FOR MEN.

MANY men have the impression that a Savings Bank Account is suit only for women and children, and that it is neither convenient nor ed enough for business men. ertainly those business men who have many payments to make

over a considerable area need cheque accounts, but even those, in common with all other mon. will find the Savings Account a most useful and convinient aid to money accumulation. here is nothing undignified in the transaction of Savings Bank bus ness, but there is interest profit to be carned on such monios as would otherwise lie idle. SURE! HE'S FEELING HAPPY . . ABOUT WHOLE WHEAT BISCUIT CUSTARD FOR DESERT Maryeners & a Corrector

Patric Knowles, a Warner Bros. player, and a recent arrival in Hollywood, is a true Englishman, in his opinion no dinner is really a dinner without dessert, and the one that pleases him most is Kellogg's Whole Wheat Blscuit Custard. It is a most tempting and nutricious dish, and one that will please all the family, and has the advantage of being quick and easy to prepare.

WHOLE WHEAT BISCUIT CUSTARD

2 Kellogg's Whole Wheat Bis- 2 eggs. Pinch of salt. 2 cups milk. 1 teaspoon butter.

teaspoon vanilla essence. Little grated nutmeg. I tablespoon sugar.

Flake the Kellogg's Whole Wheat Biscuits, put into a buttered fireproof dish and pour 1 cup milk over biscuits. Beat eggs, add the sugar, salt and vanilla essence and 1 cup milk. Mix custard with soaked biscuits, add dots of butter; sprinkle with grated nutmeg. Stand dish in a pan containing a little cold water to prevent custard cooking too quickly. Bake slowly till custard is set. Serve hot or cold with stewed fruit.
