OUR ADJUDICATORS

CHIEF MUSIC ADJUDICATOR

Lieutenant Commander L. T. Lambert
M.V.O., L.R.A.M., A.R.C.M. psm.

L.C.D.R. Lambert joined the Royal Marines in 1940, undergoing training in the early war years in the Isle of Man, where he was taught all brass instruments and the violoncello. He saw war service in both the Atlantic and Pacific areas and first came to Australia in H.M.S. Duke of York in 1945. He progressed very quickly through the various ranks and was one of the youngest officers commissioned as a Director of Music. Whilst the British Army has its own School of Music at Kneller Hall, the Royal Marines prefer to have their more senior Non-Commissioned Officers and Officers qualify, like their civilian counterparts, by attendance at the Royal Academy of Music. Very early in his career he was selected for the Conductors course and during his years of study had further training in all instrumental studies from the distinguished players on the staff. He was awarded the Certificate of Merit, the Royal Academy's highest award on completion of his studies.

During the latter six years of his career with the Royal Marines he was Director of Music at Portsmouth, where an important part of his work was to embark a Band in H.M. Yacht Britannia whenever the Royal Family was in residence. He travelled all over the world in the vessel, his last tour being that to Australia in 1970.

He is a very experienced adjudicator, having been connected with all the major Festivals, Eistedfodds and Competitions in the United Kingdom and at the time he retired in November 1970 had just been appointed an examiner for the Associated Boards of Music.

In Adelaide he is the Staff Officer to the Naval Officer in Charge South Australia, though finds time to conduct the Training Orchestra of some 65 players at the Flinders Street Technical College, also the Concert Band of the same establishment. He has also played on occasions with the South Australian Symphony Orchestra.

ASSISTANT MUSIC ADJUDICATOR

Mr. Robert H. Davies

Mr. Robert H. Davies is a music teacher at Nailsworth Boys Technical High School where he has a Concert Band of 63 players—including 20 on the clarinet, 7 on brass instruments, including the euphonium, and a galaxy of guitarists. He is a member of the State Music Curriculum Committee for High Schools.

A married man with four children, he was born in Wales; studied the piano at 10 years, the clarinet at 13, and later played reeds and tenor horn with the R.A.F. Band at Cranwell, England. He studied music at Wolverhampton University, becoming an Associate of its Board of Music. Since coming to Australia 19 years ago he has continued his studies of music, and has followed also the hobbies of photography and ju jitsu. Mr. Davies will be assistant music adjudicator for these 1972 Competitions.

MARCHING GIRLS ADJUDICATORS

Adjudicators for the Marching Girls Teams will be provided by the S.A. Bands Marching Girls Association.

CHIEF DRILL ADJUDICATOR

Mr. C. F. Sorrell, M.B.E.

Mr. Cliff Sorrell is President of the National Band Council of Australia and Past President of the S.A. Bands Association Inc. and the S.A. Bands Marching Girls Association. In 1971 a business appointment was responsible for his leaving this State and he now resides in Sydney, N.S.W.

He has adjudicated at Band Contests all over Australia and has judged at Tanunda since 1961. On five occasions he has been appointed to judge the National Championships of Australia and he judged the 1971 titles at Maryborough, Qld. His contribution to the development of brass banding in South Australia was rewarded when he was awarded an M.B.E. by Her Majesty the Queen in the 1971 New Year's Honours.

ASSISTANT DRILL ADJUDICATOR

Mr. R. E. Pennell

Mr. Pennell has been assistant drill judge on many occasions at Tanunda Competitions and has judged many Junior Band Contests in South Australia. He is a registered S.A.B.M.G.A. judge for marching girls competitions.

WELCOME—to Tanunda in the Barossa Valley

The Barossa Valley with its wine industry, its history of settlement by German Lutherans, and of incorporation of their traditions and way of life into the Australian setting, is one of South Australia's major tourist attractions. Its annual influx of tourists is increasing and along with this the district's facilities for catering to their needs.

One of the inherited customs of the pioneers that has continued is an enthusiasm for brass bands and their music.

When the first German Lutheran settlers came into the Tanunda area they brought with them their brass band instruments. They played them at worship services, for weddings and the "tin-kettling" of the newly weds, and for fun at home and community functions. The Tanunda Band celebrated its centenary some years ago, and took part in band contesting when it was first introduced 60 years ago. The early settlers brought with them qualities of character that have left their mark in the town and district of today. The order and cleanliness of the town, the churches, the street trees, and the town's activities, all may be interpreted in relation to their pioneer origins.

This Tanunda Recreation Park is the centre not only of recreational activities, but has been the scene of religious festivities, charity functions, the Barossa Valley Vintage Festivals, and is the locale for the annual Agricultural, Horticultural and Viticultural Shows. The Show Hall is used by the Tanunda Liedertafel for its annual "Kaffee Abend," by the Festival Committee for its annual Vintage Dinners, and by the Tanunda Town Band for its annual "Melodienacht." It is the home of the Tanunda Youth Club.

The holding of the Evening Session of the Tanunda Band Competitions in the Show Hall has benefited competing bandsmen and spectators alike. It has given a top concert quality to the own choice selections of the top Bands—unaffected by wind, cold, or external noises. This year the "A" Grade Test Selections will also be played indoors during the afternoon.

The town of Tanunda and the Barossa Valley in general has much to show the visitor. Its churches, historical museum, wineries, homes and public buildings, its distinct scenery and varieties of rural production are full of interest. Visitors are invited to come again—and again. The town of Tanunda and its citizens welcome you, as do all citizens of the Barossa district.

It has a very active Ladies' Auxiliary, which supplied new uniforms two years ago, and recently bought evening jackets for the Band. Each year, in May, the Band stages its very popular "Melodienacht," a night that not only brings annual income to it, but presents the public with a Brass Band at its best, playing the way the public likes. ARARAT CITY BAND (Victoria)

The Ararat City Band was formerly the Ararat Citizens Band, being re-formed in 1942 after a recess of a number of years. The Band is largely financed by a New Year's Eve dance, and special efforts during the year, as well as by a substantial grant from the City of Ararat. The Band has been successful in "D" and "C" grades and was in "B" grade at Tanunda last year. The uniforms are tailored to each man. They are of khaki with silver decoration on outside of leg, black hats with white tops and silver trim, black ties with white shirts, and black shoes and socks.

BOX HILL CITY BAND (Victoria)

In August this year the Band won the "C" grade section of the Victorian Bands League annual State Competitions. It comes to South Australia eager to take the "C" grade championships in this State as well. The Band was originally formed in the 1880's as the Box Hill Temperance Brass Band, later as the Box Hill Methodist Brass Band. In the early 1900's the local newspaper sponsored the Band—it was known as the Reporter District Band, ultimately becoming the Box Hill District Band, and in 1927 the Box Hill City Band. It was the first Band to present a national radio broadcast from a private studio in Box Hill before the A.B.C. was formed. Disbanded during the war the Band was re-formed in 1949—almost entirely of learners, one of whom (Geoff Morrison) was appointed Bandmaster in April, 1972. In 1961 the Band toured Tasmania's north-west coast and has also visited Victorian country centres—Ballarat, Bright, Alexandra, and Sale. The Band uniform features a maroon blazer, grey trousers, grey peaked cap with maroon trim, and a white horse emblem on the jacket pocket. The Band has 12 members with 10 years or more service, three of them with 20 years, and one being a foundation member. Two of its players are life members. Family combinations include the Dossers, the Krabes, and the Rowleys, each with three brothers; and the Forrests, Etringtons and Jones—each a father and son combination. Drawn from the small Barossa Valley village of Marananga, it has its own band hall, and has a uniform of navy with red, gold and white trimmings. The Band is led by Mr. G. M. NURIOOTPA TOWN BAND

Formed in 1880 and one of the original Tanunda contestants, this Barossa Valley Band has its own rotunda and practice room. This is adjacent to the Nuriootpa High School and is used by the school's brass band. Nuriootpa Town Band sponsors the Nuriootpa School Bands Carnival each year and has an active Ladies' Auxiliary. Last year at Tanunda it was the most successful South Australian Band (all grades). In recent years it has been very successful in the street march and quicksteps, and its drum major won the drum major's trophy. As a result the Band was later used by the S.A. Bands Association to make an educational film on drill and marching. It has a khaki uniform. This year, with the help of its Ladies' Auxiliary, and the Angaston District Council, it acquired a new set of instruments. Its personnel are: C. A. Reuter (President), J. Connors (Secretary), F. B. Boehm (Conductor), V. D. Elix (Drum Major), R. J. Gallasch, D. R. Nietschke, E. R. Schulz, R. T. B. Hage, K. B. Lange, K. Kleinig, R. P. Boehm, G. Rohrlach, M. R. Schulz, B. T. Schulz, E. P. "D" GRADE

THE CHRISTIES & DISTRICT BRASS BAND—Seniors & Juniors

The Secretary reports: In 1971 The Christies & District Brass Band Inc. entered a Junior and Senior Band at Tanunda, with the Senior Band contesting in "D" grade for the first time, and the Junior Band contesting Division 1 for the second consecutive year. This year we have again entered for both sections of the Competitions, with many of the more experienced juniors performing in the Senior Band section. Whilst the Senior Band has had a relatively quiet year, the Junior Band has competed successfully on several occasions—at Hahndorf and also at Salisbury in Division 1 Competitions. The Junior Band gained first place by a good points margin in the test and own choice music. The Band has had an increase in membership, particularly in the junior section, where several of the new members will be playing in their first competition. The uniforms are of red jackets and blue trousers. The Band has a number of family groups, namely the Guys—Stephen, Susan and Rebecca; the Hipps—Helen, Karin and Wendy; the Azzopardi "Williams" family—including father (Bandmaster), mother (Deputy Bandmistress and Secretary) and children Elizabeth, Barbara, Caroline, Rosalind (all playing). Charles (6 years old) is to follow in the family footsteps later. Personnel is: R. Turner (President), Mrs. A. Williams (Secretary), W. Azzopardi "Williams" (Conductor), F. Bartl (Drum Major), T. Ellis sen., T. Stott, B. Dew, R. Beize, C. Hofstee, R. P. Turner, J. Burnell, S. Guy, W. Benker, D. Beckers, Sue Guy, Rainer Bartl, P. Sargeant, M. Choularton, M. Furneaux, T. Ellis, M. Dohnt, B. Fallins, E. Williams, D. Gear, B. Dohnt, C. Fricker, P. Dennis, W. Hipp.

THE CITY OF ENFIELD BAND

The City of Enfield Band was re-formed in 1969. Bandmaster Pete Hutching, through intense recruiting, has swelled the numbers from 5 to 25 in two years. This is the first major competition the Band will be participating in. The Enfield City Council receives the committee's gratitude in providing a set of instruments in order that a Senior Band can be fostered

within the district. The establishment of a Senior Band ensures the continuance of brass band playing by the youth of the district when they graduate from the Klemzig & District Junior Brass Band and when they attain the age of 18 years. Personnel is: R. Amer (Patron), D. Weidenhofer (President), B. Doherty (Chairman), R. Arthur and P. Hutchings (Bandmasters), Mrs. B. Bengier (Treasurer), Mrs. L. Strain (Secretary), D., G. and E. MARION CITY BAND

Formed in March, 1970, the Band has been well supported by the Council and citizens. At its first appearance at Tannunda last year, the Band was successful in winning the "D" grade cup. Three weeks later John Davidson was awarded the best drum major trophy in the South-Eastern Carnival at Mt Gambier. A series of twilgtht concerts played on council reserves during the daylghtt saving months last summer proved a great success. A recent promotion by the Band of a variety concert in support of Miss City of Marion and the Woodville Spastic Centre was both enjoyable and successful. The Band elders, Les Cauty and Harold Batty, have a combined playing experience of over 100 years. Several family combinations in the Band include the Wate family of father, mother and four daughters (including twins), three De Lear brothers, the Cook family (father and son), and the Wilkison family (father, mother and son). Seventeen-year-old member Shane Wilkison arranged the music for the street march played by the Band at Tannunda last year. Officers and members appearing in uniforms of green, with gold shirts and gold trim, are: K. V. Hodgson (President), D. R. Wilkison (Secretary), W. Williams (Conductor), J. D. MINIATON & DISTRICT BRASS BAND

Miniaton Band Secretary reports: "Our Band has played for local and district functions, Anzac services and marches. We competed in the Northern Bands Carnival at Port Pirie and came third. We have recently converted to low pitch with the financial assistance of the Miniaton District Council. The Ladies' Auxiliary gives generous support to our Band. Learners' classes for seniors are conducted weekly, for juniors twice weekly. Our most unusual performance was at Warooka for a concert sponsored by the R.S.L., with Humphrey B. Bear conducting (?) us for two items. Three generations of the Hender family are in the Band, as are four members of the Butler family, and one fiance playing in the Band. There is one husband and wife playing in the Band, with daughter in Junior Band (Bebow family). There are 13 women members. The oldest playing member is Mr. L. Hender and the youngest Miss V. Butler. Personnel is: D. W. Bebow, S. Smith, R. C. Butler, Mrs. E. J. Butler, Miss V. Butler (youngest member), J. K. Klarfer, Mrs. E. J. Butler, L. Hender (oldest member), Miss G. K. Baily, D. Jures, D. R. KENSINGTON & NORWOOD JUNIOR BAND

Founded in 1966, the Band won a number of competitions up until 1969, but unfortunately some members resigned, which meant re-building the Band. This year we have purchased a first-class set of instruments from our Senior Band and in June appointed Mr. Orto Lovell as Bandmaster. He has helped the boys to such an extent that in the Solo and Party Competitions the boys won nine gold medals. He also conducts a learners' class once a week. Interesting facts about people are: Oldest member—Mark Kennedy (17 years); youngest member—Shane Rowe (8 years); family groups—brothers Andrew and Peter Bayfield, Graham and Neil Summers, Neville and Kelvin Witford, Ian and Graham Kirkwood; brother and sister—Vincent and Heather Curson.

MITCHELL PARK BOYS TECHNICAL HIGH SCHOOL BAND

This Band was formed in mid-1964 and has functioned continually since. It has contested regularly all over the State with considerable success. Notable results include: third in 1968 Australian School Bands Championship, first in Junior Division 1 and third in 'D' grade, Tanunda, 1970. The Band has undertaken interstate tours to Tasmania (1967), Western Australia (1969), Western Australia (1969), and has just returned from an extended tour of Queensland. All practice is done outside of the normal school timetable, and, as well as making numerous public appearances during the year, the Band performs for all school functions. Ages of members range from 13 to 17 years, and the Band is given strong moral support from the school as a whole and financial support from the Parents & Friends Association. The Band plays in their usual school dress. Personnel comprises: A. L. Mitchell (Principal), N. A. Playfair (Manager) J. R. McMenamin (Conductor), G. Sadler (Drum Major), G. Mundy, P. Wade, P. Division 2

BAROSSA VALLEY JUNIOR BAND

The Band is three years old and is composed of Adult Education classes in brass band playing from Tannunda and Angaston, whose senior bands supply the instruments. The Band was very successful in Division 1 at the Handford Contest this year. It has played at local functions and provided entertainment for inmates of the Barossa Valley Nursing Home and Tannunda Lutheran Rest Home. A committee of parents and interested townsfolk support the Band in many ways. Players uniform is: white shirts with blue shoulder tabs and ties, grey parts or skirts, navy caps with blue flash. Band personnel comprises: D. Leske (President), Mrs. N. C. Weymouth (Secretary), A. Kernich (Conductor), M. Hoffmann (Drum Major), J. H., D. and R. Andrejzke, J. Gabel, N. Kies, H. and M. Kernich, A. KLEMZIG & DISTRICT JUNIOR BRASS BAND

The Klemzig & District Junior Band was established on June 8th, 1960, with Mr. Morgan Goode as Chairman and the late Mr. Jack Mitchell and Mrs. Mitchell as Bandmaster and Bandmistress respectively. A comprehensive library of music and the instruments initially used were given to the Band by the trustees of the disbanded S.A. Women's Band. These instruments over the years have been replaced and through the hard work of past and

present committees, in 1971 a complete matched set of instruments were purchased at a cost of \$5,500. Enrolments in the past few years have flourished, and the present membership exceeds fifty in Division 1 and 2 Bands plus a learners' class of eighteen under the guidance of Bandmaster Ron. Arthur. A precedence in Junior Bands has possibly been created by the family spirit in the district: the treasurer, Mrs. Barbara Bengler, enrolled her fourth son this year, the Magin family have contributed four members, the Chester family four members, the Spencer family three members, and the Mason family three members, all of whom are current playing bandmen. Organized trips have been undertaken by the Band, the most recent being an excursion to Western Australia, where the Band performed creditably at Ascot Race Course, Fremantle, and many districts in the south and south-east of Western Australia. The Klemzig Bands have successfully competed in the Tanunda, Waikerie and Hahndorf Brass Band Championships, also the S.A.B.A. Solo and Party Competitions. Credit must be paid to Mr. Morgan Goode, who retired as chairman-organizer after 12 years sterling service to the Band, this office being filled by Mr. Brian Doherty. The presidency has been occupied by life member D. G. Weidenhofer since the inception of the Band. His untiring efforts are appreciated by the committee and band members. Band uniforms are of navy blue, royal blue and silver trouser stripe, royal blue and silver epaulettes, kangaroo insignia on shoulder patch, peak cap. Personnel is: D. G. Weidenhofer (President), Mrs. L. Strain (Secretary), R. Arthur (Conductor), J. Gough (Drum Major), D. Arthur, C. Bengler, K. Bengler, P. Bengler, D. Biar, T. Brown, P. Carr, A. Chester, B. PARA HILLS BRASS BAND INC.

The Band started in February, 1970, teaching children the theory of music. In October, 1970, we purchased Tanunda Town Band's old instruments, which are still being used. We entered and won our first Division 2 Contest at Salisbury on 10th June, 1972. The Band usually plays carols round the streets before Christmas and last year collected \$350. We have a beginners' class of 12 children learning the theory of music, also an intermediate class of 8 children learning to play an instrument. The uniform is blue blazer and tie, grey trousers, and blue cummerbund. The Gannon family have three boys

ROSTREVOR COLLEGE BAND

This is the Band's fifth year of existence and the second year of registration. The Band operates mainly as a cadet band and is the only brass band in the South Australian Cadet Brigade. Players wear the school uniform—red and black blazer, grey trousers. Officers and members are: T. M. Gibbons (President), T. M. Cibbars (Secretary), W. A. Crosse (Conductor), A. Young (Drum Major), P. Callen, D. Dominey, P. Kenihan, P. Doherty, L. Foreman, G. Clarke, S. Salter, P. Willis, P. Rothall, P. Boylan, J. Corgie, J. Atyeo, A. Neck, P. Gleeson, C. Chen, P. Meaney, G. SALESIAN COLLEGE BOYS BAND

The boys' ages range from 10 to 16 years and classes from Grade 4 to matriculation. The Band was formed in 1965 and has successfully competed in Competitions at Waikerie, Minlaton, and Adelaide. Bi-annually they play at the Salesian College in Victoria, where an inter-college sporting carnival takes place. It has an active committee of interested parents who organise various functions to raise funds for the Band. A learners' class of some 15 boys provides a reserve of players to fill vacancies caused by boys leaving school. The Band often plays at school fetes, sports days, and in conjunction with the College Drama Group presents a yearly concert. The interest of the boys is shown by the fact that even during the school holidays a very good attendance is registered on practice nights. This interest is stimulated by the number of parents who bring their boys to practice to see that they attend, but also listen in to the practice. The uniforms are grey trousers, white shirts, epaulettes, green caps and green cummerbunds. Personnel: W. Corin (President), D. Beinke (Secretary), D. Smith (Conductor), F. Fliss (Drum Major), P. Beinke, M. Beinke, M. Burns, R. Connell, J. Connell, A. Corin, A. Fliss, F. Fliss, M. Hackendorf, E. Loder, T. Luyten, K. Martin, M. O'Loughlin, G. Read, D. Roberts, S. Slattery, G. Smith, A.
