to

PERTH

For the 1986 Cricket Carnival

WELCOME

It is with great pleasure that we welcome our interstate visitors from South Australia, Victoria and for the first time New South Wales.

It will be most pleasing to see many old faces again as well as a few new ones, so that old and new friendships can be started and many memories can be relived and retold over the week of the carnival.

The theme for this years carnival will be "FRIENDSHIP AND SPORTSMANSHIP". With this in mind, I trust all teams will compete keenly and fairly with the game of cricket being the winner.

Once again a warm welcome is extended to all our visitors.

I take this opportunity to thank the MTT (Perth) for all their assistance towards the successful running and organisation of the carnival and in particular our Chairman Mr. Hicks.
