Director,
Ballarat Parks and Gardens,
c/- City Hall,
Sturt Street,
Ballarat, VIC. 3350

Dear Mr. Whitehead,

Further to our recent discussions, I would like to confirm, on behalf of the Ballarat Y's Men's Club, our keen interest in an active involvement with the restoration and future management and operation of the Adam Lindsay Gordon cottage in the Ballarat Botanic Gardens.

We would be pleased if you could advise the Ballarat City Council of our interest and enthusiasm for this project and our desire to be involved in it, not only in the short term but also in the longer term.

We understand the Council's view that the Friends of the Gardens should have overall management responsibility, and we would be interested in working with them on the planning and management committee.

Any involvement by this Club in this project would of course be subject to consideration and agreement by the Club Board and members.

I look forward to further discussions on this project with you.

Yours sincerely,

Dr. R. R. Schrieke,
President.
