GOD SAVE THE QUEEN

— Sunday, September 14th., 1952, at 2 p.m. —

Today's Massed Bands Festival is part of a concerted effort to raise the sum of £900, for the purchase of instruments. The Caulfield Citizens' Band lost heavily when the pavilion at Caulfield Park was destroyed by fire on March 29th last, and instruments used today are by courtesy of the firm of R. A. Wright.

Up to date just over £600 has been received in response to a public appeal. Should you be desirous of adding your donation to this sum, secretary Ted Edsall will be glad to hear from you. His address is

The Caulfield Citizens' Band
3 Stone St., Caulfield.

*Programme produced by members of The
Caulfield Citizens' Band at their own
amateur printery.*
