

Old Castlemaine Schoolboys Association.

Castlemaine, September, 1919.

DEAR SIR,—

The Committee of the Association has decided to hold the Seventh Annual Re-Union of Members in the Mechanics Hall on **Saturday, 11th October, 1919, at Eight p m.**

The alteration of the night of meeting from Friday to Saturday proved such a huge success last year that the Committee has decided to again hold the meeting on Saturday, and it is to be hoped that members will do their utmost to be present and help to make the function a success.

The extension of the radius for membership from four to seven miles has resulted in a large influx of new members, but it is certain that there are many more eligible, and members are urged to use their influence in getting additional members.

Members are again invited to forward to the Secretary the names of their sons or any old pupils of the district schools who have enlisted for service abroad, as a complete list is desired for an Honor Board to be hung in the Castlemaine Town Hall.

Nominations for the General Committee must be in the hands of the Secretary on or before October 4th to enable him to have ballot-papers printed for distribution on the night of the Re-Union. Nominations must be signed by the nominee and nominators (2).

Enclosed you will find Ticket (2/6) for the Re-Union, which the Committee trust you will accept and use.

The Annual Subscription of 1/- is due, and Members are asked to remember to pay it on or before the date of the Re-Union. Members' Medallions are obtainable at 2/6 each.

The retiring officers are:—
