Scores: Plains Association defeated Lexton League by 20 points. Scores: Western Plains, 10.16; Lexton, 7.14. For the greater part the game was evenly contested; Western Plains making their winning run in the last quarter. Writing of Miller, of Beaufort, the "Courier" states that he stood out in defence, where his sure making and clearing dashes made him a major problem for the Plains forwards.

DISTRICT HOSPITAL ANNUAL REPORT

At the recent annual meeting of subscribers to the Beaufort District Hospital, the following report was presented by the secretary (Mrs J. Stowell):— We have pleasure in present annual report e Hospital at the second annual meeting of the Beaufort District Hospital since its affiliation with the Hospitals and Charities

The membership is steadily rowing, and there are now over 300 members. We thank our their continued support, and welcome the new Figures for the period to 31s March 1952 were as follows: 420 cases were treated, consistin of 146 Members and 270 Non these, Obstetrica cases were 70, major surgical 24.

minor surgical 24. Outpatien visits totalled 200. The dail average for the year was 7.4 against 6.7 last year. The highest daily average for any one month Improvements in building and equipment included the completion of the new room and various items such as a Samso safe and stand, pillow hospital mattress, Soluvac stand, tubular steel chairs, stainless steel mugs lawn mower, incinerator, electric

floor polisher, and reflector signs for use in guarding against parking outside the Hospital at night 1 Dishlex Dish-washing Machin was donated by one of our gen crous members for which we give our grateful thanks. During the year an effice was established at he Hospital which has proved very convenient for use of pat lents using the hospital, for the collection of fees etc. and through the Secretary being on the spot the Sister in charge has been relieved of much work regarding The completion of the crection

of the back fence is a great impthe back of the hopital, and the Hospital now presents a very tidy appearance. The wood has now been all carted in, and this has been a very great help during the year. We are indebted to the folly ing donors :- The Estate of the

late Eliza Ward, the Ballara Traveller's Social Club, Mr G Traveller's Social Topper, Beaufort Mark Lodge Thistle Club, School Social Club and Fiery Creek Lodge. Receipts for the year totalled General Account an Expenditure £6066/4/9, in equip ent account the receipts 562./5/3 and expenditure 2644 7/3, leaving a debit balance equipment of £22/10 and a ere balance in general account (1858/14/6. The Waterloo Sport Club held their Sports Gymkhana at Easter and 75 per cent of the

profits are to be given to the The ladies of th ommittee gave very unselfish and valuable assistance in caterng for the luncheon and afteroon tea, and we thank them the organisers of this effort, and the orgnisers of this effort, and to all those who helped in any Our thanks also go to the Ararat & District Trotting Club for organizing a Charity meeting n which we share with Ararat

District Hospital and Stawel Hospital, the sum of about £20 i spected from this effort. We offer our sincere thanks to or Little for his interest in our spital, and we can now report hat we can now give patients a 24 hour attendance, as we have secured the services of sufficient ully trained staff to have a

night Sister on duty. In this way we are giving 100 per cent ser-Owing to the increase in the cost of living and increase in salaries and wages, the cost pe day of in-patients rose to 2 4/7 as against £1/9/6 last year and cost per in-patient treate £24/10/10 — £13/16/7. We wish to thank Sister Donnan for intiring efforts in caring for t patients, and the efficient

n which she has carried out he duties as Sister-in-charge. We have been very fortunat in being able to have a fu staff for part of the year, if no all the year, and have been very grateful for part time assist-ance given by Sister Scriven, Mrs Paul and Mrs G. Buchanan, To Sister Evans and Nurses Note Arkle and Uily Kay we extend our appreciation of their services and the support they give to the Sister-in-charge. To the domestic staff we also

say "Thank you" for the man-ner in which they have carried out their duties, which have bee very heavy at times, especially when the Hospital has had every available bed occupied. We must also thank members of the newy formed Auxiliary for the he they are giving in the way o mending, preparing fruit fo bottling and jam making, a well as other ways too nun ous to mention. To Mrs Sul van we offer thanks for mend ing the linen before the Auxiliary was formed.

We must also thank the audi tors. Messrs. Finnin and Gregory, and Mr A. M. Parker for his press reports and para To Mr Beggs, our president we give sincere thanks for hi

for a Turkey

No doubt a wishbone is necessary for a turkey, it helps to keep his body together but for us it can serve no useful purpose. For us backbone is more important, particularly the backbone necessary to start saving and then

keep us at it every pay day. It isn't easy to save, everyone knows that Both will-power and self-sacrifice are required. But the effort is well worthwhile, because those who simply wish for things are left with nothing, while those who save get the turkey. It's easy to wish, but it's surer to save. Open

SCHOOL COMMINE

MONTHLY MEETING

It was decided to draw the tention of the Education Department to the long delay in in-alising the Cookery Room at the July meeting of the Beaufort School Committee on Monday night.

Mr W. Thompson (chairman) presided, and five members and Mr A. H. Ruxton (head teacher) were present. The Shire Engineer's account

vas held over till a further letter was received from the Education Department. It was decided that any buck-

jumping show or circus wishing to use the old school playground (near Gun Club grounds) he charged £4 a night, on motion of Mesrss, A. Crick and J. Ahern. It was resolved to write to Mr Ackerley (who has left the district), asking for his resgination, so that the vacancy on the committee can be filled.

Mr Crick undertook to see Mr Paul about work on the school

Mr Ruxton, H.T., reported that he had received nomination forms to fill the vacancy on the committee, and would send them out to parents before next meeting. One of the lady teachers had obtained private board. Miss McKenzle was leaving in Senf-McKenzle was leaving in Sept-ember. He had a letter from the National Safety Council in reprecautions on gard to safety the Highway opposite the school and forwarding, the necessary flags and arm bands for safety flags and arm bands for safety monitors, and giving legal opinion as to liability of teachers. He also had a visit from Mr Linsten and two C.R.B. engineers, as the result of which the sign-posts had been shifted to better positions. He proposed only to put the flags up on the Highway when the children were being dismissed at 12 noon and 4 p.m. The Chairman — The matter originated with the Progress As-

sociation. The head teacher presented two small accounts totalling 16/for payment. — These were duly authorised.

The head teacher presented a balance-sheet of the Works and Buildings Account for 12 months, which showed a Cr. balance of £45/18/4 for the school, and £12 12/3 for the residence. — Adopted, on motion of Messrs. A. Crick and A. A. Wilkinson.

Crick and A. A. Wilkinson.

The head teacher said further delay had occurred in regard to the wiring of the cookery room. The school attendance was 210 in the Primary School and 66 in the H.E. School; total, 276. They planted 680 pine trees on the tree planting day on one acre, and the children scemed to enjoy the outling. The **Lchool drain was blocked.** The **Education week would be held from 10th to 16th August, and the details had to be worked out yet. A cup presented by Mr A. Campbell to the school boys who played the curtain - raiser at the football match last Saturday was on view. The cup would be used for annual competition. They should the property from annual competition. They should which had been started 3½ years ago, finalised. Water was pouring under the building, and he suggested that they write to the and get the Department and draw attention to the state the puilding had been left in. It would not be used for another 12 months the way it was going. They should be it was going. They should be asked to finish it by the end of the term.

Mr A. Crick moved to that effect. Seconded by Mr J. Ahern, and carried.

moved that Mr Mr Ahern Campbell be written to and thanked for donating the cup. Seconded by Mr A. A. Wilkinson and carried.

INCREASED CALLING FEE
FROM PUBLIC TELEPHONES
In order that the Post Office
may be better able to meet the
higher costs being incurred, it is
proposed to increase the fee for propsed to increase the fee for local calls from a public telephone local calls from a public telephone from 2d to 3d, said the Postmaster-General (Mr Anthony) to-day. This adjustment will also bring the Public telephone calling fee into line with that paid by subscribers in the capital cities and other large centres of Australia. The fee for a public telephone can pub telephone conversation has remained unchanged since 1915, when it was raised from 1d to 2d and in the interim wages costs of materials have risen greatly. An increase to 3d would have taken effect with a general increase in rates for telephone calls in July, 1951, but for the technical problem of providing, in automatic telephone exchange areas, coin attachments capable of operation only on the insertion of three pennies. A suitable design has now been devolped, but as there are more than 8,400 automatic public telephones in service in Australia, the manufacture of the special apparatus required in the conversion of all existing attachments must recessarily occupy considerable time. As a first step, the Post Office will obtain equipment from Austral-ian sources, and present indications are that it will be available within the control of the able within twelve months. As it comes to hand, the equipment will be used to convert automatic in accordance with a predetermined programme. Meanwhile the fee for a call from a public telephone connected to manual exchanges will not be raised to 3d. More than 100,000,000 calls are originated yearly from public telephones throughout the Commonwealth, added Mr Anthony and an increase in the fee from 2d to 3d could produce, ultimately, additional revenue of the lorder of \$500,000 a year order of £500,000 a year.
