ADJUDICATOR: Mr. Wilfrid Dyason.

Our Adjudicator for today, Wilf Dyason has had almost a lifetime in banding. He commenced at a very early age in New South Wales and after many years as a player turned to conducting. In this field he had numerous successes, with the Blue Mountains City band, taking them from D Grade through to A Grade.

He then accepted the appointment as Director of Music with Mälverh Municipal. His next appointment was with the newly formed Diamond Valley Municipal band, with this combination he was most successful, winning the City of Melbourne Championship in 1983 and being placed second in the 1984 National Championships at Canberra.

As a teacher of br. ss students Mr. Dyason has been very successful, many of his students have gone on to make very successfull professional careers of music.
