Retiring Lillydale West Riding Councillor Kristine Broom has asked me to pass on her thanks to the residents of Wonga Park for giving her the opportunity to serve as their representative on the Lillydale Council over the past three years. Despite the workload that she took on, Kristine says she has enjoyed the last three years and is grateful for the help and support she has received.

Kristine's vacancy on Council has been filled by Cheryl Clarke of Mooroolbark, following Philip Glenister's (last minute) decision not to stand. Cheryl has been trying for some years to become a Councillor.

Although the Store on the Cnr Jumping Creek Rd & Dudley Rd is closed for the time being, I understand that the proposal put before Council for an extension of the floorspace by the owner, along with a proposal for extension of the Wonga Park Village site in Launders Avenue, are still both to be put on public exhibition shortly.

The wet weather has continued with 93.00mm (3.62 inches) of rain in July, bringing the total for the year to 460.50mm (18.42 inches).
