Add Subscriptions:	45.00
Less Federal Tax:	.15
Less State Duty:	.05

Current Balance: 521.62

Barry Box moved that the verbal report be accepted, seconded
Anne Hewer - carried.

COUNCILLOR'S REPORT:

Not a great deal has happened recently that affects the residents of Wonga Park - An application for amendment to a building envelope at Stan Brae - Application for amendments to subdivisions at Kellybrook - Application in relation to the need for pool fencing - The Canoes hiring business operating at Mt Lofty has been found to be illegal and the owners have been requested to apply for a planning permit for use of land at the reserve and a permit for signage - additional car parking in Old Yarra Road between the CFA and the Pre-school will not proceed - the Cricket Club has asked the Council for a \$15,500 grant for building work.

GENERAL BUSINESS:

Warrick Truepenny moved that we write to Council and ask that they investigate the feasibility of purchasing, or exchanging, the vacant land situated in Wattletree Avenue (almost opposite Blackwood Dve). The land is currently used for community BBQs and is more likely to be used as recreational land by nearby residents than other reserves such as the undeveloped Blackwood Dve reserve. The owner of the land is apparently deceased, and the owner's parents may be willing to donate or swap the land.
seconded Barry Box - carried.

Mike Tapper moved that we write to Council concerning the misalignment of road pavement at the corner of Launderers Ave and Inverbervie Crt. Since Launderers Avenue was sealed there is now a noticeable difference in the height of the road surfaces and the quality of the surface in the join between the two levels has rapidly deteriorated and is now very uneven and muddy.
seconded Barry Box - carried.

Meeting closed 9.45pm
