FOOTSCRAY TRAMWAYS TRUST.

Melbourne, Victoria.

CONDITIONS OF TENDERING.

1. Conditions are to be printed and legibly endorsed with the name of the work for which tender is submitted and title of contract.
2. Tenders are to be addressed to the Chairman of the Footscray Tramways Trust.
3. No tender shall be received after noon on the day named for the receipt of such tender unless there are circumstances which, in the opinion of the Trust, render it liable **AND** so.
4. The Trust shall not be bound to accept the lowest or any tender.

GENERAL CONDITIONS, SPECIFICATIONS,

FORMS FOR TENDERING.

5. Each tender must be accompanied by a preliminary deposit equal to at least one per centum of the total amount of the tender.
6. The deposit with tenders shall be in the form of a Bank Cheque or a Bank Order payable to Melbourne in favor of the Chairman of the Footscray Tramways Trust.
7. All deposits, with the exception of that of the successful tenderer, shall be returned to the person entitled thereto as soon as possible after the time when the Trust shall have advised of a decision.
8. The required deposit made by the successful tenderer shall be returned to him on his accepting the contract submitted by the fulfilment of the contract, and making the required deposit thereon. Any tender which may be received without the preliminary deposit, unless otherwise invited by the Trust, shall be deemed to be informal, and be rejected accordingly.

CONDITIONS OF TENDERING.

1. Tenders are to be sealed and legibly endorsed with the name of the work for which tender is submitted and title of contract.
2. Tenders are to be addressed to the Chairman of the Footscray Tramways Trust, Town Hall, Footscray, Victoria.
3. No tender shall be received after noon on the day named for the receipt of such tender unless there are circumstances which, in the opinion of the Trust, render it liable to do so.
4. The Trust shall not be bound to accept the lowest or any Tender.
5. Each Tender must be accompanied by a preliminary deposit equal to at least one per centum of the total amount of the Tender.
6. The deposit with Tenders shall be in the form of a Bank Cheque or a Bank Draft payable in Melbourne in favor of the Chairman of the Footscray Tramways Trust.
7. All deposits, with the exception of that of the successful Tenderer, shall be returned to the persons entitled thereto as soon as possible after the time when the Trust shall have arrived at a decision.
8. The required deposit made by the successful Tenderer shall be returned to him on his executing the Contract documents for the fulfilment of the Contract, and making the required deposit thereunder. Any tender which may be received without the preliminary deposit, unless otherwise decided by the Trust, shall be deemed to be informal, and be rejected accordingly.
9. In the event of any Tenderer failing to take up his tender or to complete the necessary contract documents or to make the required deposit under such contract or to proceed with contract within the time specified under the Conditions of Contract relating to the works, or withdrawing his tender after it shall have been opened, whether such tender shall have been accepted or not, then in all or any of such cases all moneys deposited on account thereof or in connection therewith shall be forfeited to the Trust.
10. In submitting the tender other than by a Corporation, the full Christian name, Surname, and place of residence of the Tenderer must be given, or when the Tender is in the name of a Firm, the name and addresses of the Firm, and the names in full and the addresses of each member thereof. The omission of this information will render the tender liable to be declared informal.

Dear Sir -

TENDER FOR THE SUPPLY, DELIVERY & ERECTION
--- OF ROTARY CONVERTERS, TRANSFORMERS & SWITCHGEAR ---

In response to your Specification for the supply, delivery and erection of rotary converters, together with transformers and switchgear, for your Tramways Trust, we have pleasure in submitting our quotations on our Principals' nearest standard apparatus to fulfil the requirements set out in your Specification. In several minor details our apparatus differs from that called for in your Specification, but it is the standard gear which our Principals have supplied to numerous tramway undertakings abroad, and also here in Australia.

We are attaching Specification covering our apparatus, together with our comments on the interpretation of your specification.

Our quotations are as follows:-

Item 1. 2 - 200 Kw. 600 volt, 750 Rpm, compound wound interpole, 3-phase, 25 cycle synchronous converters, complete with end-play and speed limit device, also brush raising device, field break up switch, equaliser switch, field rheostat, and suitable starting panel.

PRICE EACH ... £1303 - -
PRICE TWO ... £2606 - -
