LEARMONTH v. C.Y.M.S.

There was an exciting finish to the the Beaufort match between C.Y.M.S. and Learmonth, played at the local Park on Saturday, and at which there was a small attendance of spectators. At the last change Learmonth had a lead of 17 points, but the local team put in a splendid finish, and had victory almost within their grasp. At one stage they reduced their deficiency to five points, and several times the difference in the scores was only six and seven points. The C.Y.M.S. was unable to secure the goal required to make a tie, and Learmonth eventually won by six points. The ground was rather boggy and the ball greasy, and there was a good deal of crowded, scrambling play. In the last quarter, F. McKenna (C.Y.M.S.) was carried off the field, owing to a severe knock on the hip, and later had to seek surgical attention. N. Dromey, a member of the same team, received a nasty cut on the nose. Brudenall was the central umpire, the goal umpires were Messrs. J. B. Hewitt and F. Ryan, the boundary umpires W. Parker and M. Cole, and the timekeepers Messrs. T. Ryan and W. Lynch. At half-time Jack Liston took the place of W. Fitzpatrick in the C.Y.M.S team.

A shot by Walker for Learmonth was marked in the goalmouth by Jess, who also nullified the next Learmonth shot. J. Blain added a single to the Learmonth tally, and Walker got a behind for the visitors, with a long-range shot. Don Baird followed this up with a futile shot. FOOTBALL.

On Sunday afternoon the Beaufort and G. Lillis. C.Y.M.S. boys again tried their strength against their rivals, the Ararat C.Y.M.S., on the Buangor oval. As the Beaufort boys had won their previous matches, the Ararat C.Y. boys were very keen to have their first victory, and after a most exciting and thrilling game, they ran out victorious by the narrow margin of one point. The ground was in quite good order, and the best thanks of the Beaufort C.Y. boys is due to Mrs Petrie, of the Buangor, hotel, for her generosity in granting them the use of the park, and also helping in several other ways. The day was fine, but a strong wind was blowing into the southern goal. When Beaufort's popular secretary (Mr I. Lowe), bounced the ball for Second

lads, with the wind in their favor, attacked strongly, and led at the first change by 5-2 to 0-1. Ararat scored first in the second quarter. and it was soon evident that the wind was to play a very important part in the scoring, and Ararat kept the ball near their goal most of the term, and scored 4-3 to 0-1. The totals at half-time were:-Beaufort, 5-3; Ararat, 4-4. At this stage, I. Lowe handed the whistle over to A. Williams, of Ararat. Eyewitnesses of the match fear that the Beaufort Football Club will soon lose its secretary, for, with a little more experience, his umpiring will be up to the standard of the umpires supplied by the Ballarat League. With a lead of five points, the Beaufort C.Y. players were unable to make use of the wind in the third quarter, for the Ararat boys were attacking very strongly, and their defence was very sure. It was most unfortunate during that quarter that two players came into violent contact, and the result was that E. Lymer, of the Ararat team, had to leave the field with a severely injured shoulder. In this term Beaufort scored 2-2 and Ararat 1-2; the totals at three-quarter-time being: - Beaufort, 7-5; Ararat, 5-6. The last quarter was the most exciting part of the game, and the crowd simply roared their appreciation as the players hurled themselves into the fray. T. Ryan's sprints across the centre of the ground were great to see, and it seemed quite a shame that the umpire had to stop him, because he had a habit of forgetting to bounce the ball. During the last few minutes of the game, J. Rush had a very severe knock on the leg, but after a short delay, was able to continue. In the quarter Beaufort scored 1-1 and Ararat 3-1. The final scores were:—Ararat. 8—7: Beau-

fort, 8—6. The ladies of the Beaufort and Buengor districts provided afternoon tea, and their help was much appre ciated by the Beaufort C.Y. boys. who tender their best thanks to all the ladies who helped in any way to

make the afternoon so enjoyable. The teams were:—Beaufort — J. Rush (captain), D. and B. Lynch, F. McKenna, J. Liston, J. Collins, G. O'Neil, Jack Jess, J. Bowd, R. McCormick, R. Hancock, R. Saph, W. Michael John Clancey, inspector, charged Ada Wallish (who did not appear, and was defended by Mr S. Young) with having, on 31st Augaffix thereto the required cattle compensation stamps.

Arthur E. Helen, stock inspector, employed by the Department of Agriculture, gave evidence that he interviewed defendant on 14th March, and she admitted selling the cattle to Mrs Sutton. She said she did not give a receipt, and did not put the cattle compensation stamps on it, as she did not know anything about the necessity for doing it.

Mr S. Young, who appeared for defendant. said his client had instructed him to plead guilty to what she considered a very trifling circumstance. Beaufort defeated Elmhurst by 4 matches to 3, and Lexton defeated Skipton (last year's holders), by 5 matches to 2, but owing to the torrential rain, Beaufort and Lexton were unable to continue, and will play on a date to be fixed.

GOLF NOTES.

[By "Marker."]

Interest in the club's championship event is even more pronounced after last Saturday's performances. By carding another 81, J. L. Kelly has enhanced his prospects, while M. E. L. Watkin, with a disappointing 85, is now three strokes behind the leader. R. A. Finney's 84 placed him a stroke behind M. E. L. Watkin. One of the most interesting, as well as one of the best scores of the day, came from N. H. Oddie, who seemed to be in touch all day, if we except an unwelcome 7 at the first. His 81 included four sixes, three fives, five fours, and five threes. N. H. Oddie produced par golf for six consecutive holes (3rd to 8th); scoring bogey figures also at holes11, 13, 16, and 17. J. L. Kelly played consistent golf for his 81. At one hole only was he more than one stroke over par figures. This 6 at the 14th was his only bad hole. He was out in 38, with bogey figures at holes 1, 3, 4, 6, 7, 8.G. F. Ellis registered 87. P. I'. Stevenson further cemented his hold on the B grade scratch event, with a well-compiled 89, including a pair of sixes for two holes, which cost 2 and 3 the previous Saturday. P. George takes second place in this event, with a leeway of 16 strokes, closely followed by R. Mackay. P. T. Stevenson enjoys a comfortable lead of 10 in the aggregate event, over R. Mackay. The best scores going out were:-J. L. Kelly, 38; N. H. Oddie. 40; P. T. Stevenson, 42; R Johnson, 42. R. A. Finney and N. H. Oddie, with 41 apiece, had the lowest second tallies. N. H. Oddie's 81 is his best score up to date. It was sufficiently meritorious to reduce his handicap from 14 to 13. Birdies were scored by R. A. Finney at the 1st and 15th, C. E. McLellan at the 13th and 16th, P. T. Stevenson and H. E. Cuthbertson at the 6th. R. Mackay at the 17th, J. A. Harris at the 8th. R. Johnson at the 4th, P. J. George at the 15th, and M. E. L.
