Subject: A Brilliant Digital Yom Ha'atzmaut

Dear All,

What an absolutely extraordinary Yom Ha'atzmaut! Throughout the day, I have had the pleasure of receiving phone calls and emails from so many parents and staff expressing their thanks for some outstanding activities and hilarious clips. To make a day like this so special takes an army of dedicated educators and support staff. I would like to thank everyone who pitched in today, and throughout the lead up, to ensure our success. Specifically, I would like

to shout out to our dynamic Informal Jewish Education department – Zac, Maeve, Josh and Brad who coordinated the day with many weeks of planning. I would also like to single out a handful of others who truly went above and beyond today – our IT department, Roxanne, Essie, Dot, Janice, Toby, Andrea L and Tali BW who each took a leading role in different elements of the day and we are all so appreciative. I would also like to acknowledge those staff on campus who created an environment of excitement and joy for Israel's birthday (our Creche was truly dynamic decked out totally in blue and white decorations).

With so many elements occurring across many year levels it was easy to miss some of the gems of the day, so here are a few…
