Dear Sirs,

'VALHALLA TROPHY'

Thank you for your message with respect to the 'Valhalla Trophy' presentation to Royal Brighton Yacht Club.

It has been decided that this should be done formally and we consider an appropriate time would be together with Richard Hawkins, who has also presented the Club with the 'Stars & Compass Trophy'.

Ken, would you and your syndicate, therefore, be available on Monday 28th. September 1999 at 1730 hours at Royal Brighton Yacht Club, where we wish you to meet with the Commodore and Flag Officers, in company with the General Committee, and both presentations could be made together.

Yours faithfully,

Jim Patton
Vice Commodore
