The contest will be run on the following schedule:—Beaufort, Skip ton and Lismore will hold dis trict talent shows which will display the best talent available Then three finalists will be chosen from each show to compete for the Star Act Trophy at the final night night at Skipton. Star Town is that which can rally the public to material sup-port for their local talent show. Thus, it is judged in terms of money made by the organisers of your show. It is thus evident how much the public is needed to decide Beaufort's fate in this district competition. The proceeds of the contest are to be equally shared by the Hospital

# **PROGRESS ASSOCIATION**

COMMITTEE MEETING As the Shire Hall was being

used by the Government Au-ditor, the monthly meeting of the Beaufort Progress As-Committee Monday night, Ath Novr., was held at the Scout Hall. Thirteen members were present; Rev. A. L. Mills (president) being in the chair.

Mr R. C. Hodgetts reported it regard to the purchase of wire netting, about which he had made enquirles. - To be left in abeyance for present. The president said when he at tended the council meeting as leputation it was suggested by he council that the Association allow their £110 to be used fo equipment for the Park kitchen. Mr Linsten outlined the am ended Park kitchen scheme proposed by the council, subject to the consent of the Association to the use of their £110.

The president - It seemed fair proposition. In reply to Mr Hodgetis, Mi Linsten said £250 of grant money would be spent. Mr Hodgetts suggested tha other organisations which had subscribed be asked for their cpinions as to whether they were agreeable to the money being spent on a temporary kitchen Mr P. Russell said the answer of the Agricultural Society would be - no temporary kitenen. In reply to other speakers, Mr Linsten said a new kitchen was

matter of finance. Mr Hodgetts moved that al other societies which had given towards the £110 be written to for their opinions. Mr Russell — If they raised Mr Linsten - He could not answer that.

In answer to Mr Pitt, Mr Lin sten said it would be wonderful IF they got a working bee. I would be difficult for him to co tify to the Public Works De partment about work done by working bee. I The motion was seconded by Mrs G. Lofts, and carried.

Mr Hodgetts introduced Mr M G. Freestun - Neville, who was elcomed by the president. Mr Frtestun-Neville said what he had to say bore on the "Sun" Youth Travel Scheme and could be deferred till it came up Nothing further was reported in regard to the speed limit on

he Highway

Mr Linsten reported on the suggested alteration of the school bus service to allow local children to go to school in Ballarat and the best means of approaching the Department. The president said there were 10 names of children likely to Mr Russell said the parent should be written to first. He y Mrs Duke and carried. The president said in regard to the Youth Travel Scheme, the total on Nov. 24 stood at £92. He was cordially president and councillors of the port in the matter. The sum c

shire, who promised their sup-£100 had been forwarded to the Tour Director. Mr Larkens said he had a further £10 in hand from two onors and a further £20 was Mr Crick said the R.S.L. had ularised the members. Mr Westin said the Legion has onated £5 to the fun Mr Pitt said the Legion Sport committee was donating half of he proceeds of one of their sideshows to the fund. He mentioned that the ages were boys between 13 and 15 years. The president said Mr Free stun-Neville was organising car ols by candiclight Mr Hodgetts said he made at appeal to the Agricultural Socie-

ty, as the result of which 21 was coming. The suggested Boxing Day gymkhana was discussed, and i was decided to call a special meeting of representatives local societies. 1. WEATHER CONDITIONS.

The year's weather was one of the wettest on record. Since 1883 the total rainfall for the 7 months, April to October, was only exceeded 6 times in a period of 69 years; in 1893, 1894, 1991, 1923, 1939 and 1951.

Only once in 69 years have two consecutive winters, 1893 and 1894, been wetter than the two recent winters, 1951 and 1952.

# ENGINEER'S REPORT

Action was taken, as follows in regard to the engineer's reports at the Ripon Coun-cil meeting on Decr. 10.

Both reports appeared in our last issue.

ANNUAL REPORT

The engineer presented his arnual report, which he had prepared to show the Council and ratepayers the position in regard to works carried out, etc. He added that there were workshops and forges at Snake Valley and Skipton, where men could sharpen tools, etc. Their plant he pionted out, was their best investment. he pionted out, was their best investment. The Yam Holes Ck. should be sprayed and tussocks killed and cleared away this New Year. summer. He personally felt they had a staff which was out of the box, and all were interested in the work. This was not general in other shires.

get a further £5 from the Government; the grants to libraries having been raised from £80,00 to £100,000 this year. He would take it up with the librarian: He understood from Mr Ireland that the Snake Valley books would be there for Xmas. —Cr. Guthrie moved that the Shire give the £5 towards the Y.F. Club books. Seconded by Cr. Mackinnon and carried. —Cr. Mackinnon —They had someone ready to take charge of the books at Carranballac, but the books had not arrived. —The President — He would check up on it. —The President said the Beaufort Rural F.B. was fortunate in having an expert to look after their equipment in Mr E. Whitfield, who requested that the shire equipment be put in order, and asked that assistance be given in burning breaks to protect the town. —Cr. Mackinnon — It was not a matter for the Council, but for the Brigade and local people. The engineer — The Urban F.B. last year burnt off for householders at a small fee.
