STAFF INFORMATION BULLETIN

CLOSURE OF FOOTSCRAY TO MOONEE PONDS TRAM SERVICE

The Minister for Public Transport, The Honourable Alan Brown M.P. has announced the closure of the Footscray to Moonee Ponds tram service and the modification of existing bus services to accommodate the requirements of customers in this region.

A planned and co-ordinated approach to the introduction of these changes to public transport services will occur and your involvement in assisting with securing this outcome during a period of major organisational wide change is now sought.

Details of the modified service and staffing arrangements will be available from your Depot Manager shortly.

NORMAN WALKER
DIRECTOR, PASSENGER SERVICES DIVISION.
