Dear Sir,

With reference to your letter dated 20th July 1965, ref. R.S.S.22, requesting the release to you of certain patterns for castings used on railway tramcars, it is advised that all the patterns stated, with the exception of DJB.35, could be sold to you for the sum of £50.

Please advise if this is satisfactory so that arrangements can be made for the patterns to be released at Newport.

Yours faithfully,

A Wilkinson
Acting Comptroller of Stores.
