

## The Met

There are railway stations at Richmond, Jolimont/MCG, and Flinders Street. Trams run along Batman Avenue, Swan Street and Wellington Parade. The Met runs extra services for special events including shuttle tram services along Batman Avenue and Swan Street, to get you either from Flinders Street or Richmond Station.

For information about services to special events call The Met on 617 0900.

## The Car

If you do decide to drive, allow yourself plenty of time to park. Parking is available at the MCG for events at the MCG and major events at the National Tennis Centre.

Limited parking is also available at Olympic Park for most events.

## The Footbridge

Don't forget that you can use both footbridges from the MCG carpark to cross to venues in Swan Street and Batman Avenue. Wellington Parade trams and Met trains also run to Jolimont, providing access to the footbridges.

The map is provided to help you plan your trip, and help you make the most of Melbourne's premier sports and entertainment district.
