

NEWS & NOTES

DECEMBER 1992

Published by the Wonga Park & District Residents' Association

Chairman: Philip Glenister 722 1539
Secretary: Barry Box 722 1423
Treasurer: Glenda Ballinger 722 1624

Next Meeting: 8.00 p.m. Friday 12th February 1993 at the Community Cottage

DEADLINE FOR NEWS & NOTES is the last Friday of the month and the February Deadline will be the 29th January 1993.

Contributions for News & Notes are always welcome and may be left at Goodfellows Store in Launderers Avenue and any individual or company may sponsor an edition of News and Notes for only \$20.00.

BOOKMOBILE

At its last meeting the Residents' Association received a strong response from both those attending the meeting and by letter from several people unable to attend the meeting opposed to the possible cancellation of the bookmobile service to Wonga Park. The Association has written to the Council advising them of this and forwarding copies of the letters to it.

SUMMER BUS TIMETABLE

Invicta will introduce additional services through Wonga Park during the Summer School holidays, from Monday, 21st December 1992 to Friday, 22nd January 1993. the changes are in response to Invicta's recent survey.

The patronage effects of the change will be compared against other patronage figures and will hopefully justify retention of the service into 1993. However the PTC must approve any permanent expansion of the service.

At the end of this edition of News & Notes is a copy of the new summer timetable for your information. Please ring Invicta Telebus on 735 3133 for any enquiries.

ILLEGAL DUMPING OF RUBBISH

It has been reported to the Residents' Association that people have been illegally dumping rubbish both on roadsides (particularly in Gatters Road) and in Council Reserves (particularly down the bank at the western end of the lower oval). Residents are urged to keep an eye open for this activity and if they see anyone dumping rubbish illegally to take a note of the car registration number and to report it to both the police and the Council staff.

MONTHLY RAINFALL

In November 136.50 mm (5.46 inches) of rain were recorded bringing the total for the first eleven months of the year to 918 mm (36.72 inches). It has been a wet Spring with the rainfall for the three months of Spring being 450 mm (18.00 inches).

PLANTS INDIGENOUS TO WONGA PARK

Last month we published half of the extensive list of plants indigenous to the Wonga Park area prepared by Flora Anderson including climbers, ground covers, low plants, grasses rushes sedges & lilies, small shrubs, large shrubs, small trees and large trees. Due to lack of space we were unable to include the whole list in that edition of News & Notes and only published the small and large shrubs and trees from the list. Below are the climbers, ground covers, low plants and grasses rushes sedges and lilies from her list which may be of interest to residents in selecting plants for their gardens in Wonga Park.
