THE MT ALEXANDER VINTAGE ENGINE CLUB INC. NEWSLETTER as of 3rd December 2007 No. 117

<p>President Graham Mason Trudgeons Road Welshmans Reef Vic 3462 Ph: 03.5476 2481</p>	<p style="text-align: center;">PRESIDENT'S REPORT</p> <p>G'day MAVEC Members.</p> <p>Good to see quite a few members turn up to the Truck Show on both days. Mare and I went on Sunday and had a very enjoyable day sitting in the shade of Adam's gazebo.</p> <p>Thanks to Alan Burgess. The Club was able to purchase a P.A. system for the reasonable price of \$100. Well Done.</p> <p>The Club now owns a piece of Newstead history in the form of a meat cutter from the butcher shop. Once again Alan Burgess was in the right spot at the right time.</p> <p>Don't forget only three more meetings toll the Rally and ideas to make the Rally better and offers of help on the weekend of the Rally will be appreciated.</p> <p>The December meeting was held with our Christmas Tea. All those present had a good feed and a good night. Thanks to Betty and Lorraine and their band of helpers, an excellent job once again. It would have been good to see a lot more members there.</p> <p>I take this opportunity to wish all members and their families a very Merry Christmas and a Happy, Healthy New Year (With lots of Rain). Please take care on the roads.</p> <p>Keep the Flywheel's Turning Graham Mason President</p>

COMING EVENTS

WHERE	WHEN
MOUNT ALEXANDER VINTAGE ENGINE RALLY	12TH & 13TH APRIL 2008

MAVEC RALLY 2008

Help Always Needed – Team Effort – ‘Plan to Fail, Fail to Plan’.

We will need plenty of members to assist us on the weekend and leading up to the 2008 Rally, so please put your mind to how you could help your club and your committee achieve a successful weekend.

To enable all to enjoy the atmosphere, exhibits and things generally we need to have an idea of helpers before hand, it will make the day so much better for all to become involved in activities.

Your elected committee will be busy on the day with all manner of tasks but your help would be greatly appreciated.

Next meetings: Monday 14th January 2008
