Current Balance:	_____

Barry Box moved that the report be accepted, seconded Mike Tapper
- carried.

COUNCILLOR'S REPORT/GENERAL BUSINESS:

Due to the low numbers in attendance, this section of the meeting
was very informal and frequently included requests for Cr Fieldew
to follow up items.

The submission in relation to commercial use at the store on the
Cnr Jumping Ck & Dudley Rds has been submitted, and is conditional
on a reduction in floorsapce at Beagley's store.

Cr Fieldew suggested to Warrick Truepenny that he follow up his
request of some months ago for Council to consider purchasing land
in Wattletree Rd (for use as public open space) with a petition.

Concern was raised that no Councillor had performed an on site
inspection when an application was received for removal of some
15 trees at a property in Toppings Rd recently.

Cr Fieldew undertook to follow up on the delay in Council staff
removing dumped rubbish (Whittens Reserve was mentioned).

Walker's Poultry Farm has applied for subdivision (rejected).

A resident has complained about cars parking on the road reserve/turn around/drop off area Cnr Jumping Creek Rd & Yarra Rd & Cr Fieldew was asked to advise re the cleaning of the bus shelter on this corner.

Cr Fieldew also to investigate the requirement for Wongaroo to provide staff car parking spaces other than using the Community Cottage car park - approval has already been given for work to improve the car park at the Cottage.

Cr Fieldew also asked to arrange examination of the uneven and dangerous road surface in sections of Paynes Rd.

Philip Glenister moved that we write to the SECV requesting an explanation for the recent power supply outages (4 times in the past 3 wks) and the constant fluctuations and short term interruptions experienced by many residents. This causes considerable inconvenience to those operating computer equipment, not to mention having to constantly re-set all digital clocks. Seconded Mike Tapper - carried.

Barry Box moved that an item be placed in News & Notes to the effect that options for the re-naming of Homestead Rd, between the end of Brushy Park Rd & the start of Reserve Rd, be discussed. For some years this has caused considerable confusion. Seconded Warrick Truepenny - carried.

Meeting Closed 9.30pm
