

**... NO
THANKS
Once
is quite
enough**

ONCE was enough . . . and plumber Mr Peter Mentha is steering clear of trams from now on.

His van and a tram collided at the corner of Punt Rd. and Swan St., Richmond, yesterday.

He was not hurt in the crash, but his employers said damage to the van was about \$700.

And Mr Mentha did not seem amused by the invitation of an advertisement on the side of the tram: "You ought to try it more often."
