Hi everybody

Here's hoping this email finds you all healthy, happy and optimistic.

We are pleased and excited to announce that the College has approved the commencement of on-line instrumental lessons from the commencement of Term 2.

This is being set up now and parents will be officially contacted in the near future.

Online lessons will run pretty much as if we were at school, with the difference that students will be leaving and coming back in to your classes 'virtually' rather than physically.

There are set guidelines requiring students to communicate with their subject teachers about the timing of their lessons. Timetables will be updated over the break but will be available on the CLE as per usual.

If you need to check up on a student you can go to this link. <https://cle.bialik.vic.edu.au/homepage/7828>

We thought you should know this info sooner rather than later in regards to your ongoing planning for Term 2.

Should you have any questions or concerns, please do not hesitate to make contact.

Wishing you all a Chag Sameach and a chilled out holiday.

Kind regards from the virtual Beatle Cave

Cheers

Julian

**Julian Duband**
