Shalom,

Term One was an eventful one to say the least so we hope you are all enjoying a restful and healthy break. Tomorrow night is the beginning of Pesach (*Passover*) and the first of our two Sedarim. For many of us the festivities this year will look very different to normal. Nevertheless, Pesach is a beautiful time to reflect and feel gratitude for the freedoms we enjoy (even while on lockdown). In preparation for Pesach the Informal team have prepared some short video messages which we hope you'll enjoy and perhaps take with you to your Seder this year.
