

# WELLINGTON PARADE TERMINUS UPGRADE

## Wellington Parade: Between Hoddle Street and Powlett Street, East Melbourne

Wellington Parade between Hoddle Street and Powlett Street will be closed to through traffic between 25 October and 2 November 2020 to upgrade the tram terminus and replace tracks and overhead wires. Expect road closures, parking and local access changes; detours for public transport, traffic, bicycle users and pedestrians.

	Early works	Major works
<b>When</b>	Multiple dates (see over page)	Sunday 25 October to Monday 2 November 2020
<b>What's happening</b>	<ul style="list-style-type: none"> <li>– Setting up work area including traffic management, signage and temporary site sheds</li> <li>– Service proving and conduit installation in footpaths</li> <li>– Building new kerb for pram crossing and installing tactiles</li> <li>– Pole installation</li> <li>– Delivery, welding and grinding of tram rails</li> </ul>	<ul style="list-style-type: none"> <li>– Digging up the tracks and removing rubble</li> <li>– Renewing the overhead tram wires and tracks</li> <li>– Raising the tram terminus tracks to separate trams from the road</li> <li>– Installing traffic signals and traffic islands</li> <li>– Upgrading street lighting</li> <li>– Installing formal driver walkways and toilets</li> </ul>
<b>What to expect</b>	<ul style="list-style-type: none"> <li>– Day and night works</li> <li>– Medium-to-high levels of noise during the day e.g. concrete, asphalt and steel cutting, welding of rail</li> <li>– Medium levels of noise during the night e.g. delivery of rail</li> <li>– Local temporary lane, parking and footpath closures for short periods of time</li> <li>– Vehicles, trucks, small machinery and contractors on site</li> </ul>	<ul style="list-style-type: none"> <li>– Wellington Parade closed to traffic between Powlett Street and Hoddle Street</li> <li>– 24-hour works</li> <li>– Some detours for public transport users, cyclists, and traffic</li> <li>– High levels of noise during the day and evening till 10pm e.g. concrete, asphalt and steel cutting</li> </ul>

To find out more or if you have an urgent need during the work call **1800 800 007** from 6am to midnight daily (all night Friday and Saturday). For urgent needs outside of these times call **0466 853 477**.

# Early works

## Early works – stage 1

7am to 6pm, Monday 7 September to Friday 11 September and Monday 14 September to Friday 18 September 2020

- Setting up work area including traffic management.
- Service proving and conduit installation.
- Building new kerb for pram crossing and installing tactiles.

## Early works – stage 2

7am to 6pm, Friday 16 October to Sunday 25 October 2020

- Setting up work area including traffic management, signage and temporary site sheds.
- Welding and grinding of tram rails.

6pm to 5am, Sunday 18 October to Wednesday 21 October 2020

- Delivery of tram rails.

## Pole installation work

Night works: 10pm to 5am

Dates:

- Monday 7 September and Tuesday 8 September 2020.
- Wednesday 23 September to Tuesday 29 September 2020.
- Thursday 8 October and Monday 12 October 2020.

Other early works may be required. We will inform you as early as possible about these works.

## Road and parking

Some temporary lane closures and removal of on-street car parking. No roads will be closed.

Please observe and follow construction signs and traffic management.

## Public transport

No changes to trams on Wellington Parade.

## Pedestrians

There may be temporary footpath closures.

## Noise and dust

Medium-to-high level noise and low-to-medium level dust can be expected.

# Major works

**Sunday 25 October to  
Monday 2 November 2020  
(24-hour works from 10pm  
Sunday 25 October)**

## Works

Major works will occur day and night (24-hours a day) and include:

- Digging up the tracks and removing rubble.
- Renewing the overhead tram wires.
- Raising the tram tracks to separate trams from the road.
- Installing traffic signals and traffic islands.
- Upgrading street lighting.
- Installing formal driver walkways and toilets.

## Road and parking

Wellington Parade will be closed to traffic from 10pm Saturday 25 October to 6am Monday 2 November 2020.

Eastbound local traffic will be able to access Simpson Street and Garden Avenue via Wellington Parade.

Access to Barry and Vale Streets to remain open under traffic management.

No on-street parking will be available on Wellington Parade.

## Noise and dust

Construction will occur 24-hours a day.

Noise and dust are unavoidable, but we will work to minimise this as much as possible and complete the noisiest works between 6am to 10pm.

High levels of noise are expected during the first couple of days while the tracks are dug out and rubble removed.

For the rest of the work there may be short bursts of high level noise.

## Public transport

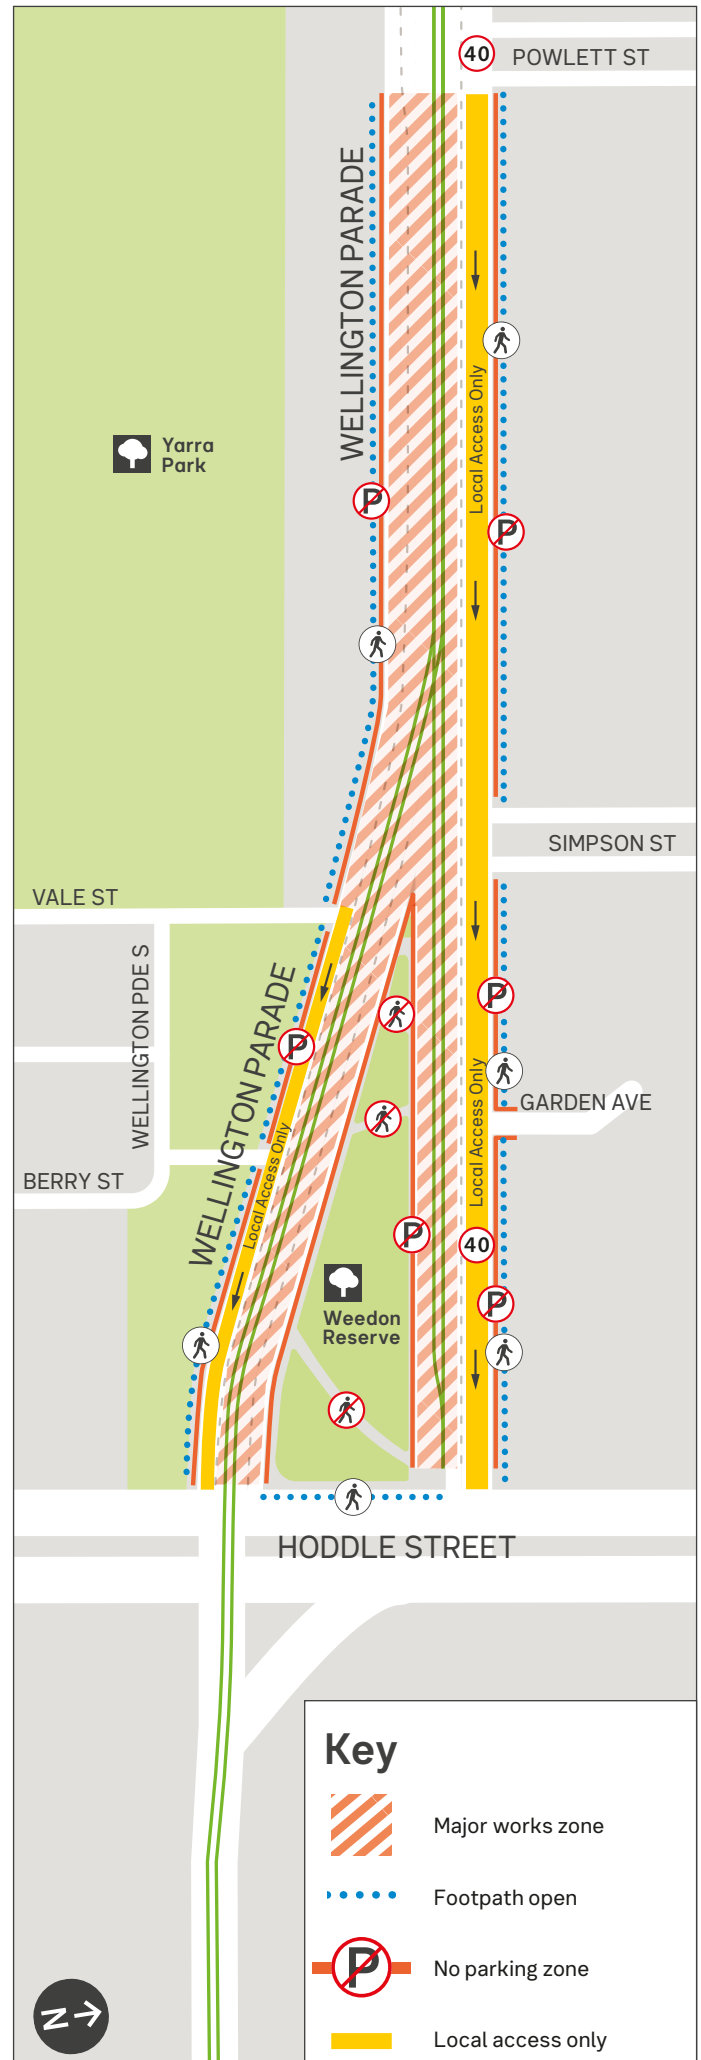

There will be service changes to **tram routes 48 and 75**.

We recommend you allow extra time for your journey. For more information closer to the time visit: [yarratrams.com.au/servicechanges](http://yarratrams.com.au/servicechanges)

## Pedestrians

Footpaths will be open along Wellington Parade.  
No footpaths will be open in Weedon Reserve.

# Open for business

Businesses in Wellington Parade will be open during early and major works and will be accessible via footpaths. Please continue to support local businesses during these essential tram works.

As this work is necessary to maintain a safe tram network as required by the *Rail Management Act 1996* (Vic), Yarra Trams will not compensate any third parties for any losses incurred during the project.

## Construction during COVID

Critical infrastructure projects will continue during Stage 4 restrictions. This includes safety and maintenance works on roads and public transport, and road safety projects that maintain critical safe operations on the road network. To ensure the safety of all workers and the community, all construction and maintenance work undertaken will operate under a High Risk COVID Safe plan.

## About the project

We're upgrading the Wellington Parade tram terminus near Simpson Street, East Melbourne, to improve safety.

The upgrade will also provide extra capacity for up to eight low floor trams to be stored during special events.

The increased capacity and safety improvements will mean improved tram operations, particularly during special events.
