**8am to 2pm Saturday 18 September 2021**

Worldwide Rally for Freedom - Service Changes

## Event synopsis

Forming up at the corner of La Trobe St and Elizabeth St from 1200, it is understood that the group will march through the city. VicPol believes that the group may be significantly larger than the recent protest on 21 August 2021, and so access to the city is being limited.

**Expected crowd size:** 4,000 +
