

THE AUSTRALIAN ELECTRIC TRACTION ASSOCIATION

VICTORIAN DIVISION

MEMBERS' LIBRARY

RULES

1. Library facilities are strictly limited to financial members of the A.E.T.A.
2. Articles borrowed at a General Meeting must be returned by the following General Meeting; otherwise a fine of 5 cents per article per month will be imposed on overdue items.
3. The maximum number of items that can be on loan to any one member is limited to 2 books or 6 magazines. However, this may be varied at the discretion of the Librarian to cover the needs of a member who may be engaged in research or in the preparation of an article, etc.
4. The above rules may be amended or new rules may be added from time to time without prior notification.

EXPLANATORY NOTES

Each item has been given a code number consisting of a combination of letters and numerals. These indicate location main classification, sub-classification and numerical sequence - in that order. Provision has been made for all missing numbers in magazines and periodicals where there is any likelihood of the gaps being filled, in which case such copies will be allotted their predetermined code number, thus preserving the correct numerical sequence. In this respect an appeal is made to all members to donate items to the Library and thereby help to fill some of the more obvious gaps where, it would appear that magazines have disappeared from the Library over the years. Intending borrowers should always quote the code number as well as the title when borrowing or returning items to facilitate ease of handling.

CATALOGUE OF ITEMS AVAILABLE AS AT 1.5.1972
