THE SOCIAL FUNCTION At the conclusion of the meeting a reminiscent strain of his long in a reminiscent strain of his long connection with that institution.

Nothing pleased him better than with the Fire Mechanics' In- to be associated with the Fire

sentatives of the Mechanics' Institute, Returned Soldiers' League, and Shire Council were present as guests. Captain J. Duke presided, Mr Jas. Barnes acted as pianist, and the caterers were Mesdames Bates and Dunstan.

Captain Duke welcomed Ex-Captain H. M. Stuart, who was 90 years of age, and other ex-captains present.

The toast of "The King" was loyally honoured.

The toast of "The King" was loyally honoured.

The present is the piezes and method with the Fire Brigade compared favourably with those in other towns. The Beaufort firemen did not receive sufficient support from the public, who should wake up and realise that it would be a sad thing if there was not a brigade in the town. The members of the brigade stuck well together, and their captain was an ideal man for the job. The board did not want this hall used by outside bod
The contain J. Duke present as to be associated with the Fire Brigade compared favourably with those in other towns. The Beaufort Club's opening tournament was concluded on Saturday; the winning pair being Miss E. Nickols and N. H. Oddie. Results:—

Semi-final — Miss E. Nickols and N. H. Oddie d. P. T. Stevenson and Miss V. Martin, 2—6, want this hall used by outside bodloyally honoured.

The captain read a report of the board did not enson and want this hall used by outside bod- 6—1, 6—2. The captain read a report of the brigade's activities for the year (which appears in another column).

"The Country Fire Board" (coupled with the name of Captain R. A. D. Sinclair), was proposed by Mr H. M. Stuart, who thanked them for the invitation to be present, as he enjoyed this function better than anything he attended for the year. Captain Sinclair was in the brigade with him as a boy.

The country Fire Board" (coupled with the name of Captain R. A. D. Sinclair), was proposed by Mr H. M. Stuart, who thanked them for the invitation to be present, as he enjoyed this function better than anything he attended for the year. Captain Sinclair was in the brigade with him as a boy.

The country Fire Board" (coupled with the name of Captain R. A. D. Sinclair), was proposed by the service, the formany years to come, and that if any of the younger members went abroad on active service, the formar members of the brigade would come and take their places.

Captain Duke, in response, said the brigade was a happy family.

in the brigade with him as a boy. the brigade was a happy family, presence of members of the pres-Everything seemed to be going on well with the board. He thought the insurance companies should pay a greater share of the taxation for fire brigades. That question should be brought before the board. They had better appliances now than in his day—they were good enough for any town in the State. Cr. Sinclair had done good work on the board, and he hoped work on the board, and he hoped out of funds raised by their own Thistle Club was represented by he would remain there as long as efforts. To go to a demonstration Mr W. Thompson (chief), Mr A.

were to be given leave, and the strength of the brigades must be kept up by former members. The demonstration at Geelong was to be carried on. He was going to the next demonstration at Mildura. His late cousin, Mr Jack Humphrics and fallen soldier-firemen.

Which town brigades for a £200 prize a £200 prize. The present brigade could do as well if the members practised.

A silent toust was drunk to the memory of the late Ex-Capt. W. Humphrics and fallen soldier-firemen.

work on the board, and he hoped he would remain there as long as he was in public life. (Applause).

Captain Sinclair, in response, said he was delighted to be here again. He had two years to go to be not he board 18 years. The board was doing all it possibly could, and was a very good one. Mr Stuart would be glad to know that they had two Labour members on the board. The estimates had to be passed by the Government. The matter of the insurance companies were asked to say anything at all. He hoped to see the day when they would have to pay haif. The board had a very good team of permanent officers. Every consideration was given to the firemen's representatives by the other members of the board. The total firemen in the service was 3000, but the board was going to have a pretty rough time on account of the war. Firemen who went overseas on active service were to be given leave, and the strength of the brigades must be kept up by former members.

Intend by their own, thinks and by their own, if they not in they not in the monory and done a dearn for the members of the board for \$120\$ when they would have to have a pretty rough time on account of the war. Firemen who went overseas on active service were to be given leave, and the strength of the brigades must be kept up by former members.

Intend by their own, they out a demonstration in they put in three months' training, and were entitled to a little month they former members of the was spent at all the house the indication and them one of the board. The set that the officers were only elected once in two years, and there was no election this year.
