Pensioners' Welfare Society. - The balance-sheets of the Ballarat Pensioners' Welfare Society for the year 1942-43 have been certified by the auditor, Mr J. B. Corbet, and show the society to be in a sound financial condition. Particulars are as follow:-Funeral fund, £2091/10/1; management fund, £105/5/9; total of £2197/5/10. The assets are represented by the following:—Australian consolidated stock £1150; war savings certificates, £200; at bank—Funeral fund, £441/10/1; management fund, £105/15/9. Notwithstanding the heavy calls that have been made on the funds during the period, the financial position is excellent. The membership, which embraces conutry districts as far as Stawell and Ararat, is rapidly increasing. The fact that members who have rein the State maintain their connection they appreciate the benefits obtained to drop wholly from their own funds, to which they voluntarily subscribe.

PAGE 3 RIPONSHIRE ADVOCATE, SATURDAY, OCTOBER

Beaufort, 19th October, 1943. £125,000,000 FOURTH LIBERTY LOAN.

On behalf of the Shire of Ripon War Loan Committee, I de sire to commend to you the above Loan. The Committee is gratified that our quotas for the previous Loans were obtained by the residents of the district. In this Loan our quota is £20,000 from 200 subscribers, so our efforts will have to be greater. This is the largest and most important Loan the Australian people have been asked to provide. It comes at a new phase of the War when the Nation's plans demand that every Australian shall share fully the cost of our preparations for offensive action against the enemy. In past Loan Campaigns, Australians on the home front have demonstrated their willingness to share completely with their fighting men the burden of war. The stronger the partnership between home front and battle front, the sooner will victory come.

Subscribe to this Loan to the best of your resources. Think of the men who are fighting for YOU-AND LEND. If you are subscribing to the Loan through a Bank outside the Shire, ask your banker to advise the Shire Secretary of the amount (not necessarily your name) so that the Shire will credited with the amount)

THERE IS NO **GREATER HONOUR** THAN TO SERVE HUMANITY.

says grace W. William -Matron-in-Chief of the Royal Red Cross.

"The highest military distinction the Britisher knows is a plain bronze cross... the VICTORIA Cross.

The universal emblem true civilization knows is another simple cross..., the RED Cross.

The only symbol all Christianity knows — is THE Cross.

British, militant, civilized, Christianity, fights today for all that it honours, for freedom, its way of life, and its creed - it fights too, for this same freedom for all other men in their way of life whatever their creed.

Serve this cause — the cause of your country, by saving to speed the Victory."
