Union Presentations 2010

This year's presentation in the depots was the biggest and the best. It surprised me to see the amount of people in the mess room in so many depots, in most there was standing room only.

It was great to see everyone getting involved such as Tram Drivers, Authorised Officers, Customer Services Employees and Maintenance members. Nice to see these people have become part of the Christmas celebrations and part of the big trammie family.

As you know by now I made my announcement about my retirement after 45 years on the job and 21 years as Secretary.

I enjoyed the support given to me by all members and I thank you very much for being loyal to me for

so long. The amount of people that turned up at Presentation Day showed me I have a lot of friends in the depots and I am going to miss you all.

I hope you all continue to support the Union in future so you can enjoy good conditions and a good job.

I wish you the very best for the future.

Lou Di Gregorio
Secretary

30 years presentation to Danny Faalele, Camberwell Delegate

Bendigo Depot

It was another great day at Bendigo Break up at Christmas, this was my last one as Secretary of the Union and I enjoyed very much coming down to Bendigo and I want to thank all Bendigo members the way they organised the day.

I particularly like to thank George Stirling and the rest of the workshop for giving me such a beautiful souvenir leadlight plaque. I would also like to thank Julie the Delegate for organising a successful day.

Southbank Depot
