Dear Sir,

In reply to your letter of the 3rd inst. with reference to the Australia Day Celebrations to be held at Olympic Park on 26th, 27th & 28th January, I have to inform you that arrangements can be made to display 75 signs on the front of buses to publicise the event.

The wording submitted is suitable, and if you will have the signs printed on paper 10 1/2" deep x 21 1/2" wide and delivered to the Assistant Manager (Mr. W. Simpson) at this address on or before the 21st January, he will arrange for them to be distributed to the various depots.

Yours faithfully,
