

## MELBOURNE PAGEANT DAILY EVENTS cont.

### ● MONDAY 28TH

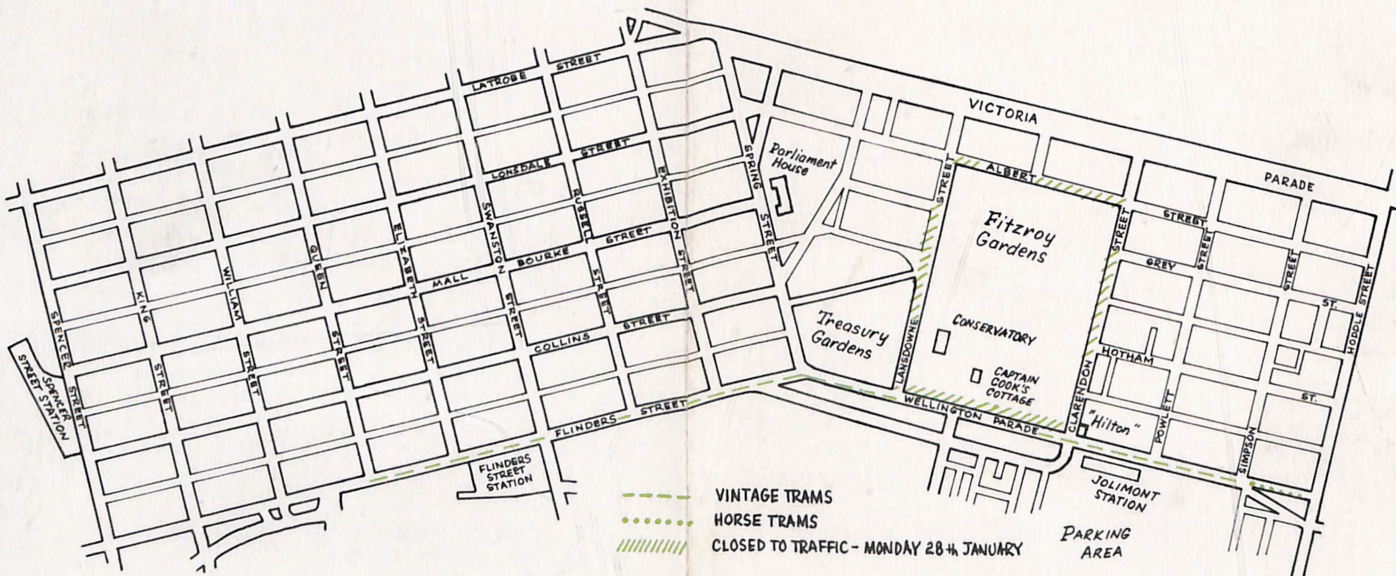

**Fitzroy and Treasury Gardens:** A huge array of vintage and veteran cars, motors, engines etc. will be on show after the Cavalcade of Transport assembles in the Gardens and Treasury Place. The Cavalcade of Transport is the largest in Australia and is growing each year.

There will also be displays from the Australian Historical and Tourist Parks Association, rides from Samson Street, East Melbourne to Queen Street on vintage trams specially brought down from Ballarat and Bendigo, as well as from the Tramway Museum Society of Victoria and the Melbourne and Metropolitan Tramways Board.

Musical entertainment for all the family will be presented by Free Entertainment In The Parks and will incorporate music from the great Australian composers; massed Brass Bands from Hawthorn, Preston and Malvern; guest artists John Ligerwood and Susan Blizzard; the Melbourne Highland Pipe Band; and for the kids — wandering troubadours, oz characters, and clowns Blip and Blop!

For those who feel energetic, a Colonial Dance Workshop will be held with the Colonial Dancers and the bushband "Southwind". Everybody is welcome to join in.

Come into the gardens during Australia Day weekend, and join in the celebrations of your heritage.

## SALUTE TO AUSTRALIA

This particular week in our State's busy calendar of events is organised by a committee representing many facets of our community life — all with a very sincere sense of dedication to and a belief in our country and its future.

But during this week we attempt to look back into our past — its humor and its hard work in creating a country we all enjoy.

We look forward to your co-operation — as a participant, or if this is not possible, for your interest in helping us to create a greater awareness of our heritage — and thus a better appreciation amongst us all of our future.

NEIL McPHEE, M.B.E.  
CHAIRMAN  
MELBOURNE PAGEANT COMMITTEE

For further information please contact  
Ms. Clair Clarke, Consultant, Executive  
Officer, Phone 651 3475 or 592 1105.
