Continuing the Holden policy of constant improvement

GMH has pleasure in announcing Holden's biggest news

THREE DIFFERENT SEDAN MODELS • NEW STYLING **NEW ENGINE FEATURES • NEW COMFORT • NEW LOW PRICES** Holden's greatest list of improvements yet!

Today General Motors-Holden's presents three beautiful Holden Sedans — the de luxe Special, the Business Sedan and the economy model, Holden Standard. Now there's a Holden Sedan to suit every family, every purpose, every taste. Styling improvements to all models include the new radiator grille, new interior appointments, a new streamlined tail lamp assembly and new hub caps. Additional de luxe styling refinements are introduced on the Special. Holden's 21 h.p. square engine has four new features — new pistons, new piston

Comfort is increased with softer seating. The positioning of the front seat i slightly altered, giving better vision and greater driving ease. Front seat adjust-ment is improved by a new ball-bearing type seat adjuster. It is with special pleasure that General Motors-Holden's Ltd. announces a substantial reduction in Holden prices. This reduction is made possible by increased manufacturing efficiency, resulting from the £11,000,000 plant expansion programme now nearing completion. At the new low prices Heiden offers even more out-
