

# Cavalcade of Transport in Victoria

*The growth of all forms of land transport in Victoria during the first 100 years of progressive settlement provides the basis for this attractive and informative Calendar for 1980 published by the Ministry of Transport for all sections of the community interested in the historical development of this State.*

*The full-color Transportation Mural, which can be seen at Spencer Street Station, was conceived and painted by the State Artist, Harold Freedman, an historical mural painter of renown. Similar works by Mr Freedman include the Military Aviation History at the War Memorial, Canberra, and the History of Flight at Melbourne Airport.*
