-----LEXTON.

At the meeting of the Lexton Shire Council on 5th inst., it was decided to invest £250 in the War Loan and to send a circular letter to every householder in the shire. Because of the seriousness of the war situation, the formation of a National Government in Australia is strongly favoured in many quarters. Full support to such a Gov-ernment was pledged by Lexton Shire Council at its June meeting Cr. Clark said that the road leading from Lexton towards Beaufort was badly corrugated, especially in the vicinity of Smith's. A little
