Beaufort District Club. - The committee of the Beaufort District Football Club met on Thursday night at Lewell's tea-rooms, and nine members attended. Mr A. Lewell (president) presided. A donation of £1/1/ was received from Major A. Russell Correspondence relating to clearances and transfers of men was received from the Burrumbeet Football Association. The secretary reported that a letter of sympathy had been sent to Mr K. Hyde, who had suffered a bereavement. He also reported on the recent meeting of the Burrumbeet District Association. He also mentioned that the Ballarat Country Week final was to be played here on Saturday, and that the Saturday night socials had not been so profitable of late. Mr Lewell reported on a proposed picture night, and also stated that Mrs Nunn's cup for the fairest and best player had been received, and was being inscribed in Ballarat. A wind-up ball was arranged for Wednesday, 15th Sept. Mr C. Lang said the Burrumbeet Association team was very unlucky in the elimination match for the Country Week Competition, and he was very pleased with the way Mr Jack Yawkins had played. He had also used all the influence he (Mr Lang) could to get the final Country Week match played in Beaufort, and was successful. Two members of the team made several complaints on behalf of the players. The matter was discussed. Two committeemen (Messrs. J. B. Hewitt and P. Nunn) were added to the selection committee.

In the Burrumbeet football competition on Saturday, Waubra (7-7) defeated Burrumbeet (5-5). Learmonth (12-10) defeated Beaufort (3-5).

VISIT OF MAJOR GILL INGLIS.

SATURDAY, JULY 17, 1937.

THE Beaufort Corps of the Salvation Army had a notable visitor

On Saturday night Major Inglis addressed a well-attended meeting at the Salvation Army Hall, and gave an interesting and amusing account of his experiences. Adjutant Watson acted as chairman, and Mrs Watson presided at the organ. On Sunday afternoon there was a

good attendance at the C.W.A. Hall, where Major Inglis was again the principal speaker. A duet was rendered by Adjutant and Mrs Watson. Hon. A. J. Pittard, M.L.C., who acted as chairman, thanked Adjutant Watson for his kind welcome. It was a privilege to come here, as he had great respect for the Army and its work. Major Inglis was engaged in a noble task, and had a great fund of sympathy for human nature.

Speaking on the social welfare work of the Army, Major Inglis endeavored to give his audience an idea of his work. The Army was established in Victoria 59 years ago. He outlined the various activities of the Army in regard to its efforts on behalf of youth, the aged, months, and 10,500 free beds in a the Workers' Educational Associa- Card Social. — At a card social year. CHILD SUCCUMBS AFTER SCALDING MISHAP.

FATAL ACCIDENT.

PULLING a vessel containing boiling water over himself at about 8.30 a.m. on Sunday, Alan John George, the 11-months-old son of Mr and Mrs Gordon George, of Lake Goldsmith, received severe scalds about the face and arms, and he died in the Beaufort Bush Nursing Hos-

pital the same evening. The child was left strapped in a push cart close to, but out of reach of the kitchen fire, and it is thought that he moved himself along in front of the fire by pulling on a chair, and then grasped the vessel of boiling water, with the shocking result already mentioned.

An inquest was formally opened at the Beaufort Police Court on Monday, and after hearing the evidence of identification and viewing the body the Deputy-coroner (Mr R. A. D. Sinclair, J.P.) gave an order for burial, and adjourned the inquest till Monday, July 26, at 2 p.m.

PENSIONERS' LEAGUE.

STEPS TAKEN TO CONVERT IT INTO FRIENDLY SOCIETY.

substantial profit of £111 14/6 in the funeral fund for the six months commencing 1st January was shown in the half-yearly balancesheet presented at a meeting at Ballarat of the Old-age and invalid pensioners' League. About 100 pensioners attended; the president (Mr T. Ginnane) presiding. During the six months the receipts had been £294 11/6, and the expenditure £82/17/ from the funeral fund, said the secretary (Mr G. H. Day), and £250 had been placed on fixed deposit. The balance in the bank was £172/0/11 making the assets £422/0/11. In the League fund the balance was £68 8/2 in January, and now stands at £79/15/7, making a profit of £11/7/5. The expenses for the six months had been £75/4/9, and the receipts £155 0/9. In all the League has a credit balance of £501/16/6. It was unanimously agreed to donate £3/3/ to the Trades Hall Council for the use of the hall so frequently. An offer by Mr T. T. Hollway to act as honorary solicitor was gratefully accepted. At the conclusion of business a delightful entertainment was given by Ballarat artists.

Steps are being taken to convert the pensioners' league into a friendly society. The league has been negotiating for the change for some time, and the papers were expected by the officials at any time, it was announced at the recent meeting. The meeting decided to leave the matter of arranging to become a friendly society in the hands of the committee. will be necessary to appoint a secretary and treasurer for the friendly society, and to obtain sureties of £200 each for these officers. A board of control and trustees will also be required. Members of the league are wholly in support of the plan, and no difficulties are anticipated in arranging the conversion.

Proposed Cottage for Nurses. -At the annual meeting of subscribers to the Skipton Soldiers' Memorial Hospital, Mr F. Oddie mentioned that while he was at the hospital, he was impressed with the idea that the institution was rather crowded. He would like to suggest that the committee consider the advisability of having a cottage built in the grounds for the use of the nurses. If the committee decided to take up the idea, he would be prepared to head a subscription list with £50 towards the cost of erecting the necessary building .- "Skipton Standard."

CHILD SUCCUMBS AFTER SCALDING MISHAP.

PULLING a vessel containing boiling water over himself at about 8.30 a.m. on Sunday, Alan John George, the 11-months-old son of Mr and Mrs Gordon George, of Lake Goldsmith, received severe scalds about the face and arms, and he died in the Beaufort Bush Nursing Hospital the same evening.

The child was left strapped in a push cart close to, but out of reach of the kitchen fire, and it is thought that he moved himself along in front of the fire by pulling on a chair, and then grasped the vessel of boiling water, with the shocking result already mentioned.

An inquest was formally opened at the Beaufort Police Court on Monday, and after hearing the evidence of identification and viewing the body the Deputy-coroner (Mr R. A. D. Sinclair, J.P.) gave an order for burial, and adjourned the inquest till Monday, July 26, at 2 p.m.

PENSIONERS' LEAGUE.

STEPS TAKEN TO CONVERT IT INTO FRIENDLY SOCIETY.

The substantial profit of £111 14/6 in the funeral fund for the six months commencing 1st January was shown in the half-yearly balancesheet presented at a meeting at Ballarat of the Old-age and invalid pensioners' League. About 100 pensioners attended; the president (Mr T. Ginnane) presiding. During the six months the receipts had been £294 11/6, and the expenditure £82/17/ from the funeral fund, said the secretary (Mr G. H. Day), and £250 had been placed on fixed deposit. The balance in the bank was £172/0/11, making the assets £422/0/11. In the League fund the balance was £68 8/2 in January, and now stands at £79/15/7, making a profit of £11/7/5. The expenses for the six months had been £75/4/9, and the receipts £155 0/9. In all the League has a credit balance of £501/16/6. It was unanimously agreed to donate £3/3/ to the Trades Hall Council for the use of the hall so frequently. An offer by Mr T. T. Hollway to act as honorary solicitor was gratefully accepted. At the conclusion of business a delightful entertainment was given; by Ballarat artists.

Steps are being taken to conver the pensioners' league into a friendly society. The league has been negotiating for the change for some time, and the papers were expected by the officials at any time, it was announce ed at the recent meeting. The meeting decided to leave the matter of arranging to become a friendly society in the hands of the committee. I will be necessary to appoint a secretary and treasurer for the friendly society, and to obtain sureties of £200 each for these officers. A board of control and trustees will also be required. Members of the league are wholly in support of the plan, and no difficulties are anticipated in arranging the conversion.

Proposed Cottage for Nurses. -At the annual meeting of subscribers to the Skipton Soldiers' Memorial Hospital, Mr F. Oddie mentioned that while he was at the hospital, he was impressed with the idea that the institution was rather crowded. He would like to suggest that the committee consider the advisability of having a cottage built in the grounds for the use of the nurses. If the committee decided to take up the idea, he would be prepared to head a subscription list with £50 towards the cost of erecting the necessary building .- "Skipton Standard."

INSTALLATION OF THE W.M.-ELECT, BRO. ALEX. BAIN, S.W., AND INVESTI-TURE OF OFFICERS.

THERE was an attendance of 54 Mark Master Masons, including 37 Past Masters (of whom 18 were Grand Lodge Officers), at the Masonic Hall, Beaufort, on Saturday night, when the ceremony of installing the W.M.-elect, Bro. Alex. Bain, S.W., as W.M. for the ensuing year, was impressively conducted by M.W. Bro. Dr. J. A. D. Nish, Grand Master, assisted by Grand Lodge others. The officers were also invested by Grand Lodge officers, with the exception of the I.P.M. (who was invested by the newly-installed Master) and the chaplain and one of the stewards (Bro. P. Henty), who were absent. The retiring W.M., W. Bro. R. W. Pickford (who had held the position for nearly two years) was presented by the M.W. Grand Master, in a eulogistic speech, on behalf of the brethren of the Beaufort Mark Lodge, with a handsome past master's jewel, and W. Bro. Pickford returned thanks.

At the conclusion of the ceremony, a banquet was held, when the usual loyal and Masonic toasts were honoured. Two songs were nicely rendered by W. Bro. Vic. Henderson, G.S.B. Visitors were present from Daylesford, Ballarat, Willaura, Ararat, and Donald. The W.M. was heartily congratulated.

The Beaufort Mark Lodge was founded in 1911, and three foundation members were present at W Bro. A. Bain's installation on Saturday night, viz., R.W. Bro. E. J. Muntz (the first Master), W. Bro. D. Stevenson, and W. Bro. A. Parker. Of the 25 past masters of the Lodge, 22 are still members. Eight members originally joined the United Wimmera Mark Lodge at Ararat, and then formed the Beaufort Mark Lodge. Six of these foundation members are still members, viz., the three mentioned above as being present, and W. Bros. G. H. Cougle, A. L. Wotherspoon, and W. J. Stevenson.

The Fiery Creek Lodge was founded in 1890. None of the foundation members (who were then members of Ballarat Lodges) are at present members; but four past masters, who were initiated on the night on which the lodge was founded, have continued their membership until the present time for nearly 47 years. They are W. Bros. G. H. Cougle, R. A. D. Sinclair, A. Parker, and J. R. Wotherspoon.
