Well that Letters of Administration of the Estate of ESTHER JOH-like as more smoothly, all and Telephone could eas-like the crop with more smoothly, all and the crop with the crop with more smoothly, all and the crop with t

tandem disc harrow working much appreciated by those who ahead of the combine, and har- leave home early in the morning rowed after sowing. To allow for the late sowing, Mr Fay in creased the sowing rates to 80 lb of mercury pickled seed and 140 ib. of superphosphate per acre. Mr W. J. McDonald, of Streatham took second place with a crop of Pinnacle, which should also yield well. This crop was also sown late and had developed evenly; how-

thistles and some rust and loose smut. Caterpillars began fort 2. to damage this crop at an earlier date and the owner had it sprayed from the air to prevent further loss. The land was worked as follows:—Mouldboard ploughed from clover in sand, and June, springtoothed in the first week of August and har-rowed in mid August. It was sown in the last week of August. Rubber Stamps of All Kinds and using 94lb. of seed and 112lb.

iperphosphate per acre.

Feby. 27, when tons of Experimental work on clover ley farming has been carried out at the Rutherglen Research Station for many years under conditions very similar to those

As the attendance has now any marked degree, and the crop ran much more smoothly, always particularly free of weeds. The land was ploughed between pupils in six grades must cause of the control of the estate of ESTHER JOH and Estate of Ragian, in ered as a whole; if not sold as with the control of the estate of Ragian, in ered as a whole; if not sold as with the control of the estate of Ragian, in ered as a whole; if not sold as with the control of the estate of ESTHER JOH and the property will have be control of the estate of ESTHER JOH and the property will have be control of the estate of Ragian, in ered as a whole; if not sold as with the control of the estate of Ragian, in ered as a whole; if not sold as with the control of the estate of Ragian, in ered as a whole; if not sold as with the control of the estate of Ragian, in ered as a whole; if not sold as with the control of the estate of Ragian, in ered as a whole; if not sold as with the control of the estate of Ragian, in ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as a whole; if not sold as with the ered as a whole; if not sold as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered as a whole; if not sold as with the ered

MONTHLY MEETING

The first meeting for the year

the star of the Beaufort team | Mrs H. Johnston and Mrs Nash all day. His effort in catching and their children spent their Westbrook off his own bowling and his catch in slips off Harrison were particularly fine efforts ndeed. In addition, he took 4/31 Beaufort had 15 minutes to pat, and opened with G. Grant and J. Lamb, who acted as NOT and played out time without loss for 12 cuns. On resuming after a late start, as some of the Waubra cars gave rouble en route to Avoca, Lamb and Grant put on 25 runs for the first wicket. With S. Coish

at the wickets, the cricket immeliately brightened, as he set about hitting the bowling to all barts of the field; taking 30 runs from three overs from Gorman. It the afternoon tea interval Beaufort was again in a good three wickets down for 90 and S: Coish 45 not out. After the interval Beaufort lost Coish for a very well made 48 out of the total of 96. D neddon and S. McCracken took the score to 121 before McCracken was out to a good catch for

If they asked for any re- Meeting, 2.30 cognition, it was his duty to do Matthews. and the late Mr E. E. Coulter, of what he could. When they re- alised that this Hospital had VICTORIAN RAILWAYS Ercildoune. Burrumbeet. Mr L. Lyttle, of Waterloo, h spent something like £7000 last been on the sick list recently. volumes for the l Mrs W. Hunt, of Waterloo Rd had to undergo an operation at Beaufort District Hospital. Mr George Cougle, of Spe St., was operated on for app dicitis at Beaufort District Hosalso had to undergo an ope

support given to the Hospital in Beaufort. Outlining the position pitals and nurses quarters because of the tax on Governmen funds for war expediture. Two hundred million pounds was being spent on war and preparation for war. Owing to that expenditure on the education their children and Hospitals had to be curtailed. This was not the place to express his views on the matter, but if they came to one of his political meetings howould give them in no uncer tain way. While they had these things they had to rely on the good graces of the people to care the aged and sick. Person-

ally, he had to pay £12 a week to keep his father in a Convale cent Hospital because of his age. If they had any difficulties ahead they should let him know bethey would have had their new date: Hospital building before this, but

unfortunately these works had had to be curtailed. It was brought forward when he was 1945, and he was looking forward to seeing it built. He felt sure he would able to support the president's remark that he was proud of their Hospital, when he had inspected it. He was proud of what Beaufort was doing for its serve the provisions of this sick, and that major operations Order shall be liable to a penalty could be performed without pa-tients going away. He wished POUNDS. the Garden Party every success, and had very much pleasure in issued. declaring it officially open. (Ap- N.

Later in the afternoon, Mrs R Macdonald (vice-president) presented a travelling clock to Sister M. Donnan, who is leaving on a visit to America. There Was no need to say how good sister Donnan had been, as many had been under her care. She had been a most faithful She had been a most faithful sister, and they appreciated her help very much. They all hoped she would have a happy and successful trip, and that she would come back to see them again in Beaufort. She hoped the gift would remind her of those in Beaufort those in Beaufort. Sister Donnan, in response

said she was very sorry to be leaving as she had been very happy here. She thanked them very much. The Committee had been really marvellous, and anything she asked for or wanted had always been given. Mr Beggs introduced Sister Evans (successor to Sister Don-nan) and wished her a happy

Victorian Premier calls for full, quick response to

17th Security Locate

In a message to the people of Victoria, the Premier, the Hon. John Cain, M.L.A., says.

"Let there be no hesitation about subscribing to the 17th Security Loan, or great developmental projects which will keep us in the forefront of nations, will be

"We have all the men and materials that are needed to send these projects ahead. All we now require is the free flow of money to this and subsequent Loans.

"The call is for faith in our country by a quick and i response. Let us in Victoria, as we did in the great Wa Loans, lead this country in the drive to progress an prosperity. Let us back the 17th Security Loan with all our financial resources.

"It will help us provide funds for more schools a hospitals, for the expansion of soldier settlement, was conservation, fuel and power, and many other projects vital to the welfare and happiness of the peop of Victoria and Australia.

"Many of these projects are well on the way to completion. They will add greatly to the production of the country. We can help finish the task by subscribing to this gilt-edged 17th Security Loan."

3 372 11 4 THESE ARE THE BASIC FACTS ABOUT THE 17th SECURITY CASH AND CONVERSION LOAN

AMOUNT SOUGHT: £77,000,000 in new cash and in

INTEREST RATES: Investors may select: Commonwealth Bonds or | Commonwealth Bonds or
