ANNUAL REPORT OF BEAUFORT CLUB.

The following annual report was read at the recent yearly general meeting of the Beaufort Tennis Club:—

We have pleasure in presenting the following report of the year's activities:—

Finance. — From the financial statement you will note that we commenced the season with a credit balance of £112/8/3, and our credit balance now stands at £164/4/11. This represents an increase of £51/16/8 for the year.

Full membership showed an increase from 42 to 45, but junior membership fell from 12 to eight. Visitors' fees are also slightly above last year. Expenditure once again was kept at a minimum; the main items being—Court maintenance, £7 4/5; and balls, £7/16/5.

Patriotic Efforts. — During the year as the result of our opening day tournament, we donated £4/4/ to the local branch of the Red Cross, and later in the season £2 to the Patriotic Gymkhana funds.

Tournaments. — Opening day mixed doubles was won by N. Day and Mrs Ashley, Foundation Week end mixed doubles, W. L. Williams and Mrs M. Cuthbertson; and the Xmas tournament was not completed owing to rain. Our congratulations are extended to these players on their success.

During the season we lost two of our oldest members, Mr and Mrs Ashley, who left the town. We tendered to them a farewell evening; assuring them that they carried with them our best wishes for their future.

We are also happy to record that during this season peace has been declared, and we hope that it will not be long before club members on service will once more be with us.

Future of the Club. — It is felt by the committee that a definite decision should be made during this season as to the future of the club. We have accumulated a small surplus, but this will be quite inadequate for future expansion, and we feel sure that strong efforts should be made to build up a suitable fund for expansion. The thanks of the committee are extended to all those who have donated trophies and assisted the club in any way. — Q. W. GREGORY, President; W. L. WILLIAMS, Hon. Secy. and Treasurer.

DISTRICT NEWS

Buangor.

On Saturday, October 20th, Buangor was visited during the afternoon by Mr E. Morton, and in the evening by Mr A. McDonald, who delivered their policy speeches for the forthcoming election. Both received a good hearing, and had many questions put to them at the conclusion of their addresses.

Very sultry weather was experienced on Monday, Tuesday, and Wednesday, 22nd, 23rd, and 24th October; giving rise to hopes that good falls of rain would result. However, till Wednesday night only 20 points had been registered. (Since this report was written, heavy showers have fallen.)

Streatham

C.W.A. YOUNGER SET DANCE. The Streatham C.W.A. Younger Set held an enjoyable euchre and dance on Saturday evening, 20th October. Music was supplied by Mrs V. Timms, Messrs. J. Mulcahy, J. Fleming, and J. E. Brown. Five ladies tied for the euchre prize, and they decided to give the prize to the funds. The gentleman's prize was won by Mr Frank Onley. The takings go to the Honor Board fund.

Ball for Returned Soldiers' Fund.

On Friday night, 19th October, the Streatham Younger Set ran a ball. The proceeds were in aid of their returned soldiers' fund. The hall was decorated with greenery and daffodils by the girls and looked very attractive. The music was supplied by Blay's Orchestra and as usual went with a good swing. The novelty dances resulted as follows:—Monte Carlo, Miss J. Smith and Mr B. Fox; lucky spot, Miss B. Emerson and Mr B. Fox; hat dance, Miss G. White and Mr O. Whiteroft; lucky ticket, Mr O. Whiteroft. Euchre prizes were won by Mrs A. V. White and Miss M. Hannah. A buffet supper was served. Valuable prizes for an art union, which brought in £50, were given by Mrs W. S. Planner. The door takings at the ball amounted to £18.—Ararat Advertiser.

Welcome Home

(SKIPTON, 26/10/45)

Last night they gave us a little treat, In the shape of a welcome home; It was quite a good turn-out And I thought it worth this poem.

Men and women of the Services And their parents were invited, too; The stage was gay with flowers Of every particular hue.

Every person was made most welcome, And rank was quite forgot, Colonels mixing with privates, Each with a tale to swap.

Speeches were brief and to the point, The musical items were grand; The hall was filled with visitors And quite a few had to stand.

The orchestra struck up the band And the dance went on with a swing. It was just a bit tight for dancing, But that didn't mean a thing.

For everyone joined in the gaily, And every heart seemed light. Why shouldn't they be, anyway? For those boys had won their fight.

The guests were treated to supper— A truly wonderful spread. Sufficient for all, and to spare, And every person was fed.

The lads are pleased to be home With their folk and friends once more. May God grant peace to the whole world now, With no more thoughts of war. —P. E. BUNSTON, Skipton.

Welcome Home Social at Mena Park

Two local returned Servicemen—Pte. J. Partridge (who was a P.O.W. for 34 years in Japanese hands) and Lt. AC Walker West, of the R.A.F.—were accorded a very hearty welcome home on Thursday night, 25th October, by the residents of Mena Park and district at a social in the local school.

With feelings of deep thankfulness we heard of the members of our Overseas Link and contrite hearts we thank God for the Peace which has been granted and with great contentment let us face the future, and ensure Peace in our time.

The attendance at meetings and general interest in the members of our Overseas Link has been maintained during the year. The present number of members is 96, and two new members were added.

CHANGED OUTLOOK.—The rain that fell at the latter end of last week caused a marked and greatly changed the outlook for agriculturists and pastoralists. In various parts of the district the condition of oat, wheat, and flax crops, through lack of rain, has caused concern.

WOUND.—The happy relationship which exists between the Younger Set and the Senior Branch has been maintained. We wish to congratulate the Younger Set on their excellent efforts for Patri-

INFECTION OF SHEARING WOUNDS.—With shearing operations well under way in the State, the number of mortalities associated with a wound infection has shown a marked increase. Veterinary officers of the Victorian Department of Agriculture point out that diseases such as tetanus may occur three to 21 days after shearing. Sheeps usually lie down when affected. Muscular stiffness, with a propped gait, may be noticed, followed by the animal lying on its side, with head thrown back and legs extended straight out from the body. The fleshy eyelid is commonly seen half-way across the eye. Submission of dead sheep for laboratory examination is useful, as tetanus is one disease which cannot be diagnosed after death. Blackleg is a disease of sheep associated with contaminated soil, which may enter shearing wounds or be swallowed. It may also occur following protective inoculation against Enterotoxaemia (pulpy kidney) in lambs. In Blackleg there is usually a history of rapid death, leading to the involvement of a crackling, dropical, swelling under the skin. Cheesy gland of sheep also may appear in sheep subsequent to shearing, the organisms being introduced into the body through wounds and swelling in the superficial lymph glands and occasionally other parts of the body. Prevention of wound infection should be aimed at by having shears, knives, etc., cleaned with hot water and soda, followed by carbolic acid or phenol solution. Removal of scabs from sheep yards, and floors from sheep pens, etc., will help considerably to reduce contamination. In the case of tetanus, the tetanus-antitoxin is sometimes used effectively at the time of shearing, affording protection for two to three weeks.

STATE ELECTIONS

MR. ALEX. McDONALD'S CANDIDATURE.

As Mr. Alex. McDonald, M.L.A., the Country Party candidate for Ripon, spoke at Beaufort last night (Friday), on the eve of the election, and on the following night, we reprint the following report of his speech at Beaufort on Wednesday night.

Looking back to 1925-35, the 10 years of the Country Party, the re-ins of Government, Mr McDonald said that the administration of that period was only compared with that of the Country Party which by its wise administration showed a credit balance in each of the succeeding years.

From 1935 to 1945, the 10 years of the Labour Government, the 10 years of the Labour Government, the 10 years of the Labour Government, the 10 years of the Labour Government.

Since 1943 additional large sums of money had been spent in the city and country, including £245,000 for free transport of country children to school.

ELECTORS OF RIPON

Don't be misled by Labour's camouflage. The first year prior to Uniform Taxation the Commonwealth took £20,000,000 from the pockets of the Victorian taxpayers; the State receiving only £2,600,000 out of a total of £17,400,000.

Table with columns: Taxpayers, No Dependents, Under Uniform Tax, Uniform Tax Increase.

Are you going to support a party that will continue this operational robbery of the people? Is this Commonwealth co-operation for Labour and all his candidates at this election are pledged to continue Uniform Taxation.

HEALTH REPORTS.

On Monday Ripon Council received health reports as follows:—

From Dr. Little, Beaufort, reporting that the cases of infectious diseases had been reported. Measles were prevalent at Middle Creek. Cases of influenza were frequent; the infection being of a more severe character than usual. There were 26 attendances at Beaufort Infant Health Centre. The first two stages of the diphtheria immunisation campaign were completed. The children treated were having pneumonic symptoms, the vicinity of 450. The exact number would not be known until the third and fourth stages were completed.

Received. Dr. Donaldson reported for October that there was a great deal of sickness during the month—influenza with chest complications, whooping cough and some chicken pox. Diphtheria immunisation was being carried out in the local school. Treatment was not yet concluded. Received. Dr. Blair Donaldson, Skipton, reported for September that there was an epidemic of influenza in the district; many cases having pneumonic symptoms, some very severe. Other complications were ear inflammation, sinusitis. Rheumatism prevalent.

B.N. HOSPITAL.

At the Beaufort B.N. Hospital meeting on 12th Nov., Mr A. R. Beggs (president) reported that the annual meeting of the Victorian Bush Nursing Association was attended by Mrs Macdonald and he, and was one of the keenest and most enthusiastic he had been to. There were more than 80 delegates present. The chief item of business was that the B.N. Council would not view with disfavour any application to the Charities Board for a grant, as in the past. When they got the facts, the meeting did the only thing possible. The money available amounted to £17,000 for B.N. Hospitals, and applications already in (not including Beaufort) were £227,000. The sum of £17,000 would not go far towards that. A motion was passed that a centre may apply to the Charities Board for a grant, subject to the approval of the Central Council. A bush nursing hospital participating in the grant would have to set aside a bed for indigent sick. If the hospital were full, there was no remedy. The next year with the Government grant coming out for patients, it would help them greatly to cover the expenses of anyone accepted in a hospital

who was unable to pay. He thought that was 6/ a day. The present membership would be retained. The V.B.N.A. Central Council would not recall money held on loan by centres, but in the event of a centre being able to receive sufficient financial assistance from the Charities Board, the Central Council would like that money returned. In regard to the V.B.N.A. continuing to supply staff, they did not think anyone would be mad enough to upset existing conditions that were working so well. It seemed that an application to the Charities Board would not greatly embarrass a B.N. Hospital. Mr McVillier now attended all Council meetings, and was very helpful indeed, and he thought they could co-operate with him. He said that as long as service was supplied, it did not matter how it was supplied. The Board would expect to have some sort of control, and one would be a new hospital, and whether they would have a large operating theatre or a casualty ward. It seemed to be the opinion that hospitals in a position like Beaufort would be looked on as an asset by the Charities Board and would be helped along. In 1911 bush nursing started at Beech Forest with one nurse and now they had 67 hospitals and 15 centres. The war had prevented the hospitals from going over the 100 mark. The total number of cases attended to at B.N. Hospitals and centres this year was 20,185 (including 3125 maternity cases). The rate of maternal mortality was 1.98 per thousand births, and that of infant mortality 19.2 per thousand. The comment of Professor Marshall Allen was—"The maternal deaths are much lower this year, and probably represent almost the minimum that can be expected when many of the serious complications are treated in hospitals." Some brought up the argument that B.N. Hospitals sent all their difficult cases away. The total number of cases transferred for the year was 14. Of these eight desired ante-natal care, and only six were transferred because of complications. Of the six one mother died, and all the children lived. That refuted the argument. Mr Beggs mentioned that six representatives of county centres (including himself) had been elected to the Central Council.

In answer to Mr J. F. Witherspoon, Mr Beggs said the grant from the Charities Board would be on a £1 for £1 basis. They could call for the assistance of the community for a charitable drive or anything like that.

Mrs R. T. Macdonald reported on the social side of the annual meeting. Mr Witherspoon congratulated Mr Beggs on his election to the Central Council, and voiced the appreciation of the committee of his interest in the Hospital.

Mr Beggs thanked Mr Witherspoon, and said he would endeavour to do what he could on the Central Council.

BEAUFORT A.N.A.—The president of the Beaufort A.N.A., Mr A. H. Broadbent, was in the chair at the fortnightly meeting on 13th inst., which was attended by nine members. Correspondence was received from the General Secretary, forwarding £10 funeral benefits. A circular was also read from the General Secretary, in reference to rule books and certificates for members on active service. The treasurer (Mr N. S. McLeod) reported the following credit balances:—Sick-pay account, £24 6/8; general account, £280/3/4. Accounts and sick-pay amounting to £25/14/4 were passed for payment. The matter of organising welcome home functions in honour of soldier members was discussed. Mr C. V. Wyllie reported in regard to the hall hire and dance music. It was decided, on the motion of Messrs. H. V. Martin and C. V. Wyllie, to advise the board that the branch would be willing to buy 40 to 50 certificates for servicemen. The matter of welcome home was left in abeyance till the February meeting, on motion of Messrs. Martin and W. G. Gillingham, if word was not received from the Board of Directors for the ensuing half-year were nominated as follows:—President, Mr A. H. Broadbent; vice-president, Mr C. V. Wyllie; treasurer, Mr N. S. McLeod; secretary, Mr H. V. Martin; assistant secretary, Mr M. Torney; committee, Messrs. N. Smith, W. Gillingham and A. Lyttie; press correspondent, A. M. Parker; auditors, Messrs. Q. W. Gregory and F. S. Latch; delegates to conference, Messrs. C. V. Wyllie and A. H. Sands.

METHODIST CHURCH S.S. ANNIVERSARY.

Special services were held in the Beaufort Methodist Church on Sunday to commemorate the anniversary of the Sunday School, and were well attended. The singing of appropriate hymns was led by a choir of about 60 voices, and was very pleasing. Miss M. Jackson presided at the organ. The pulpit was occupied by Mr Arthur Sieep, of Rainbow and the choir was conducted by the Rev. J. Leach. At the afternoon service, the following special items were contributed:—Solo, Victor Cole; solo, Ann Cobden; solo, Miss Loris Callow; hymn, Barbara Hayes; Joan Hill, Margaret Hopkins, Ercil Larkins; Rev. J. Leach welcomed Mr Sieep, and said they were delighted to have him with them. Sunday school prizes and certificates would be distributed at a later date. He thanked Miss Jackson (S.S. superintendent) and staff for their continued good work, and said their services could not be valued too highly. He also thanked those who had decorated the platform with flowers, Messrs. Cuthbertson and Hughes, and the Masonic Lodge for the use of the organ. They were delighted to have many visitors with them. There was a lady in the congregation (Mrs McGerchin), who had come from Melbourne, and attended the school years ago. They were also glad to have a former teacher, Miss Ethel Waddingham, with them. Mr Sieep in an address, said to-day was the birthday of the Sunday school. They all felt their responsibility for helping their Sunday schools. He stressed the fact that the children were imitators, and followed the parents' example. They should remember the debt they owed to God for their boys and girls and lead them aright.

In an address to the children, illustrated by a flannelgraph, Mr Sieep questioned them on the lesson previously read. He pointed out that "God so loved the world that He gave His only begotten son, so that we might not perish but have everlasting life." The wise men came all the way from the East to see Jesus, and brought with them the best gifts they had. Jesus gave his life for the world on the cross at Calvary—all He had. Their gift to Jesus should be the best they had—their hearts.

At the morning service solos were given by Judith Vertigan and Molly Broadbent. Mr Sieep gave another interesting address at the evening service. Several hymns were again sung by the choir, a solo was contributed by Dawn Upton, and a hymn by the primary boys.

FOOTBALLERS' BALL.—The takings at the Beaufort footballers' non-stop ball at the Foot-ball Theatre on Friday night, 16th inst., were about £30. There was an attendance of about 100 couples, and the ball-room had been nicely decorated. The music was supplied by Messrs. Blay and Whiting's orchestras. Mr A. Gercovich acted as M.C. The ladies of the Football Club Auxiliary supervised the supper arrangements, with the young girl supporters. Mr W. Day donated prizes for two novelty dances, and Mr W. Skene the prize for the card dance. There were also elimination and novelty dances; the latter being won by Mr S. Ringin and partner. Soft drinks were served at the kiosk, by the courtesy of Mr A. Lewell. The secretarial duties were in the hands of Mr Frank Allen, who desired, on behalf of the committee, to thank all those who assisted in providing supper.
