OPENING WEDNESDAY, JANUARY 26th, 1927.

WE

WANT

TO TELL

YOU

 $\mathbf{WHY}!$

It has been weighed and not found wanting.

What does it mean when most of our representative citizens come to this ANNUAL SALE EVENT—those people who know merchandise, and who buy with discrimination. It means that this sale event has become a publicly recognised institution of sufficient power and prestige to interest people who care nothing for ordinary sales.

Please remember that this sale is not made up of old or undesirable goods, job lots, or throw-outs, but that it does truly represent many thousandsofpounds worth of BRAND NEW MERCHANDISE bought from the leading manufacturers, in many instances at striking price concessions obtained by us in appreciation of our large volume of regular business, thus gaining for you PRICE CONCESSIONS such as the average store could not hope for.

We observe no conventions and follow no lead. We are bound by one aim, which is to make the WOTHERSPOON SUMMER SALE the undoubted Bargain attraction of Beaufort and district.
