Dear Sir,

I have to advise that on Saturday, 26th February, we are having, as a part of our Scout Week celebrations, a Camp Fire at Como Park. We anticipate that this function will attract a very large attendance of scouts and the general public. I should estimate that at least 2,000 to 3,000 scouts will be present and several thousands of the public. Naturally attendance will be governed by the weather.

The Camp Fire is timed to start at 8.15 p.m. and I would suggest if possible the tram service along Chapel St. be supplemented to meet the large number of passengers that will require transport.

Yours faithfully,

(Signed) F. SANDERS,

General Secretary.

Mr. F. R. C. Sanders,
General Secretary,
Boy Scouts Association,

MELBOURNE. C.I.

Dear Sir,

Adverting to your letter of the 11th inst. in connection with augmented services for your Scout Week Celebrations at Como Park on the 26th inst., I have to advise you that on account of Commonwealth restrictions on special service and the present shortage of manpower, together with restrictions regarding the use of electric power, the Board will be precluded from giving an increased service to any great extent.

Your suggestion, however, has been passed on to the District Superintendent in charge of the Chapel Street line and he will endeavour to do the best he can under the circumstances.

Yours faithfully,

MANAGER.
