TO WHOM IT MAY CONCERN:

This is to certify that Mr. Ronald Herbert EDWARDS was employed by this Company from 31st January 1955 to the 31st August 1971. For many years he held the position of Supervisor in charge of our large Raw Material Store.

We have always found him to be an extremely reliable and conscientious person who was both well known and liked by the Management and his fellow workers. It was with surprise that we received his resignation, especially considering his length of service with the Company.

We wish Ron every every success for the future and can thoroughly recommend him to anyone seeking his services.

K. La Fontaine,
Employment & Industrial Officer.
