

TRAM ROUTE **96**

Buses replace trams

11.30pm Friday 10 May to 2am Saturday 18 May

Upgrades on Route 96

We're upgrading **Route 96** tram stops along Nicholson Street, between Brunswick Road and Blyth Street.

Your journey may be affected during the works, so plan ahead, consider alternative travel options and where possible, avoid the work zone area.

	Timing 11.30pm Friday 10 May to 2am Saturday 18 May.
	Tram services Refer to the inside of this brochure for more information about service changes.
	Pedestrians Street closures and detours will be in place around the work zone. Follow signage in the area to get around the work zone.

Tram service changes

- Buses replace **Route 96** trams between Stop 21 Pigdon St and East Brunswick. Buses divert around the work zone and stop changes apply.
- Replacement buses are low-floor where available. If you need assistance, please speak to our customer service team or alert your driver.

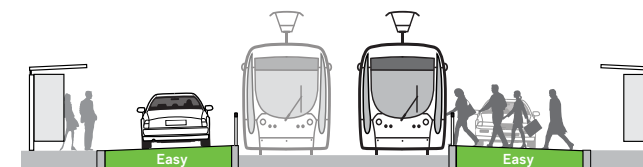

What's happening?

	More accessible stops for tram passengers
	Smoother ride for tram passengers
	Real-time audio and visual service information
	Safer environment to wait, alight and move around

Changes following Nicholson Street works

Once the works are complete, you'll see improvements to stops along Nicholson Street. Some stops that are close together will be removed and replaced with new accessible stops.

Stop 23 Miller St	New easy access stop
Stop 24 Glenlyon Rd	New easy access stop
Stop 25 Albert St	New easy access stop
Stop 26 Victoria St	Optimise (stop removal)

Easy access stops raise the road to give passengers level access from the footpath to the tram.
