## Ticket Checking Procedures

All passengers must be in possession of a valid ticket or pass.

When checking tickets the following points are to be observed:

Destination / Zone  
Date  
Time  
Adult or Concession

### Checking of Tickets

Tickets must be carefully examined.

Every ticket presented in a wallet or holder must be removed and examined where practicable.

Employees must courteously but firmly insist on sighting every ticket no matter how well known the passenger might be.

When passengers are approaching a barrier gate, staff should announce "Please have your tickets ready for inspection." The use of the Passenger Information board will assist also.

Passenger are not permitted to enter or leave a platform other than through the barrier gate, where provided.

Staff should also be aware of passengers using station waiting rooms and toilets to avoid presenting their ticket.

Problems with fare evasion should be referred to Stationmasters so that the appropriate action may be taken.

### The Met fare zones

	Zone 1
	Zone 2
	Zone 3
	V/Line service: Met tickets apply

## Colour Coding of Tickets

The Met ticketing system is divided into three zones, each with their own colour.

- Zone 1     Yellow
- Zone 2     Blue
- Zone 3     Red

## Rail Plus 2 Single

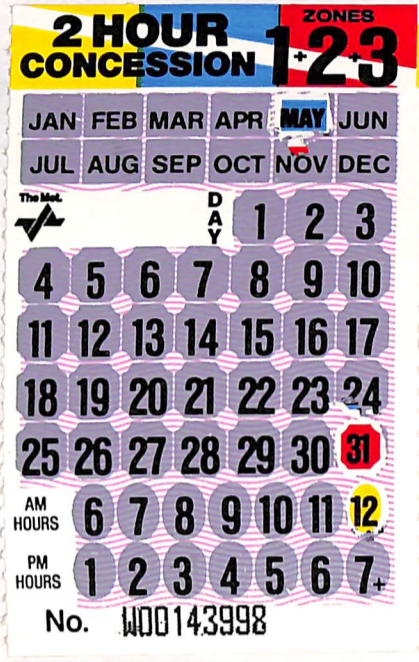

Available for journeys wholly within zone 1 only.

Available for one continuous single journey from the issuing station to a station not more than two stations away.

Melbourne is regarded as one station for tickets for travel to or from Melbourne.

Tickets are not available for travel through or via Melbourne.

**Two Hour Tickets**

Availability

Available for the hour of issue and the following two hours for unlimited travel on all Met services within the zone/s specified on the ticket.

Tickets issued after 6.00 p.m. are valid until the end of services for that day.

Validation

Time at next full hour + date must be nipped (or scratched in the case of scratch tickets.)

e.g. tickets purchased at..	validated at..	expire at..
9.05 a.m.	10.00 a.m.	12.00 noon
12.30 p.m.	1.00 p.m.	3.00 p.m.
2.00 p.m.	3.00 p.m.	5.00 p.m.
6.45 p.m.	7 +	end of service

Expiry time

If a ticket is due to expire at 2.00 p.m., and the passenger enters the platform at 1.55 p.m., with the next scheduled service not due until 2.05 p.m., the passenger must purchase another ticket.

However, late running of services must be taken into account. If the above service was due at 1.56 p.m. and did not arrive until 2.10 p.m., travel will still be allowed on that ticket.

Daily Tickets

Availability

Available on day of issue only for unlimited travel on all Met services in the zone/s specified on of the ticket.

Note
