RESIDENTS ASSOCIATION

Our last meeting was held on Friday 13 December 1991 when, apart from the 3 member Committee and a West Riding Councilor from the Shire of Lillydale, only 4 residents turned up. Only one resident turned up at our February meeting, which was abandoned. In the last twelve months, we have cancelled an additional 2 meetings because of low, or zero, attendance. The highest attendance at any meeting over the last year was 15 (including the Committee and a Councillor) at our last Annual General Meeting in April last year.

Perhaps there is no longer a need to hold a meeting every month and perhaps a meeting every two months or three months may be better. This would be a better alternative than closing shop all together because it would be very difficult to re-form at some time in the future. This will be discussed at our Annual General Meeting to be held on Friday 10 April 1992 at the Community Cottage (provided enough residents attend the meeting for a quorum).

Please note that there will be no March Meeting.

Membership in the Residents Association remains at \$5.00 per family per year, although non-financial residents are always welcome to attend meetings, join in discussion and vote.

As well as electing a Chairman, Secretary and Treasurer at the Annual General Meeting, volunteers to be Editor of future editions of News & Notes will also be invited.

We have funding from the Dept of Further Education to run Creative Writing. If you are interested, please let us know how you would prefer it to run in term 2. For example, which night of the week or four Saturday workshops? Suggestions from you on what you would like to take part in or learn next term would be appreciated. Thanks for your support.
