*Town Hall* 5: 3: 190 9.

To Whom it may concern.

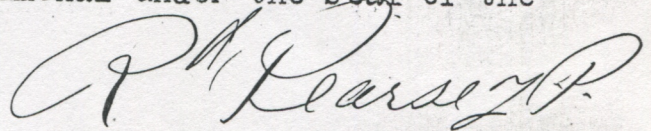

Mr. John Lingham has been in the employment of this Council in the Botanical Gardens, for a period of 30 years.

He has proved himself able, conscientious, painstaking and receptive of new ideas.

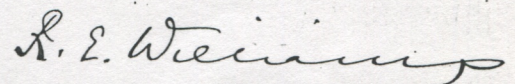

In floral and landscape gardening, he has been very successful, his section of the Botanical Gardens forming one of the most attractive and picturesque views to be seen in the Southern hemisphere.

He handles his staff with discretion, and gets excellent work out of them, his own example to the workmen being exemplary.

The Council of the City of Ballarat, by resolution unanimously approved, directed this letter of testimonial under the seal of the Council, to be given to Mr. Lingham.

Mayor.

City Clerk.
