Dear Judith

On behalf of the Ballarat Begonia Festival Association and all those involved with *Gardenfest* 1994, we wish to take this opportunity to thank you for your involvement in what has been rated as probably our best festival to date.

The public attendances were higher than our expectations and we feel your professionalism, both in your display and communication with the public are a contributing factor to the lasting impressions of these visitors.

As you are well aware, plans are underway for the Robert Clark Centre to be the centre piece of the Botanical Gardens and the 1995 Begonia Festival. Currently we are in our early stages of planing for *Gardenfest* 1995. If you would like to contribute ideas or thoughts we would be pleased to hear from you. Later in the year, when our plans are complete you will be contacted to discuss your participation in next years festival.
