per Ward = 20,270)			
Ward	Population	Variance from Average	Percentage Variance
North	16,218	4,052	-20.0%
South	29,043	+8,773	+43.3%
East	29,434	+9,164	+45.2%
West	6,386	-13,884	-68.5%

● Population Figures for Council's Proposed Resubdivision Plan (per 1971 Census)			
Ward	Population	Variance from Average	Percentage Variance
North	21,199	+ 929	+ 4.6%
South	20,582	+ 312	+ 1.5%
East	21,309	+1,039	+ 5.1%
West	17,991	-2,279	-11.2%

It would appear from the above table that the variation in the West Ward of 11.2 per cent under the average population per ward is too great a variation if equal representation is to be achieved and it is suggested this imbalance could be alleviated if the east boundary of the West Ward was Kooyong Road.

To correct the loss of population in the South Ward the East Boundary could be altered to Koornang Road. An adjustment of the boundary between the East and North Wards using Glenhantly Road as the Southern Boundary and perhaps Grange Road as the dividing boundary would appear to be correct. However this boundary could be varied so that each of these wards would have approximately 20,270 population.

It is also suggested that re-subdivision of boundaries should occur if results in any census taken indicate that population swings have occurred within the wards.

Yours faithfully,  
George Brown.

## No Garbage Collection

Garbage Collections will not be carried out by the City of Caulfield on the following Public Holidays:

**Monday, 27th December, 1976,  
and Monday, 3rd January, 1977.**

### CITY OF CAULFIELD

## PUBLIC COMPETITION — "NAME THE PARK"

Can you suggest a more appropriate name for the park presently known as the Seymour Rd/Allison Road Park in Elsternwick.

The City of Caulfield has organised a public competition. If you have a suggestion, write it down, and either post it or drop it in at the Caulfield City Offices.

The winning name will be announced at the Australia Day Breakfast to be held on Wednesday, January 26th, 1977. The person submitting the winning entry will be invited to the Breakfast as the personal guest of the Mayor.

Please address your envelope: City Manager, "Name the Park Competition," City Hall Offices, Cnr. Glen Eira and Hawthorn Roads, Caulfield.

**All entries must be received at the City Hall Offices by no later than 4 p.m. Friday the 14th of January, 1977.**

## Social Welfare seminar a success

Representatives from over fifty organizations gathered together at a seminar organised by the Caulfield Community Service to discuss the Welfare Scene in Caulfield.

The seminar, which was sponsored by Caulfield Council, was held at the Caulfield Town Hall on Thursday the 18th of November.

One of the most significant points to arise from the discussions held, was the consensus of opinion that agreed that there was a need for closer communication and consultation between organizations active in social welfare.

It was agreed at the meeting that the Caulfield Community Service should play a more positive role in co-ordinating communication and consultation amongst the various welfare groups who share common goals and activities, so that these groups can learn from one another and be more effective in their activities.

The meeting was chaired by His Worship the Mayor of Caulfield, Cr Max Blair, and guest speaker was Mr John Wise, the Manager for Social Development at the City of Caulfield, who spoke on "Welfare Co-ordination and Co-operation in Caulfield."

The Chairman of the Caulfield Community Service, Mr Jack Campbell reiterated his statement made prior to the seminar being held, by agreeing that the seminar had been a significant step towards obtaining a wider understanding, and a more effective approach to meeting social welfare needs in Caulfield.

## MAYOR'S MESSAGE

I believe most of us would agree that for a community to remain homogenous and vibrant, it is essential that there are regular opportunities for citizens of that community to mix and mingle on common ground.

With this thought in mind, I am pleased that over the next two months Caulfield Council is responsible for the organisation of three such ventures, each of which is substantially different in character.

And although each function is given separate publicity in this paper, I feel it is appropriate for me to briefly deal with each one.

Firstly, on the 11th of December at Koornang Park we are conducting a Community Day where citizens will be able to enjoy a variety of activities and at the same time gain a better appreciation of the range of service organisations which operate within the City.

Secondly, on Sunday December 19th we are conducting at the Caulfield Arts Centre, our annual Carols by Candlelight evening commencing at 8 p.m. Father Christmas will be there to welcome children with a small gift.

And, thirdly, on Wednesday the 26th of January 1977, the City Hall will be the venue for an Australia Day Breakfast from 7.30 a.m. to 9 a.m. which will provide citizens with the opportunity of celebrating the discovery of Australia and listening to a most entertaining speaker.

I hope that at least one of these events will appeal to your individual interests.

★ ★ ★

Additionally, may I say how happy my colleagues and I are that following what has been described in some quarters as a long overdue decision to seek ministerial approval to revise ward boundaries, a number of citizens showed deep interest by devoting considerable time and effort to develop proposals on the most appropriate boundaries.

Each submission had its merits, but as only one could be put forward, Council adopted the proposal lodged by Mr G. Brown of 11 Hawson Avenue in Glenhantly, in preference to the one tentatively agreed upon by Council previously.

Again, on behalf of my colleagues may I record our appreciation of this example of community interest and input, and extend congratulations to Mr Brown for compiling what we hope will be an acceptable formula for new ward boundaries.

Finally, let me, on behalf of the Mayoress and myself extend to all, the very best wishes for a happy festive season and a healthy and prosperous New Year.

*Max Blair* Mayor of City  
of Caulfield.

## HANDYMAN SERVICE FOR CAULFIELD

Caulfield Council plans to introduce a Home Maintenance Scheme early in 1977.

An experienced handyman will be employed by the City of Caulfield to carry out minor repairs in the homes of people who are unable through physical disabilities to carry out the repairs themselves.

This would cover such maintenance work as replacing light globes, changing tap washers, and fitting safety bars in bathrooms and toilets.

A small charge of 50c an hour plus the costs of materials will be made for the aged and invalid pensioners using the scheme.

Those residents who are not on a pension but who

suffer from physical disabilities can also use the service, but at an increased cost of \$3 an hour.

Caulfield Council has introduced the Home Maintenance Scheme in order to help out those people who are unable to carry out minor repairs themselves, and who find it difficult to meet the costs of bringing in a professional tradesman to do the work.

# AUSTRALIA DAY BREAKFAST — YOU'RE INVITED

The Mayor of Caulfield, Cr Max Blair, has officially announced the date of the City of Caulfield's Australia Day Breakfast.

It will be held on the morning of Wednesday, January 26th, 1977, between 7.30 a.m. and 9.00 a.m. at the Caulfield Town Hall, cnr. Glen Eira and Hawthorn Roads, Caulfield.

The Mayor has extended an invitation to the residents of Caulfield to attend the Champagne breakfast which is intended to be a community celebration of "Australia Day" and will also raise money for charity at the same time.

Costs of the Breakfast are paid for by Caulfield Council but guests are required to

donate \$5 per head to the Mayor's Charity Fund, which this year will go to the Caulfield Hospital Special Appeal for Sheltered Workshops and Special Accommodation. The function held in January of 1976 raised \$2,000 for this appeal.

It is expected that between 250 and 300 residents will attend the Australia Day

Breakfast, and guests are likely to include local Councillors and their wives, neighboring Mayors and Town Clerks, and some Members of Parliament.

Any resident who is interested in attending the Australia Day Breakfast should contact the Mayor's Secretary, Mr Burdeu and book their tickets (phone 53 0361 extension 24).

## Active Retirement Program

On Friday, 19th November, a meeting was held at Caulfield Institute of Technology to discuss the setting-up of an Active Retirement Program designed to enable retired people to become actively involved in using their prior working skills in beneficial work for the community.

The Directors of the Program, Mr Peter Cutter, Head of School of Orientation and Dena Flannigan, Recreation Officer, Caulfield City Council, met a group of interested people — Lucy Alford, Keith Patterson, Dick Musgrave, Doug McConchie, Rene Jolly, Bob Burnett, Helen Rickards and Jillian Bolton.

Those present represented a wide range of life experience including public service administration, home duties, plumbing and home heating specialisation, newspaper ad-

ministration, social work, and education.

Typical remarks were; "I have been very active all my life and I want to continue to be active"; "I do not want to be tied down in a paid occupation again"; "I would like to study some things I did not have time for before"; "I would like to give younger people the benefit of my experience."

The Active Retirement group has as its charter, community service, its objective being to pass on to the community the various and

almost unlimited experience its members have gained in their working lives.

The meeting saw likely areas of involvement including work with teacher aides, community centres, social enquiries and research projects, assisting handicapped groups, providing vocational advice, as well as offering administrative and technical advice to community groups.

The group is seeking: Retired people to become participating members; and, Community groups who could use the service.

The group wishes to build a directory of people who are interested in using this service. Contact: Peter Cutter, (C.I.T.): 211 7722 or Dena Flannigan, 53 0361 (City of Caulfield).

Despite the unpredictable weather we've been having lately, believe it or not, summer is here, and what's more, the school holidays are close at hand.

There'll be many days of fun in the sun for the kids, and what better way to have fun than doing what these kids are doing, enjoying the giant slide in the playground at Caulfield Park.

And if you're wondering what on earth the kids are going to do in January of the school holidays, after you've run out of ideas of how to occupy their time, turn to page 12 and read all about the "Sun Summer '77" activities bring organised by the City of Caulfield.

## COMMENT PERIOD EXTENDED ON CAR PARKING POLICY

The period set aside for public comment on the Interim Car Parking Policy drawn up by the City of Caulfield has now been extended until the 15th February, 1977.

The extension was decided upon by Caulfield Council after there had been a lack of response, over a two-month period, to Council's invitation to residents and various community organizations to make constructive comments on the Interim Policy on Car Parking.

Despite the fact that a copy of the policy was sent to seventeen organizations, and residents were notified both in the local press and the last issue of "Caulfield Contact" that copies were available at the Town Hall, only one resident has forwarded his comments. It is hoped by extending the original 2 months allowed for public comment that organizations and individual residents who had planned to make comments, will now have sufficient time to finalise their submissions.

It is also hoped that other interested organizations and individuals may be encouraged through the extension in time, to make their comments known.

The Interim Car Parking Policy has been drawn up by the City of Caulfield to guide the future development of Car Parks within this City.

Copies of the Interim Policy can be obtained from the Caulfield City Offices, corner of Hawthorn and Glen Eira Roads, Caulfield. Comments are invited from the public, so that they can be taken into consideration, prior to the car parking policy being finalised.

Comments should be addressed to the City Manager, K. D. Wilson, at the Caulfield City Offices, and marked "Interim Car Parking Policy".

## \$350,000 BANK LOAN FOR CITY OF CAULFIELD

The Mayor of Caulfield Cr Max Blair, announced today that the Commonwealth Savings Bank had made a loan of \$350,000 to the CITY OF CAULFIELD.

The Money would be used for Roads, Footpath and Channel modernization; Development and Extension of Recreational facilities; Purchase of Plant and Equipment and erection of Buildings.

"Population growth and community development has brought increased problems

to council and other local bodies. A high degree of organisation and large sums of money are needed to provide and maintain essential services to the community," said Councillor Blair.

"The continued help of the Commonwealth Savings Bank, which has always been deeply concerned with local progress, is greatly appreciated by my council," the Mayor said.

### The Community access page is for you

The Community Access Page is a regular feature of "Caulfield Contact." It is meant to be a page for use by community groups and associations. A page where you can let other people know what you're planning, what you're doing, and what you're trying to achieve.

If you've got a function, in fact any kind of activity and you need the support of the community, then the Community Access Page can help you. Turn to Page ten and see what we mean.

## MAYOR'S CHRISTMAS MESSAGE

The singing of Carols, particularly over the Christmas period, provides an opportunity for the community to reaffirm their love of mankind and the joy of togetherness.

The Caulfield City Council again this year has arranged a special program for the Carols by Candlelight which will be held in a new venue at the Caulfield Arts Centre. An added attraction will be the appearance of Father Christmas at 8 p.m. Copies of the program along with Candles will be available at the entrance for a donation to the Municipal Welfare Fund. Thank you for your support.

Each year we try to improve the Carols organisation and this year for the first time this book has been produced entirely by the Council.

May I, on behalf of my Council colleagues and the Mayoress, extend to all citizens of the City our very best wishes for the coming year which we hope will be blessed by good health, happiness and peace to all people.

1. Once in Royal David's city  
    Stood a lowly cattle shed,  
    Where a mother laid her Baby  
    In a manger for His bed.  
    Mary was that mother mild,  
    Jesus Christ her little child.
2. He came down to earth from heaven

    And His cradle was a stall.  
    With the poor and mean and lowly  
    Lived on earth our Saviour holy.
3. Not in that poor lowly stable,  
    With the oxen standing by,  
    We shall see him, but in heaven,  
    Set at God's right hand on high;  
    Where like stars his children crowned  
    All in white shall wait around.

**While Shepherds Watched**

1. While shepherds watched their flocks by night,  
All seated on the ground,  
The Angel of the Lord came down,  
And glory shone around.
  
2. "Fear not," said He, for mighty dread  
Had seized their troubled mind;  
Glad tidings of great joy I bring  
To you and all mankind.
  
3. To you in David's town this day  
Is born of David's line,  
A Saviour Who is Christ the Lord;  
And this shall be the sign:
  
4. The heavenly Babe you there shall find  
To human view displayed,  
All meanly wrapped in swathing bands,  
And in a manger laid.
  
5. Thus spoke the seraph; and forthwith  
Appeared a shining throng  
Of angels praising God, who thus  
Addressed their joyful song;
  
6. All glory be to God on high,  
And to the earth be peace;  
Good will henceforth from Heaven to men  
Begin and never cease.

## Away in a Manger

1. Away in a manger, no crib for a bed,  
The little Lord Jesus laid down His sweet head,  
The stars in the bright sky looked down where He lay.  
The little Lord Jesus asleep in the hay.
2. The cattle are lowing, the baby awakes,  
But little Lord Jesus, no crying He makes,  
I love Thee, Lord Jesus! Look down from the sky,  
And stay by my side until morning is nigh.
3. Be near me, Lord Jesus, I ask Thee to stay  
Close by me for ever, and love me, I pray!  
Bless all the dear children in Thy tender care,  
And fit us for heaven to live with Thee there.

### The First Nowell

1. The first Nowell the angel did say,  
Was to certain poor shepherds in fields as they lay,  
In fields where they lay keeping their sheep,  
On a cold winter's night, that was so deep.

Chorus:

Nowell, Nowell, Nowell, Nowell  
Born is the King of Israel.

2. They looked up and saw a star,  
Shining in the east beyond them far;  
And to the earth it gave great light,  
And so it continued both day and night.
3. Then let us all with one accord  
Sing praises to our heavenly Lord,  
That hath made heaven and earth of naught,  
And with His blood mankind hath bought.

## Hark! the Herald Angels Sing

1. Hark! the herald angels sing  
Glory to the new-born King.  
Peace on earth, and mercy mild,  
God and sinners reconciled,  
Joyful, all ye nations, rise.  
Join the triumph of the skies,  
With the angelic host proclaim,  
"Christ is born in Bethlehem"  
Hark! the herald angels sing  
Glory to the new-born King.
2. Christ, by highest Heaven adored,  
Christ, the everlasting Lord,  
Late in time, behold Him come,  
Offspring of a Virgin's womb.  
Veiled in flesh the God head see!  
Hail, the Incarnate Deity!  
Pleased as Man with men to dwell,  
Jesus, our Emmanuel.  
Hark! the herald angels sing  
Glory to the new-born King.
3. Hail the heaven-born Prince of Peace!  
Hail the Son of righteousness!  
Light and life to all He brings,  
Risen with healing in His wings.  
Mild He lays His glory by,  
Born that man no more may die.  
Born to raise the sons of earth,  
Born to give them second birth.  
Hark! the herald angels sing  
Glory to the new-born King.

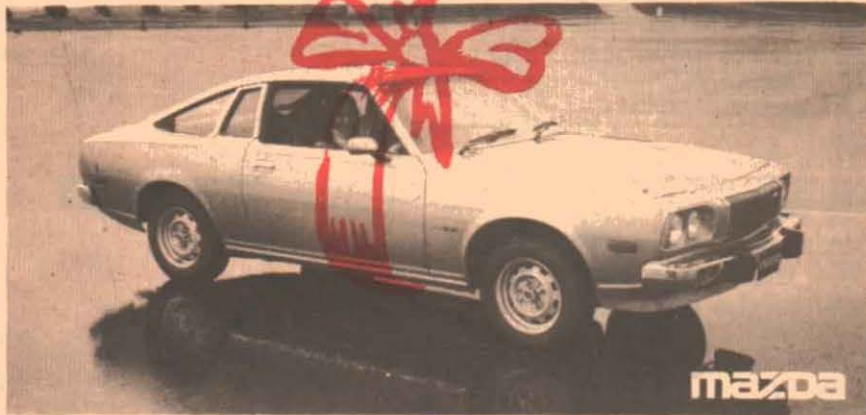

END OF OFFICIAL PROGRAM.

# Know Your Councillors

This is the second in a six-part series planned to introduce to you the twelve elected councillors who serve the residents of the City of Caulfield.

**CR BERT CALDWELL (SOUTH WARD)**

**Deputy Chairman:** Planning and Community Development Committee.

**Member:** General Purposes Committee

**Council Representative:** Caulfield High School Council, President of Princes Park Committee of Management, South Eastern Weights & Measures Union.

**First elected to Council:** April, 1975.

**Occupation:** Advanced Dental Technician (practising in Caulfield)

Married, wife Pat, two sons and a daughter.

**Q. How did you become interested in Local Government?**

A. For the past eighteen years I have taken an active interest in all levels of politics, and I have been involved in many fund-raising activities for local charities.

My activities brought me into contact with Caulfield Council on many occasions, and over the years I got to know quite a few of the local Councillors, and started to develop a keener interest in local government.

Since I was born in Caulfield, and spent most of my life in Caulfield, it seemed a natural step for me to take a more active role in Caulfield's future development.

I was asked by Councillors and ex-Councillors if I would offer my services to the City of Caulfield as a Councillor, and I decided that the time was right in 1975 for me to stand for election.

I stood for office in the South Ward mainly because I was born in the South Ward and I felt I had an affinity with the area.

**Q. What area of local government interested you in your first year in office?**

A. Well, over the years I have observed the need for many social welfare services in Caulfield, particularly the need to provide a Home Handyman Service for the aged and handicapped.

I have been vitally interested in the Home Handyman Scheme and I have supported it fully. Now, I'm pleased to say that Council has approved of this scheme and the scheme will take effect early in 1977.

Many other social welfare services are needed, and the government provides many subsidies for such services which means that ratepayers do not have to bear the main costs.

Part of the role of Caulfield Council, as I see it, is to initiate these welfare services and get them working efficiently in order to make use of the State and Federal government subsidies available.

**Q. What do you see as the future for the City of Caulfield?**

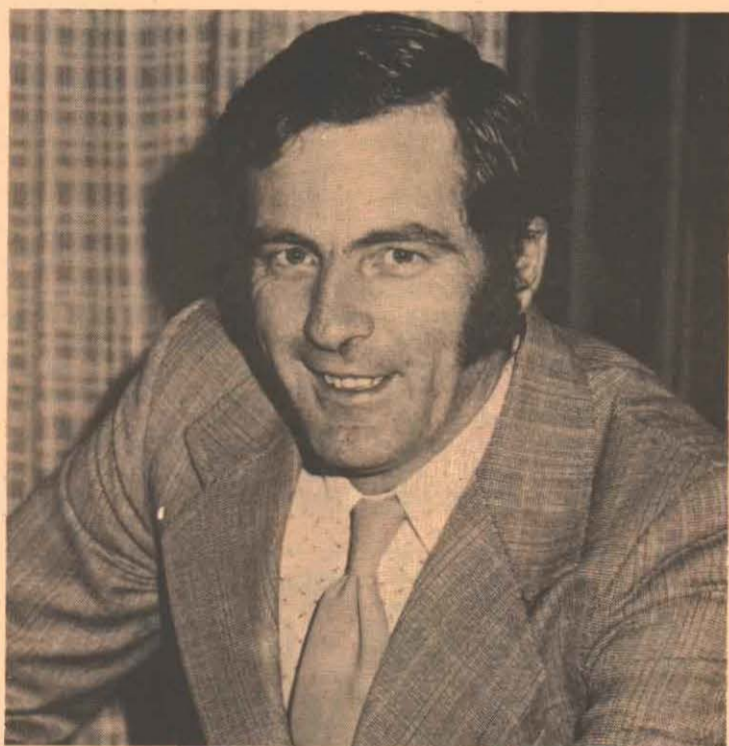

A. Having lived here for most of my life, I have a strong feeling for the City. I see Caulfield as a prime residential area, and I see one of my main functions as a Councillor is to work to maintain Caulfield's residential nature in the interest of the tens of thousands of residents who have chosen to live in this city.

As Vice-Chairman of the Planning and Community Development Committee, I feel I am in a position to keep actively working towards this end.

**Q. What do you see as the main role of a Councillor?**

A. To represent the people of their ward, and I believe as part of that representation, it is essential that a Councillor be approachable and available to the people he represents.

That is why I have concentrated on making myself available to residents of my ward as much as possible during my first nineteen months in office.

**CR STAN HUNTER (EAST WARD)**

**Chairman:** Physical Environment Committee

**Member of:** Executive Services & Permits Committee, and General Purposes Committee.

**Council Representative:** Murrumbeena High School Council, Duncan McKinnon Committee of Management, Southern Region Garbage Disposal Steering Committee.

**First elected to Council:** 1975

**Occupation:** Proprietor: Glenhuntly Motors Pty. Ltd.  
Married: Wife and two children.

**Q. How did you become interested in Local Government?**

A. Having lived in the East Ward for most of my life, I have taken a keen interest in the affairs of this City, especially over the last five or six years.

When I was informed that ex-Councillor E. E. Gunn was to retire as Councillor for the East Ward, I decided to stand for office with the intention of carrying on the high standard set by ex. Cr Gunn during his many years of service for the ratepayers and residents of the City of Caulfield.

**Q. When you became a Councillor, did you have any particular areas of Council activity that you wanted to concentrate on?**

A. No, not at first. At the time I became a Councillor I was not fully aware of the full extent of the activities and responsibilities of a Councillor.

I felt my first task was to accustom myself to the role of a Councillor. After I settled in, my main interests have been con-

centrated on the Physical Environment Committee, which was previously known as the Works Committee.

This Committee deals with most matters that may have a direct physical effect on the environment of our City, and covers such areas as upkeep of parks and gardens, garbage disposal, roadworks and street signs, etc.

And because of my keen interest in this area, in my 2nd year as a Councillor, I have been elected by my fellow Councillors as Chairman of the Physical Environment Committee.

**Q. What do you see as the main responsibility of Council?**

A. Quite clearly, Council's main responsibility is to serve the needs of the ratepayers and residents of all ages, and not their wants.

I say not their wants because if you ask a hundred people what they want, I'm sure you would get a hundred different answers.

But when it comes to needs, I believe a Council can identify quite clearly what the needs are in a community whether it be

the need for more accommodation hostels for the elderly, or a simple matter of improving the garbage collection in the City. In other words, it is possible that the wants of people can be far in excess of their actual needs.

In receiving Rate Money from the ratepayers of this City, I believe this Council has an obligation and a responsibility to ensure that the money is spent wisely and carefully.

And in accepting this responsibility, I am committed to doing my part to ensure that this Council provides the necessary services that meet the established needs of the people in this City.

## NEXT ISSUE

In the next issue of "Caulfield Contact" to be published late February, 1977, there will be another in the series — "Know Your Councillors" — featuring another two Councillors from the City of Caulfield.

The City of Caulfield has twelve elected Councillors (three representing each of the four wards of the City) who are elected for a three-year term.

## Let's clear up the confusion on dog registrations

For the majority of Caulfield residents who have notified the City of Caulfield of their ownership of dogs, a registration renewal form for their dogs has been included along with the rate notices sent out during November.

Some dog owners, who have paid registration fees since the 10th April this year, believe that they are being asked to register the same dog twice.

The registration renewal form is in fact to cover the period from the 10th April 1977 to the 10th April 1978.

The 10th April next year is

the common expiry date for all dogs currently registered.

(For those residents who have not yet registered their dog, any payments made prior to the 10th April next year would only register the dog until that date, when the full amount would then be due to register the dog for the following twelve months up to the 10th April 1978).

The renewal forms have been sent out early, along with rate notices, merely to economise on expensive postage, and also to give dog owners plenty of time in which to make payment.

For those owners who have kept the registration of their dogs up-to-date the form can be kept and payment made at anytime up until the 10th

April next year.

It is important to realise that the registration renewal notices, in a majority of cases, mean that upon payment you will be registering your dog from the 10th April 1977 to the 10th April 1978. (The only exceptions are those residents whose dog registrations are not up-to-date).

Second Annual

# Caulfield Community Day

December 11 1976  
Koornang Park,  
Carnegie  
10am - 6pm  
Night water show  
7.30 - 9.30pm

*This Saturday!*

A joint presentation of  
Caulfield Council and the Caulfield Jaycees

## WHAT IS "CAULFIELD COMMUNITY DAY?"

It's a family-oriented, leisure-centred carnival event held annually in one of Caulfield's Parks and Reserves to showcase the Recreational organizations in the community.

The day is being organized and co-sponsored by Caulfield Council and the Caulfield Jaycees. Both are essentially service organizations, and in the production of "Caulfield Community Day" for 1976 they have teamed up to create an opportunity for a great fair.

There will be clowns, street theatre, a free merry-go-round, contests, games, Father Christmas, and more and more. At Caulfield Community Day you can buy an original oil, pitch darts at a balloon, get your face painted free, participate in a new game and an old game, go for a swim, watch ethnic dance groups and other demonstrations, see Kevin Heinze of ABC's "Sow What" show, and lots more.

Bring the family along to a ripping good day at Koornang Park. You'll talk about it for weeks!

This entire supplement could be taken with you as a guide to CAULFIELD COMMUNITY DAY.

# BILLY GUYATTS. BUILDING A STRONG FOUNDATION IN OUR COMMUNITY.

(A message from the Reverend Denis Oakley.)

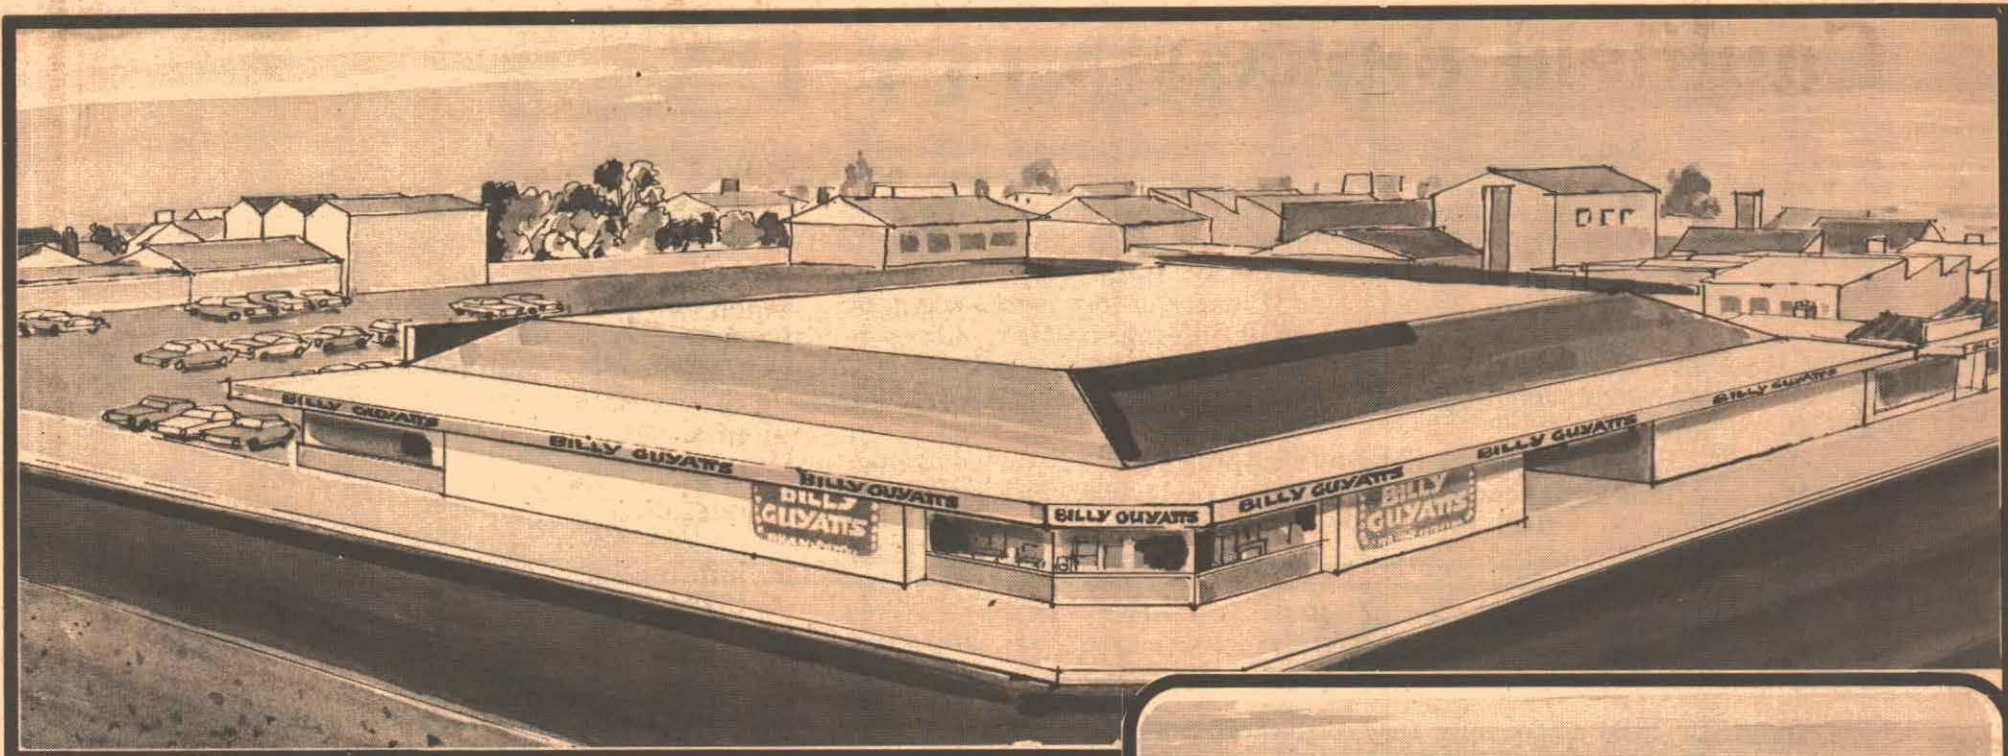

It's during celebrations like this one, I realise just how much good work is being done by people in our community. In my own welfare work with some of the less fortunate children of Victoria, Billy Guyatts have lent that much-needed support that so many welfare organisations depend upon.

For me personally, it is rewarding to be able to tell people about an electrical retailer they can truly trust. This is beaut for everyone in the community

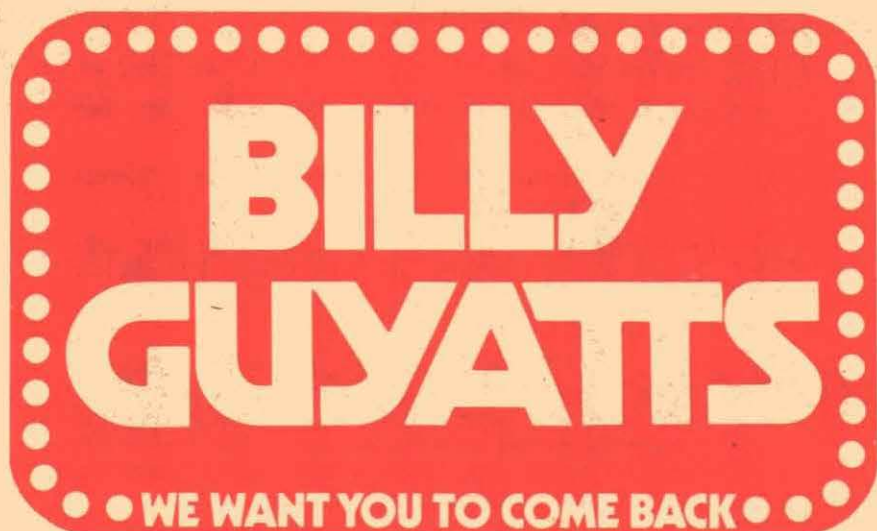

because most of us need good, reliable products at the very best of prices. And it seems the respect and trust that Billy Guyatts have built up over the years will continue and express itself in projects like their new store in Carnegie. The rather old and cluttered group of shops on the Dandenong and Koornang Road Corner will give way to a beautiful, modern retail complex. A credit to both Billy Guyatts and the Caulfield Ciy Council.

When completed, the complex will comprise a showroom and warehouse filled with the finest brand-name electrical appliances. Billy Guyatts friendly staff of experts will always be on hand, and I can honestly say you won't find a nicer bunch of people to do business with.

Like I have said so many times, Billy Guyatts are the people you can trust. because they want you to come back.

Artists impression of our proposed new Carnegie complex.

## People . . .

**KEVIN HEINZE** was born and raised in the Kilsyth area east of Melbourne. His love of horticulture began earlier than he can recall. Kevin's working life has always reflected that love, as his record contributions at the Nicholas Institute, the Royal Botanical Gardens, the Melbourne City Council (where he worked for 20 years and rose to become Horticultural Supervisor) will attest.

Kevin has always had an easy rapport with people, which his friends say comes from his genuine regard for the wishes and comfort of others.

More than 45,000 people discovered that rapport when Kevin held an Open Day in his garden on 6th April, 1975 to raise funds for cancer research.

His feeling for others in a horticultural framework has been evident on Kevin's ABC Show, "Sow What", as well as in his features in New Idea Magazine and The Herald newspaper.

Please feel free to chat with Kevin the afternoon of the

Day. He'll be most happy to answer any questions you may have.

**JOHN GOULD** has competed in the Australian Gymnastics Championships (finishing seventh overall), by invitation in London, and in the Macabean Games in Israel. John won the Victorian "B" grade trampoline championships in 1973.

**FATHER CHRISTMAS** was born somewhere north of Darwin and drove down for the day in a land rover pulled by 12 wombats.

**OTHER GROUPS** featured in the programme are recreation-oriented clubs and organisations based in the Caulfield area. Each is dedicated to furthering and perfecting that interest and skill implied by the name of their group. There's a group for almost every leisure interest you may have — why not chat with the group's representative here today?.

## Caulfield Jaycees . . .

### What is Jaycee?

Formal education has a heavy emphasis on employment requirements and so only partly prepares one for life.

Jaycees enables people to continue to learn and increase their personal understanding and capacities through experience in as many areas as a member decides.

You can learn about family budgets, town planning, politics, religious philosophy, community problems and how to be a more understanding wife or husband, and many other subjects.

At the same time you will make and meet friends in a pleasant informal atmosphere. Our suburb starts to become a community, instead of just a place to live; we become better equipped to understand and act on

local problems. We can act together as a group, or we can act as individuals to influence all events that concern us.

**Purpose:** To be a personal development organisation which will provide all members with opportunities for growth at their own pace and consistent with their individual needs and abilities, so enabling them to attain a realisation of their potential to benefit Australian society.

**Objectives:** Personal Development, Individual Understanding, Management, Community Involvement.

For further information contact: Terry Leith, 211 5105 (H) 26 1322 (B), Francis Spencer 53 0421 (B) or address correspondence to Caulfield Jaycees, P.O. Box 220, Caulfield East, 3145.

# "WELCOME TO THE CAULFIELD COMMUNITY CENTRE — YOUR FAMILY LEISURE CENTRE"

"This Centre is meant to serve you as a facility in which everyone 2 to 92 can learn achieve, relax and seek self-actualization in co-operation with others in the community."

*This article has been written by Jo Trevor,  
Director of the Caulfield Community Centre.*

So says our greeting board as you enter the door of the centre. How did we arrive at this message?

It is recognised that for the majority of Australians, leisure and recreation does centre around the home. The initial outlay for home purchase and the subsequent expenditure on necessities and luxuries restrict for many of us our holidays, trips, days in the country or in the city and certainly prohibits a great deal of expensive night life of dining and dancing.

But we still have a need to go out of our home environment and enjoy leisure activities, either singly or as a family unit, if only for two or three hours a week.

So why shouldn't our Community Centre be a 'moderate cost' alternative to a harassed 'Sunday in the Hills' with hundreds of other car loads of people, or dinner and entertainment in the

city, sharing with thousands of others the major problem of parking as well as the pleasure of leisure.

We interpret the role of a Community Centre as being that of a family club and most certainly a 'Leisure Centre'.

Filling in time is o.k. occasionally, but filling in time can become a bad habit. After a lifetime of it, one may only have regrets of things not done, or tried, or experienced in some way.

This Community Centre should be more than a place in which to 'fill in time'; it should be a place of maximum exposure to a maximum number of leisure and recreation pursuits so that each individual can decide on what we hope will be a life long interest and/or hobby.

We have been having lots of exciting alterations, renovations and facelifts in the last few months of 1976 and we are looking forward to an exciting year in 1977.

We want to see our Centre fully utilised with all our equipment being used under instruction and supervision.

We want people to come here with the idea of relaxing, recreating and simply **LIVING AND LEARNING.**

We are looking forward to many associations with clubs and groups that will cater for beginners, social participants, advanced and competition-minded people in their particular activity.

If you would like more information on how the Community Centre can provide for your leisure needs, call us on 53 4110. We look forward to hearing from you.

## Caulfield City Choir to hold Christmas Concert

The Caulfield City Choir will be holding a concert at the Caulfield Arts Centre at 8 p.m. on Tuesday the 14th December, 1976.

The main feature of the programme will be the performance by the choir, under conductor Murray Brown, of "The World at the Manger" — a cantata by Malcolm Williamson, an Australian composer (Master of the Queen's Music).

The soloists to be featured during the concert are: Soprano, Jo-Anne Haverley; Baritone, Neil Christiansen; and, organist, Constance Calwell.

The choir and soloists will be performing musical works by Hugo Wolf; Vaughan Williams' "Songs on the Christmas Theme"; Malcolm Williamson's "Fantasia on Christmas Carols", as well as performing a number of traditional Christmas Carols.

Admission to the Concert to be held at the Caulfield Arts Centre, 441 Inkerman Road, North Caulfield, is \$2.50 Adults, and Students/Pensioners \$1.50.

## LOOKING FOR A VENUE?

If you are planning a Seminar, business conference, trade showing, or if you're planning a party, a wedding reception, in fact any function where you require modern facilities, keep the Caulfield Community Centre in mind.

The Centre will be available for hiring during certain days in 1977. For further information, phone the Community Centre Director, Jocelyn Trevor, on 53 4110.

## REGISTRATION FOR ACTIVITIES

Registration for the above courses will be accepted up to and including Registration Day which will be held on Saturday, January 29th, 1977 at the Community Centre between 8.30 a.m. and 1 p.m.

Bookings will be on a first-come, first-serve basis, and please note that all programs require a minimum number of people for the particular activity to continue. There is also a maximum number for each activity.

For any further information on any of the courses offered, ring the Community Centre Director, Jocelyn Trevor on 53 4110.

## POSSIBLE NEW ACTIVITIES

As well as the activities listed above, the Centre will be exploring the possibilities of introducing organised programs in: Sailing, tennis, chess, fashion, cosmetics, Yoga, Keeping fit with Exercise, Diet and Thought, Cycling, Driving, Scuba Diving, and outings and visits to unusual places.

Both Badminton and Table Tennis sessions will be held at the Centre in 1977. Days and times have yet to be decided.

Any interested persons in these activities should notify the Community Centre of their interest.

## TAE KWON-DO

Wed. 6-7 p.m., Sat. 10-11 a.m. Throughout the year.

Cost: \$15 per month (plus \$20 for year's membership fee in the organisation).

## PLEASE NOTE

Since there is a limit placed on the number of places available for each course to be held at the Community Centre in 1977, the forwarding of the Application Form printed below does not necessarily guarantee a place in the courses applied for.

Applicants will be notified in due course of whether they have been successful in gaining a place in the courses advertised.

## PLACES AVAILABLE IN 1977 TODDLERS PLAYGROUP

Caulfield Toddlers' Playgroup has vacancies in 1977 for pre-kindergarten children over the age of 18 months.

During 1976 more than 90 families in the area, formed the eight groups which meet weekly at the Community Centre in Maple Street.

Although playgroup 1977 commences when the schools resume in February the Playgroup would like to compile their group lists early in December.

If you are a resident in the Caulfield Municipality, have a child over 18 months and wish to make further enquiries contact Loris Mawson 58 1706.

## HOLIDAY CARE FOR SCHOOL CHILDREN

The school holidays are only weeks away, and the Murrumbeena Child Care Centre is offering several "Holiday Places" for children up to the age of seven.

This offer applies for the school holidays only. Fees are \$20 per week for full time care, and \$4.00 per day for part-time care (a minimum charge of \$2.00 applies for occasional care.)

The Centre opens at 7.30 a.m. and closes at 6 p.m. For further information on the Murrumbeena Child Care Centre "Holiday Places" phone the Directress Miss King 568 0163, or the Enrolment Officer on 569 8104.

## TO RECOGNIZE HANDICAPPED AS FIRST-CLASS PEOPLE

A research project into the needs of handicapped people in the Caulfield Area has recently been conducted by three welfare studies students from the Caulfield Institute of Technology.

The students are working on the project on behalf of Caulfield Community Service, and have been talking to as many handicapped people as possible in Caulfield, in an attempt to establish what the needs of these people are.

One of the most significant points to come to light from the research work done so far, is a general consensus of opinion amongst handicapped people that the general community is not sufficiently aware of what the needs and capabilities of handicapped people are.

Most handicapped people felt that there was a lack of contact between themselves and the community at large, and this tended to create a situation where, in the extreme, they felt they were being treated as second-class citizens.

It was agreed that many

societies, hospitals and institutions do a wonderful job in enabling handicapped people to best overcome their actual physical limitations. However, most handicapped people spoken to agreed that the community in general were ignorant of the physical and emotional needs of the handicapped.

As a solution to this problem, a videotape film has been made of eight handicapped people speaking candidly about their needs and their place in the community.

The film has been shown to groups in the Caulfield

area and has raised many important issues, stimulating interesting and worthwhile discussions.

Anyone who is interested in seeing this film or discussing further any points raised in this article, can contact the Caulfield Community Service on 53 5463 or alternatively phone Nick Carter (C.I.T.) on 211 9705.

The videotape film will also be shown at the Caulfield Community Day celebrations to be held on 11th December, in Koornang Park, (next to the Caulfield Memorial Swimming Pool).

## SINGERS OF THE SHOWERS UNITE!

Tired of wasting your ringing top notes in the soapy cascades of the shower recess?

Ever thought your vocal equipment was better than your favourite singer on the tranny? Were you a keen member of the school choir and haven't sung since?

Then come along to a few rehearsals with the CAULFIELD CITY CHOIR and find out what you really sound like. You could be in for a pleasant surprise. Nothing solo, just relax in the pleasant company of amateur singers who enjoy giving their vocal chords a weekly stretch.

The CAULFIELD CITY CHOIR presents three subscription concerts each year and selects its programmes from the full range of clas-

sical, modern, folk and popular music.

NEW MEMBER SINGERS are always welcome at regular Monday night rehearsals, beginning next year at 7.45 p.m. on February 7th in the old Post Office building, Hawthorn Road (opposite the Town Hall).

The Choir offers an obligation-free period of familiarisation to interested performers, during which they may sit in on rehearsals before committing themselves to membership. Assistance with sight-reading and general music theory is available if required.

ALL YOU NEED is a voice, strong or weak. Only in choral music can you perform music by the great composers without the necessity of extensive technical preparation.

The range of music is enormous — from the oldest plain song to the latest pop tune, all vocal music is available to the choral singer in either its

original form or in skilful and enjoyable arrangements.

Singing while you wash is fine, but why not share your voice with the world (something you can't do in the shower!)

While you're chewing over the possibility (and wasting all that water), make a note to come to the Choir's MUSIC FOR CHRISTMAS programme at the Caulfield Arts Centre on Tuesday, 14th December at 8 p.m.

There's plenty of traditional carols and a new tuneful cantata by Australian composer Malcolm Williamson, even a couple of well-known carols to sing-along with the choir, which will be a good warm-up for CAROLS BY CANDLE-LIGHT.

If you can't wait that long you might like to drop in to the Choir tent on COMMUNITY DAY and find out what it's all about.

Any enquiries about membership or the concert should be directed to the Conductor, Murray Brown (509 8220) or the Secretary, Dorothy Code (81 5453).

## LOCAL CAULFIELD GIRL, AUSTRALIA'S BEST!

You may recall back in the September issue of Caulfield Contact that there was a story in the Community Access Page on local girl Beverley Kemp from the Caulfield Baton Twirlers, who had just won the highest solo award of the Annual Victorian Baton Twirling Championships.

As a result of her win, Beverley represented Victoria in the Australian Championships, and you guessed it! She won!

Beverley, who lives in East Bentleigh, was awarded Miss Majorette of Australia after successfully competing against the best baton twirlers from all other states.

Two other girls from the Caulfield Baton Twirlers were also successful in gaining places in the Australian championships held recently at Dandenong.

Sandra Fossati gained second place in the Miss Junior Majorette of Australia, and Tracy Adams won first place in the Senior Novice solo event.

## INDOOR CARPET BOWLS

# ROTARY YOUTH LEADERSHIP AWARD

Each year, Rotary Clubs throughout Melbourne set about selecting two young people to receive a Rotary Youth Leadership Award.

The Award is in recognition of a youth's leadership qualities and contribution to the community as a volunteer youth worker.

The Rotary Club of Caulfield is currently looking for candidates for the 1976-77 Rotary Youth Leadership Award (RYLA) for their district.

Any active volunteer youth worker, both male and female, whose age on May 8th, 1977 will be in the range of 18-24 years inclusive is eligible for the award.

The two winners of the award will be sponsored by the Rotary Club of Caulfield to attend a full-week live-in Seminar to be held at Wesley College from Sunday 8th May to Sunday 15th May, 1977.

The sponsorship covers accommodation, meals, transport, recreation, and entertainment is provided.

The winners will also receive a Rotary Youth Leadership Award Certificate and become members of the RYLA Association.

Those persons interested in applying for the awards should write to Gerald Oppenheim, 544 Glenhantly Road, Elsternwick 3185 for an application form.

## STAINED GLASS EXHIBITION

A very unusual and highly intriguing exhibition of stained-glass window panels has just opened at the Caulfield Arts Centre.

The exhibition, entitled simply "Glass" shows the contemporary works in stained-glass by Klaus Zimmer.

The panels in this exhibition were all made in 1976, and according to Klaus their designs were not motivated by religious symbolism, nor were they meant to be monumental, but simply the intention was to successfully blend both light and colour.

Admission is free, and the exhibition will be open until Saturday, December 18th, 1976 at the Caulfield Arts Centre situated at 441 Inkerman Road, North Caulfield.

The Gallery hours are 10 a.m. to 6 p.m. Monday to Wednesday, 12 noon to 8 p.m. on Thursdays and Fridays, and 12 noon to 6 p.m. Saturdays and Sundays.

### A SMALL BUT BUSY CLUB SERVES THE COMMUNITY

In Elsternwick a small but extremely busy group of men are constantly looking for, and finding, ways to help their fellow men in the local community, ably assisted by their wives. This group is known as the Lions Club of Elsternwick.

Some of the activities of the club have included distributing Show bags to patients in the Royal Children's Hospital on Show Day, supplying a children's ward with a complete aquarium, taking some of the underprivileged children in the area to Luna Park for a day's outing, installing Toc H warning light systems in the homes of elderly and handicapped residents, and carrying out the maintenance required on these units.

Five hundred dollars has been raised by the ladies towards the provision of a "heart" machine for the

Southern Memorial Hospital, and the club now has over one thousand dollars in hand for this project. Financial support has also been given to Cancer Research.

The Lions Club of Elsternwick currently meets at the City and Overseas Club on the second and fourth Monday of each month, and if you are interested in this very worthwhile service to the community, whilst at the same time enjoying the fellowship offered by the club, please contact Keith King 53 5051 (Evenings) or Bob Welchman 53 5772 (Daytime).

## NEWS ON THE GLENHUNTLY AMATEUR ATHLETIC CLUB

Dear Sir,  
The Glenhantly Amateur Athletic Club has now commenced the Inter-Club track season.

At the Duncan Mackinnon Reserve each week, the G.A.A.C. has 15 teams competing in various grades, and the first two weeks of competition have been quite successful.

The best performance to date has been by our new member David Chettle, who was the Olympic Representative at Montreal for Tasmania.

David took only 13 minutes and 58 seconds to run the 5,000 metres. A connoisseur of athletics would have appreciated the concentration and application shown in this top class performance.

A visit to Duncan Mackinnon Reserve on any Saturday afternoon will provide anyone with performances really worth seeing.

Two more Glenhantly runners, Chris Wardlaw and David Chettle have been included in the Australian Cross Country Team to compete in Dusseldorf.

The appointment of our popular Club President, Pat Clohessy as Manager of the team has set the seal on our best cross country season ever.

That's all good news for the Glenhantly Amateur Athletic Club, and now we're set for success on the track during

the Inter-Club season.

Yours sincerely,  
Bill Coupe (On behalf of the G.A.A.C.)

## THANK YOU, AND HERE'S SOME MORE CROQUET NEWS!

Dear Sir,  
I would firstly like to thank you for the letter you published in the last issue of Caulfield Contact.

As a result of the letter, the Elsternwick Croquet Club has nine new members, and I am sure that our game will make life a bit happier and full of interest for them.

Our club has had some very successful social days and we plan to hold some twilight social croquet games early in December.

Elsternwick Senior A Penant team is on top of the ladder, and our other grades are doing very well. At the moment our Club Championships are being played.

Lilian Uglov recently received her Referee's Certificate and Elsternwick now has nine qualified referees which must be a record for one club.

If anyone is interested in joining our club for competitive or just social croquet, they can either ring myself, Mrs Peters on 97 3110, our Club President, Mrs Blanche Foley on 569 6556, or Mrs Lilian Uglov on 528 1028.

Yours sincerely,  
Mrs V. Peters (on behalf of the Elsternwick Croquet Club).

## YOUR LETTERS

This section of "Caulfield Contact" is devoted to letters from residents.

Preference will be given to letters of 300 words or less, and the content should be of topical interest to all readers.

Due to a limited amount of space, not all letters received can be guaranteed publication.

Letters should be addressed to "Caulfield Contact" C/- David Riley, Community Liaison Officer, Caulfield City Hall, cnr. Hawthorn and Glen Eira Roads, Caulfield, 3162.

## GUIDES PLAN CHRISTMAS "GOOD TURNS"

Each year the Caulfield-Elsternwick District Girl Guides carry out a series of "good turns" to help those in need at Christmas.

This year, the Girl Guides are busy planning their "good turns" for this Christmas.

The 1st Elsternwick Brownie Pack plan to visit Clarence Court and entertain the residents with Carols and a puppet show.

The 3rd and 4th Caulfield Packs are supplying hampers to needy Caulfield families whilst the 2nd Caulfield Guide Company will visit Bambra House to sing Carols and distribute presents.

The 3rd Caulfield Guide Company and the Ranger unit intend to house-clean for incapacitated mothers and their families.

The extension Rangers will supply and parcel sweets for the Victorian Society for Crippled Children and Adults.

### Editor's Note:

When we read of the activities of these Girl Guides, it reminds us of what the spirit of Christmas is all about.

## The Painted Doll

Dolls have captivated the hearts and minds of children throughout the world for centuries.

And with Christmas so close at hand, what better time for you to learn the art of doll-making.

Parisian born artist, Mirka Mora will be conducting workshops for all ages on the art of making dolls.

The Workshops will be held at the Caulfield Arts Centre from Wednesday December 8th through to Friday December 10th, 10 a.m. to 2 p.m. daily, as part of the Centres "Crafts for Christmas."

Materials are supplied for this happy event. And those participating are invited to bring their own scraps, pins, scissors, and remnants of material to the workshops to add to the endless doll-making possibilities.

The workshop is sponsored by the Crafts Board of the Australia Council in association with the Caulfield City Council and the Bernina Sewing Machine Company,

and aims to encourage the making and giving of hand-made crafts this Christmas.

Artist Mirka Mora, and the workshop will also be a feature of Community Day to be held in Koornang Park, next to the Caulfield Memorial Swimming Pool on Saturday, December 11th, 1976.

There is no charge, and all are welcome to join in the fun!

# SUN SUMMER '77

During the summer vacation month of January, the City of Caulfield's Recreation and Culture Department will be offering the youth of Caulfield a wide variety of activities to fill in those leisure hours.

This page is designed to give you a basic coverage of all the activities that have been organised to really make it a fun "Sun Summer '77".

The "Sun Summer '77" Holiday program leaflets are now available at the Caulfield City Offices, the Caulfield Arts Centre and Community Centre, at all three of the Libraries, and at all the primary and secondary schools within the City of Caulfield.

These leaflets contain the application forms which you are required to complete if you wish to be involved in any of the "Sun Summer '77" program.

## CAULFIELD COMMUNITY CENTRE HOLIDAY PROGRAMME

### When?

For two weeks from Monday, January 10 to Friday, January 21, 1977.

### What's the age group?

From 5 years to 14 years of age only.

### What are the daily activities?

The activities organised for Sun Summer '77 include trampolining, gymnastics, ball games, arts and crafts, table tennis, basketball, netball, volleyball, new games, frisbees etc.

### What else will there be organised?

There will be three full day trips (2 Fridays and 1 Tuesday), there will be special afternoon activities, daily outings, and half-day trips. There will be roller-skating, swimming, jogging and more.

(Note: all programs are subject to change without notice).

### What will it cost to join in?
