

Important service information

Yarra Trams is renewing tram tracks in St Kilda Road between Commercial Road and Domain Interchange from **Good Friday (6 April)** over the Easter Break to **Wednesday 11 April**.

Also over the Easter long weekend, there will be track maintenance work between Domain Interchange and Southbank Boulevard.

The following tram service changes will apply:

Good Friday to Easter Monday – Map 1

Routes 3/3a, 5, 6, 16, 64, 67 and 72 trams will be replaced by buses between Commercial Road and the Arts Precinct.

Route 8 trams will be replaced by buses between the Arts Precinct and Toorak terminus.

Shuttle trams will operate between the Arts Precinct and Melbourne University.

Route 55 trams will operate between West Coburg and City Road (no service between Domain Interchange and City Road).

Route 1 will operate as normal.

Tuesday 10 and Wednesday 11 April – Map 2

Routes 3/3a, 5, 6, 16, 64, 67 and 72 trams will be replaced by buses between Commercial Road and the Arts Precinct.

Shuttle trams will operate between the Arts Precinct and Melbourne University.

Routes 1, 8 and 55 will operate as normal.

Planning your trip

Please allow extra time for your journey.

There may be some delays to tram services in St Kilda Road as they approach the bus transfer point, south of Commercial Road.

The closure of the centre lanes of St Kilda Road is expected to create traffic congestion in St Kilda Road affecting tram replacement bus services.

Motorists are advised to take alternative routes.

TRAMSformation in progress

The major track works in St Kilda Road this Easter are part of our commitment to modernising Melbourne's tram network.

St Kilda Road is the busiest tram boulevard in the world with around 100,000 passenger trips each day.

The new tracks will provide a smoother ride for customers and reduce noise associated with trams travelling over older track.

We thank you for your patience and understanding during these track renewal works which are essential to the continued safe and efficient operation of Melbourne's tram network.
